Dear Iona Community,

**OPEN DAY THANKS**

On behalf of the Oblate Community, I would sincerely like to thank everyone involved in the recent College Open Day. Over 1000 people came to experience our school and community culture and the day was very beneficial to our local families. Many families let us know that it was through the invitation of Iona families that they came along, which is a great endorsement of our community by our current families.

The student guides were outstanding and by far the most important aspect of the day. They were polite, courteous, honest and bursting with pride for their school. They were also the greatest testament to the educational opportunities that we have here. I was also particularly grateful to the many staff who contributed to the day by being open to our guests entering their class rooms. This greatly added to the day.

Enrolments for Year 5, 2018 close on June 10, 2016 and it is expected that again, there will be a very high level of interest. It is really important that our current families with sons in Year 3 keep this date in mind.

**RECONCILIATION WEEK 2016 – MAY 27 TO JUNE 3**

As Australians, we are all here, woven into this country. As part of our reconciliation journey, there are truths to tell, stories to celebrate, and relationships to grow. Reconciliation is at the heart of our nation’s future.

Join us on our nation’s reconciliation journey.

This week, Iona College is joining with the rest of our nation in celebrating Reconciliation Week. This year’s theme has been Our History, Our Story, Our Future and our recognition has focussed on respecting the valuable and ongoing task of reconciliation between Aboriginal and Torres Strait Islanders and every other Australian. We are very proud to have Torres Strait Islander and Aboriginal Ionians who bring great respect and diversity to our community. This year, for the first time in the College’s history, the Aboriginal and Torres Strait Islander flags fly alongside the Australian and Queensland flags at the main entrance to the school. This small gesture is another step on our path to reconciliation.

We have also been blessed to welcome the following musicians and performers to the school to help us recognise and celebrate:

- Malu Kiala Muru Buai
- DJ Kitch and Garrett Lyons
- Nunukul Yuggara

**IONA COLLEGE’S MILK SUPPLY**

Like many in our community, we have been very concerned about the treatment of dairy farmers by large suppliers. These suppliers appear to have crippled many farmers. The College was aware of these concerns well before it came to public attention and have been working to ensure that our milk supply was one that respected the farmers who produced it. I am pleased to say that after some negotiations that our milk will now be supplied by Norco. Norco is a dairy co-operative owned by member suppliers who operate Australian dairy farms. They recognise the value that the co-operative structure brings to all of their members and communities.

Norco has been doing business since 1895 and are proud of their heritage and passionate about their future. There are bases in Lismore and Labrador and the Board of Directors are all Australian farmers. Norco are the only fully owned Australian Milk Company and they pay the highest farm gate price in Australia to their farmers.

Fonterra is NZ owned; Parmalat is French owned; Dairy Farmers (label is Lion Nathan) is Japanese owned. Farm gate is the price paid for the sale of farm produce direct from the producer when it leaves the farm. We will be systematically working through our tuckshop suppliers to ensure that each company reflect the values of fairness, decency and sustainable practices.

Iona College seeks to provide a dynamic Catholic learning community within the Oblate spirit, so that its members are faith-filled, resilient, courageous, well-balanced and prepared to make a difference.
INTRODUCING WYNNUM – 4178 – WYNNUM WHAT!

Whenever someone is not quite sure where Iona is located, we eventually use the name Wynnum to help locate the College. Wynnum has played a significant and sustained role in the life of Iona College and this week’s sharing will hopefully reflect that. It will be impossible to cover all aspects of Wynnum culture, but I hope to reflect as much as I can. Special thanks to Wynnum What Facebook page as well as the Wynnum Manly Historical Society for some of the information and photos.

Wynnum, a residential suburb on Moreton Bay south of the mouth of the Brisbane River, is 15 km east-north-east of central Brisbane. There’s no real answer, however, as to where the name ‘Wynnum’ had its roots. One suggestion is that it was adapted from the Aboriginal word for the breadfruit tree, ‘Winnum’. Another is that it came from the Aboriginal word for soldier crab, ‘Winyum’, while the area could also be named after one of the earlier settlers, ‘Wenhham’.

Around the time of European settlement there were approximately 5000 Aboriginal people leading a semi-nomadic life but not wandering too far given the abundance of wonderful food.

The early Wynnum town ship was located around the mouth of Wynnum Creek and was established in the 1880’s. The population increased significantly with the opening of the Brisbane-Cleveland train line in 1889. Wynnum is one of the few suburbs in Australia to have three train stations in it – Wynnum North, Wynnum and Wynnum Central!

Wynnum had earlier been known as Oyster Point, in reference to the oyster beds that were found in the area. At the height of productivity in the 1930’s the fishing fleet based in Wynnum Creek employed 108 men on 28 vessels and had an annual haul of 2000 tonnes.

The Wynnum Wading Pool was built in 1932 and has provided generations of people with a swimming option in the tidal region of Wynnum. Bathing Boxes were also constructed along the Wynnum foreshore near jetties in 1890 and 1932. The 1930’s also saw Wynnum famous for sand castle competitions and a recent sculpture in Wynnum attempts to remember this part of our culture.

Other notable landmarks in Wynnum are the Wynnum School of the Arts (1915), Masonic Hall (1920), and former Wynnum Ambulance (1926).

Wynnum Creek flows past Wynnum Golf Course which was opened in 1925. The creek then flows past Kitchener Park (home of Wynnum Manly Junior Rugby League Club) and on to the monument commemorating the visit of Lord Kitchener in 1910. On the bank of the creek, Lord Kitchener stood and watched the troops as they returned military equipment to Lytton. These two places recognising Lord Kitchener are the only two monuments in Queensland remembering his visit. It is Lord Kitchener’s face that appeared on many army recruitment banners like the one shown here. He led famous victories in Africa, particularly in the Sudan War of 1898, but was criticised for creating concentration camps in the Boer War for civilians in South Africa. History has mixed reviews of Kitchener but his name is most certainly remembered here in Wynnum. Kitchener Park is home to the Wynnum Manly Junior Rugby League Club and many Ionians have experienced the culture of this Club. The beautiful and heritage listed Guardian Angels Church (1910) and School began in 1915 and recently celebrate their 100th anniversary.

The Capuchin order arrived in the 1940’s and have served the people of Wynnum with great care and dedication ever since.

I was a student of Guardian Angels from 1976-1979 and I remember very fondly my time there. The boys’ playground consisted of the Church bitumen car park, so you can imagine our joy when we arrived at the open expanses of Iona. We loved that we could now run!!!

The Sisters of Mercy lived in the convent across the road and this was also built in 1915 and has recently returned to Catholic education. Mount Carmel College for girls began on January 1, 1957 and closed at the end of the 1992 academic year. It is still hard to fathom that a senior Catholic educational institution for girls closed down in Wynnum, forcing local families to either travel much further or choose an alternative option. This is a decision worthy of critique. At some stages of our history, there had been talk of Iona becoming co-educational, but this never eventuated (much to the annoyance of some of our boys!!!). Mount Carmel’s motto was To Thy Own Self Be True. My sister went to Mount Carmel and many mums of Iona also attended this school. We give thanks to God for the Catholic education that it provided to the girls of our region.

Moreton Bay College (1901) was also originally housed in Bay Terrace Wynnum before moving to its current location in Manly West. Wynnum was also home to Wynnum Central State School (1896-2010) and Wynnum High (1942 and continuing). All of these schools have served our community well. The site of the former Wynnum Central State School has seen the opening of the new Wynnum Library which will serve our community well into the future.
Some things parents can do:

- Ensure your son is eating healthy, nutritious food, ideally with lots of fruit and vegetables and protein. This will help their brains work most effectively. As tempting as sweets may be, try to limit their intake of sugary drinks and foods which impede their learning and result in sugar lows.

- Make sure your son gets a good night’s sleep. Spacing out their study and assignments will help them to avoid the last minute cramming that results in very late nights. Even in Year 12, students need a good night’s sleep to promote learning, memory, recall and cognitive capacity. It’s better to get a good night’s sleep the night before a big test than to sit up into the early hours cramming information that won’t be retained the next day anyway.

- When studying, encourage your son to take a 10-15 minute break every 1-2 hours. During this time, they should get off their computers and devices, drink some water and, if hungry, eat a healthy snack. Fresh air and walking around are good ways to re-energise brains.

- Study will be far more effective if it’s not interrupted by devices, social media and other distractions. If you can, get your son to leave his phone in another room and turn off the computer if it’s not needed. If a device is needed, consider using an app that can block out distracting websites for a set amount of time. Rather than disabling the entire internet, apps such as Self-Control (Mac) or Freedom (PC) will block out distracting websites for the period of time you allocate, even if the computer is re-started or the app deleted. This is great for blocking out social media sites, email servers or any other site that your son may find tempting.

- Encourage students to space out their study for exams. Research shows this is far more effective than desperately trying to cram information into a tired brain. A little bit of study spaced out over several days (or weeks) is far more effective for retention and understanding. Details of upcoming assessment is provided on the portal and the senior exam schedule is posted on the website. Looking at these now and allocating study chunks for the remainder of the term. They should write down each piece of assessment (including drafts) and when they’re due. They can then add in their other commitments (e.g. sports training, work, church, family and social events) and then allocate slots where they can work on assignments or study for exams. Many students think only about the due date and procrastinate because they “still have two weeks”. They need a visual reminder to see that in that two weeks they actually still have two weeks that need to be completed to the standard it could be.

- Finally, one of the most important things parents can do is remind your son just to do his best. Try to take the anxiety out of the assessment by putting it into context and reminding them that as long as they have tried their hardest, that’s all anyone can ask.

Some students are highly motivated, independent learners who have learnt good study skills over the years. For other students, a supportive, structured environment is vital to academic success. Whilst it’s not too late in Years 11 or 12 to start strategies like those above, it is more ideal to start in younger years so that the habits and strategies are learnt and embedded by the time the stresses of senior studies occur.

PRAYER FOR NATIONAL RECONCILIATION

Holy God of Dreaming,
You reconcile us together in one nation
giving us your grace for our journey of healing.
In this National Week of Reconciliation,
help us to do away with attitudes that bring negativity,
and to turn to your love,
so that we may find you in everyone we meet
and cultivate a national culture of harmony.
Holy God of Dreaming, in your mercy hear our prayer.  Amen.

COMMUNITY NEWS

OPEN DAY
Last Monday enabled prospective and current families an opportunity to briefly engage in an “Iona experience” during our Open Day.

It is very pleasing to receive wonderful feedback from many of our visitors. While our educational, cultural and sporting facilities are visible and appreciated, the highlight for most families were our tour guides; the students who are always ambassadors for Iona.

I congratulate our young men who are passionate about our College and generously gave of their time to lead the tours on Monday afternoon.

While blessed with fine weather, the success of the afternoon was mainly due to the planning and hard work of a number of staff. I sincerely thank our College Registrar, Mrs Sharon Young, the hard-working ground staff and the many teachers who assisted in the preparation of Open Day 2016.

OLD BOYS’ DAY – SATURDAY 11 JUNE
A cordial invitation is offered to all Old Boys of the College, young and not so young, to attend the functions next Saturday. Fr Michael will lead mass at 4.00pm followed by dinner and drinks in IPAC.

Tickets for this function must be pre-purchased by following this link, Iona Old Boys’ Day 2016, or by visiting the College website.

The day coincides with our Term 2 Rosies Appeal and all players, whether it be chess, rugby or football are encouraged to wear red laces on the weekend to show their support. Laces can be purchased at the uniform shop for $3.50 or from students who will be selling them at lunch time next week.

Black and White supporters gear can also be purchased on the day from a merchandise tent which will be situated beside the rugby canteen.

RECONCILIATION WEEK ASSEMBLY
Our College assembly this week welcomed the Malu Kiai Mura Buai Company as a part of our gathering in the recognition and belief in National Reconciliation Week. Following our prayers for continued reconciliation and appreciation of varied cultures in Australia, this group entertained the students and staff in a series of traditional Torres Strait songs and dances that have been a part of their culture for many generations.

We also welcomed Mr Joseph Foley, Archdiocesan Director from Caritas, who thanked the students and families for their continued support of Project Compassion last term. Mr Foley also highlighted many recently completed works and tasks in various small villages in poorer African countries which Caritas have supported.

EUROPEAN TOUR
There is now only one ‘seat’ available for the tour to France and Italy which departs on 18 November. For anyone who is still contemplating attending, please contact me no later than this Monday 6 June.

Mr Damian Courtney
Dean of Community
CONGRATULATIONS
We would like to thank and congratulate Nathan Melvin-Tong who volunteered his time recently to perform for some very distinguished guests including the Australian Governor General at a recent Rosie’s function. Thank you to Mr Green who accompanied Nathan to the cathedral. We have received some great feedback on Nathan’s performance. Well Done Nathan.

MAZENOD WA 50TH ANNIVERSARY
Congratulations to all ten students who recently travelled to Perth with Mrs Corkeron to help celebrate their 50th anniversary. Much was shared in last week’s newsletter but we wanted to add again how proud we are of this group of boys. Some of these young men have made friendships that will last a lifetime, and we look forward to future anniversary celebrations with both Mazenod colleges.

MUSIC SUPPORTERS GROUP MEETING
Please note the change to our next Music Supporters group meeting. The next meeting will be in term 3 on Monday 1 August. Donations for the multi draw raffles are always welcome and appreciated. Items may be dropped into our music department office at any time.

MUSIC CONCERTS
We are preparing for our Music Concerts 1, 2 and 3. We look forward to seeing as many people as possible at these performances. The concerts will commence at 6.30pm in IPAC and there will be the usual refreshments and raffle tickets available. Concert notifications have gone home this week for the first two concerts as follows. We would appreciate your RSVPs as soon as possible for your son gone home this week for the first two concerts as follows. We would appreciate your RSVPs as soon as possible for your son.

VERY SERIOUS EVENT AT LINDUM LEVEL CROSSING
An event occurred at Lindum station level crossing recently. Parents please encourage your lad to use the over bridge at Lindum station when moving from one platform to the other. Please help reinforce the directive from Iona to students (as follows):

- The shops at Lindum are out of bounds in the morning before school and in the afternoon until 4.00pm at least.
- We ask that no student uses the level crossing to cross the rail tracks. We ask students to always use the “overbridge”. Too many instances of boys pushing open safety gates, before it is safe, are reported by QR staff at Lindum station.
- Once over the bridge boys MUST use the train path NOT North Road to walk to Iona. Using North Road puts boys in conflict with vehicles entering and exiting Iona’s main drive.
- Any lad riding his push bike via the station is asked to seek assistance from other students to help carry his bike over the bridge rather than risk the level crossing. He may then ride along the train path to the Iona boundary, then walk his bicycle to the bike racks.

NOTE TO PARENTS RE DROP OFF/PICK UP PROCEDURES
Of late the boys have been reminded about the drop off and pick up procedures at Iona. Could parents please take note:

1. When using the drop off / pick up zone between Davine and McCarthy ovals, please drive as far as possible toward the Sandy Camp Road gates. This helps decrease the inconvenience and traffic problems in Bulgin Avenue. We do try to be a “good” neighbour to the residents in that street.

2. The small car park near the Daly Art Precinct is NOT a drop off / pick up zone. Traffic in that area MORNING OR AFTERNOON creates conflict between students walking up the path to or from the bus turn-around, a very dangerous situation.

Please use the car park / drop off area to the right of the MAIN DRIVE by exiting to the right at the first roundabout on Main Drive. Not under IPAC please. A path from that area has been built to facilitate students walking onto college grounds in a safe manner.

With so much traffic morning and afternoon your assistance is appreciated. With so many boys moving at those times of the day we worry a great deal about their safety and parents share that concern.

Any enquiries should be directed to me, Mr George. Thanks for your care and concern.

Mr Bob George

LAST CHANCE!!! ILLUMINATIONS FESTIVAL AND LANTERN MAKING WORKSHOPS

Calling all students who wish to participate in this year’s “Illuminations Festival” on Saturday 18 June, 2016 on the Wynnum and Manly Foreshore. As part of this community event Iona College students in Years 5, 6, 7, and 8 have the opportunity to participate in Lantern Making workshops where they will create lanterns which will be part of the festival parade.

Workshop dates are Wednesday 8 June and Thursday 9 June from 3.15pm – 4.30pm in the Daly Art Department. Students who participate in the workshop must also commit to participating in the festival parade with their lantern.

Please see permission note to attend a workshop afternoon attached to this newsletter. For further information, you can visit the festival website http://www.illuminationsfestival.com.au/ or contact Mrs Jacquie Jones in the Art Department jonesj@iona.qld.edu.au.

SOCIAL JUSTICE

‘STOP THE TRAFFIC’

After school on 31 May, eight Iona students headed to San Sisto College for a social justice related evening. Upon arrival, the boys were treated to a delicious afternoon tea, featuring San Sisto’s ‘famous’ chocolate chip muffins. Following this, students from many schools in the Brisbane district gathered to ‘stop the traffic’. Led by Sister Janine of Australian Catholic Religious Against Trafficking in Humans, or ACRATH, students were made aware of the modern-day slavery that is human trafficking.

With over 30 million people trafficked worldwide, and an industry value of over $32 billion dollars, it is obviously a problem that needs to be tackled head on. Also, Sister Janine enlightened the audience as to how common trafficking is in Bundaberg, Queensland. In an attempt to counter this, ACRATH has developed the ‘Help Card,’ featuring workers’ rights related questions in seven languages to be distributed amongst the populous. We would like to thank Sister Janine from ACRATH for her presentation, as well as Lauryn Hawkins of San Sisto College for hosting this event. For more information on how you can help stop the traffic, please visit the Australian Catholic Religious Against Trafficking in Humans website: http://acrath.org.au.

WYNNUM MANLY EISTEDDFOD 2016

On Wednesday 25 May, approximately 30 students from Iona competed in public speaking and impromptu speaking categories at the Wynnum Manly Eisteddfod. Students competed confidently, and achieved very good results. For some students, this was their first time speaking in front of a public audience – and they did an excellent job! Iona’s results from the competition are below:

12 Years and Under Public Speaking
- 1st: Hamish Colbert
- 2nd: Ethan Gately
- Highly Commended: Alexander Austin, Anthony Kirn, Harry Kuzewicz, Jory McAnulty, Kaiden McConnon, Oliver O’Kane, Coel Upshon and Gian Willcox

13 to 15 Years Public Speaking
- 1st: Finn Buxton
- 2nd: Montgomery Jackson, Harrison Leis and Riley White
- 3rd: Timothy Little and Talan McAnulty
- Highly Commended: Keenan Christie, Max Copson, Patrick Elkington, Harry Frith, Patrick Hoelscher and Samuel Rhodes

16 to 18 Years Public Speaking
- 1st: Jack Boardman
- 2nd: Jackson Burnett
- 3rd: Joshua Stevenson

12 Years and Under Impromptu Talk
- 1st: Alexander Austin, Hamish Colbert and Cooper Pratten
- Highly Commended: Ethan Gately, Anthony Kirn, Jory McAnulty, Kaiden McConnon, Oliver O’Kane and Coel Upshon

13 to 15 Years Impromptu Talk
- 1st: Patrick Elkington
- 2nd: Finn Buxton, Talan McAnulty and Thomas Roos
- 3rd: Max Copson, Alistair McDougall and Riley White
- Highly Commended: Harry Frith and Harrison Leis

16 to 18 Years Impromptu Talk

STUDY FOR A DAY AT SAE QANTM
The Study for a Day workshop is for students 15 years and older who are interested in studying Animation, Audio, Graphic Design, Web Design, Film or Games. It provides an opportunity to check out these study areas. You can also check out the facilities at the SAE Qantm campus in West End, Brisbane and explore the tertiary level courses offered. The workshop will be held from 9am – 4.30pm on Saturday 25 June 2016. Find out more and register at https://sae.edu.au/ (click on News & Events).

AUSTRALIAN FILM, TELEVISION AND RADIO SCHOOL (AFTRS) COURSE IN BRISBANE
AFTRS is Australia’s national school of arts and broadcast school. It is a federal statutory authority. AFTRS offers a B Arts (Screen) and short courses, some of which are offered online. It will offer Introduction to Screen Writing on 17 – 18 September 2016 at The Edge, State Library of Queensland, Brisbane. Click here for details (click on ‘Screen writing’ and scroll down to the Brisbane course). You may also be interested in their online short courses. Click here for information about these courses.

BONDED MEDICAL PLACES (BMP) SCHEME
The BMP Scheme is an Australian Government initiative to provide more doctors to locations (called Eligible Locations) that are considered by the Department of Health to be in need of qualified medical practitioners. The BMP Scheme provides funding for additional Commonwealth Supported Places in Australian medical schools. From 2016, 28.5% of all first-year Commonwealth Supported Places in Australian medical schools are expected to be bonded through this scheme. In return, after completing their medical course, participants agree to work in an Eligible Location in Australia for a total of 12 months (called Return of Service Period). The Return of Service Period can take place from the time they become provisionally registered, to five years after they attain fellowship (complete a specialty).

The application and selection process for the scheme is the responsibility of the universities and usually takes place after an application to study medicine has been lodged. In the case of the University of Queensland, Year 12 students can apply for a Bonded Medical Place when they apply for the Doctor of Medicine (MD) Provisional Entry for School-Leavers (Bonded Medical Places) through QTAC. Click on the following link to download the information booklet about the BMP Scheme.

EVENTS AT THE AUSTRALIAN CATHOLIC UNIVERSITY
University Experience Day – Registration for this event is now open. It will be held at the ACU Brisbane campus on Thursday 7 July 2016. On the day you can participate in workshops related to the degrees offered at ACU, meet staff and current students, check out the campus, get tips on preparing for uni and enjoy the entertainment. Click on the link to register to attend.

Open Day – This will be held at the Brisbane campus on from 9am – 2pm on Saturday 23 July 2016. This is a must attend event to learn about the courses and student support services offered at ACU. Register to attend Open Day for a chance to win $5,000 for an ACU study trip to Rome.

GRIFFITH UNIVERSITY UPDATES
New in 2017 – The following are university wide changes for 2017:
- The academic year will be divided into Trimester 1 (27 February – 26 May), Trimester 2 (3 July – 22 September) and Trimester 3 (30 October – 22 February). T3 is optional and could be used as a catch-up trimester.
- Some degrees will have a fast track option, enabling students to finish in two years.
- There will be more flexibility to balance study with other activities (e.g. work, sports).
- More industry placements and internships within degree programs.
- New double degrees.
- Students can study online, on campus or a combination of both.

Single environmental science degree in 2017 – This new three-year B Environmental Science will have specialisations/majors in Ecology and Conservation, Environmental Management, Soil and Water Science and Urban Environments. Double degree options are B Environmental Science/B Laws and B Environmental Science/B Engineering. Click on the link for further details.

2017 Griffith Undergraduate Degree Guide - This guide has information about the courses you can apply for in 2017. Click on the link to download the guide. Course brochures are also available on this site.

Mathematics A and B bridging courses - This is a self-paced modular course, which runs on Monday nights on the Gold Coast campus from 22 February – 14 November 2016. There is no set starting date. You can start on any Monday night. Successful completion of the course will meet the Maths A and Maths B prerequisites and assumed study for degrees at Griffith. Click here for details.

Year 10 Parent Evenings – At these evenings, Year 10 students and their parents will be given information about choosing subjects for future tertiary study; have their questions about tertiary study answered; and talk to the parents of current Griffith students. The evenings will be held on:
- 7 June at Nathan campus
- 8 June at Logan campus
- 9 June at the Gold Coast campus.

Details will be on the website (click on ‘2016 Griffith events and tertiary expos’) shortly.

INFORMATION FOR FUTURE PILOTS
PATS (Pilot Aptitude Training Systems) is a private organisation that prepares people for aptitude tests and interviews that are used by the Australian Defence Force and airline pilot cadetships (e.g. Cathay Pacific, Rex). For more information, see http://www.pilotaptitude.com/.

PLAY YOUR ROLE 2016

The Supporters Appreciation Round was successful. Both Iona and Padua College agreed prior to last weekend’s round that it was fitting for all players involved to acknowledge the support network that drives sport. Coaches / managers, parents, spectators, canteen workers, grounds people, referees, linesmen, medical staff and scoreboard attendants - it is large and the ritual of both teams gathering at the end of games to give thanks to all who support their sport was fitting and genuine. It is hoped that the annual winter fixture between Padua and Iona will become Supporters Appreciation Round for years to come.

It was also refreshing to witness a round of fixtures that saw teams playing hard, playing to their potential and enjoying their chess, rugby and football. Those goals can often be more important than the focus on winning or hoping that the best players will provide a dominant performance to achieve winning. The final goal of each game last weekend was for two Colleges to come together and appreciate what is provided by generous people. The scoreboard became less important, the post match feelings of angst diminished and the important trait of thanking those who care delivered. It was a really good weekend of sport.

This weekend sees Iona take on St Peters, Ambrose Treacy College (formerly Nudgee Junior) and supplementary games. Teams within age groups will play across a number of venues - not organisationally easy, but at least teams will get competition. It is the final game of the year for the 7E rugby team. Games for 9C, 9D and 15C rugby are also yet to be confirmed for next week.
