Dear Iona Families,

As we approach the end of another term, I would like to sincerely thank the very many people who have contributed to the College in 2016. Iona College is a large and diverse community with so many opportunities to be involved at a significant number of levels. I am aware of the generosity of many people involved at both the curricular and co-curricular levels. We are all involved so that our boys have as many opportunities as possible to develop and mature in a safe and affirming environment. I particularly would like to thank the families and staff who help provide these opportunities.

YEAR 11 AND 12 EXAM BLOCK
Our senior students are currently involved in Senior Exams and I sincerely hope that each of them are able to achieve results that match the effort that they have put in. These exams provide significant indicators of progress as well as areas of needed improvement. I wish each boy and family every success.

LOURDES HILL 100TH ANNIVERSARY
Lourdes Hill and Iona College share a close and supportive relationship and we recently sent flowers and good wishes to Lourdes Hill for the 100th anniversary. This important milestone recognises the sustained commitment of the Lourdes Hill community to the students and families of this region. When Mount Carmel closed in Wynnum in the early 1990s, Lourdes Hill and other schools provided a pathway for the girls of this region and this is worthy of thanks and recognition. We wish everyone associated with Lourdes Hill a happy 100th anniversary.

ST JOHN VIANNEY’S 75TH ANNIVERSARY
It was with great joy that Iona College had representation at St John Vianney Manly for their 75th anniversary of providing quality Catholic education in our area. Iona has a wonderful history of shared families who have contributed greatly to both communities and we sincerely hope that this continues long into the future. Congratulations to the entire St John Vianney’s community.

PARENTS AND FRIENDS
I was really pleased to see that we had another wonderful attendance at our last Parents and Friends Association Meeting. I absolutely value the contribution and partnership that families, particularly parents provide to our College and local community. I encourage every family to consider supporting this Association at some stage during the year if you can.

ENROLMENT INTERVIEWS
The College Leadership Team have been conducting the interviews for students wishing to join our community in Year 7, 2018. We are blessed that so many families wish to become a part of the community and we now face the difficult process of decision making. I would ask you to please keep the process in your prayers and if any prospective family asks you, please feel free to advocate on their behalf. I absolutely value that advocacy of our families in this process.

JUSTICE AND MISSION EXPO
During the week, we welcomed students from various local Colleges as well as organisations focussed on social justice and mission. Our boys heard of the work done against human trafficking as well as organisations such as Rosies, St Vincent de Paul and National Evangelisation Teams. I thank Mrs Sam Ryan for her work in coordination and look forward to many new initiatives in this very important area.

VANDALISM AT THE COLLEGE
Some of your sons may have reported that the College has faced a bout of internal graffiti and vandalism by a small number of our students. It was in fact students of the College who have raised the concern that the behaviour of some of their fellow classmates had descended to that level. We are making a determined effort to correct this behaviour, however as it is occurring in the toilets of the school, our ability to police the area is next to impossible. We have so far located a group of students reported for vandalism and the consequences are significant. Of course, none of this makes any sense to the vast majority of students who love their school, however, we do have a small number of students who appear not to want to remain as a part of the College. It is our duty and obligation to challenge and correct this behaviour before it escalates further. Anyone with any knowledge or feedback is invited to contact Mr Mark Harvey at the College where your communication will be confidential. We are determined to correct this behaviour.

Thank you for your flowers.
YEARS 6 CAMPS
There have been many wonderful reports about the student engagement and fun at the Year 6 Camps at Peregian. Under the guidance of Mr Brayden Teece, Fr Lewy Keelty OMI and all participating staff, the boys have had an enjoyable range of activities. Fr Lewy once again was able to lead Masses for both groups and this was greatly appreciated and valued. It is hoped that this camp further cements the positive relationships experienced by the boys. Thanks to everyone involved.

CO-CURRICULAR ACTIVITIES
I am aware that we have a large number of co-curricular activities at the College and right now we are in the midst of an extremely busy period with the following groups all involved in preparation: Aussie Rules, Sailing, Rugby, Debating, Chess, Cricket, Soccer, Art, Rugby League, Volleyball, Touch Football, all music groups and ensembles as well as the College Production, and possibly many others. It is one of the strengths of the College that we are able to offer and participate in such a wide variety of activities and I am incredibly grateful to everyone who helps make these things happen.

IONA UNDER THE STARS
Last weekend, approximately two hundred members of the Iona community celebrated Iona Under the Stars at the College. Beginning with Mass at 6.00pm and lasting until approximately 11.00pm, the gathering was a wonderful success. I thank Mrs Anne Stone and her team for creating and celebrating a wonderful community building activity. It was deeply appreciated by everyone in attendance.

IONA PASSION PLAY
Preparations are almost complete for the 2016 performances of the Iona Passion Play and it is great to see it coming together. I really do encourage you to book your tickets for this unique and moving celebration of the life, death and resurrection of Jesus. There have been many hours of rehearsal and I am very confident that it will assist your spiritual preparation for Easter. Please consider attending and booking by following this link or visit the Iona Passion Play website

NEW FLAGS AT THE COLLEGE
Anyone who has visited the College lately hopefully has noticed the installation of new flags, celebrating the 200th anniversary as well as some Iona flags celebrating our heritage in Lindum. Another flag installation in the quadrangle is of even more significance for it has seen the flying of the Australian, Aboriginal, Torres Straight Islands and OMI flags for the first time together in the College’s history. We have a number of students from Aboriginal and Torres Straight Island heritage and these flags symbolise much about our efforts at recognition and reconciliation.

Take Care and God Bless

RESULTS AND REPORTS
Parents are reminded to log on to the portal to receive all their sons’ results and a comment for each individual piece of assessment. These should appear in the portal within two school weeks of completion of the assessment.

At the start of Term 2, parents will also be able to view interim reports on the portal. These reports will be based on all work completed in Term 1 and will include a grade for achievement to date, behaviour/attitude and homework. When viewing these reports, please remember their purpose is to provide an indication of academic progress to date. There is still a great deal of time before the final semester result and students will progress in their skills and abilities over this time. At this stage it is anticipated that interim reports will be available for viewing from Wednesday, 13 April.

5-12 PARENT-TEACHER INTERVIEWS
Parent teacher interviews will be held over two days early in Term 2 - Wednesday 27 April and Tuesday 3 May. These interviews provide a good opportunity for you to meet your son’s teachers and get more detailed feedback on his strengths, weaknesses and strategies for improvement. Whilst not compulsory, we nonetheless encourage all families to attend interviews as they are a good opportunity for us to work together to get the best academic outcomes for your sons. Information on how to book the interviews online will be communicated early next term.

HOLIDAY ACTIVITIES
As we commence our Easter break, many students will be keen to ignore anything to do with school. Whilst it is important for them to have ‘mental’ downtime over the break, there are significant academic and personal advantages to maintaining a reading program. Studies have found that the number of books read during a holiday break is consistently related to achievement gains due to growth in areas such as vocabulary, reading comprehension, verbal fluency and knowledge acquisition.

Reading is also hugely beneficial in that it promotes positive life choices, morals and well-being, it provides a method of coping with stress and anxiety, and it provides a forum for relaxation and escape.

Unfortunately, research indicates that many boys choose not to read often or in great quantities. On average, only 25% of Year 5 boys engage in out-of-school reading and by the time they are in Year 10, very few engage in reading on a regular basis. Consequently, they read ‘mechanically’, but they don’t have a flair for language. This can have a snowball effect: their literacy levels affect their cognitive functioning, they don’t have a flair for language. This can have a snowball effect: their literacy levels affect their cognitive functioning, they get frustrated in their studies and they struggle to communicate their ideas as effectively as they want.

Given the undeniable benefits of reading, please encourage your sons to engage with books over the holidays.

Easter with its traditions and celebrations also provides a wonderful opportunity for families to spend quality time together, another factor that is extremely important to academic achievement, behaviour and child development. May I take this opportunity to wish all our students a well-earned rest and quality time with families and friends.

Dean of Learning and Teaching
**FAITH AND MISSION**

**THIS SUNDAY IS PALM SUNDAY**
Palm Sunday is a very important celebration in the Church calendar as it commemorates the triumphal entry of Jesus into Jerusalem to celebrate the Passover. The gospels record the arrival of Jesus riding into the city on a donkey, while the crowds on the street waved palm branches and shouted "Hosanna to the Son of David" and "Blessed is he who comes in the name of the Lord" to honour him as their long-awaited Messiah and King. The significance of Jesus riding a donkey and having his way paved with palm branches is a fulfilment of a prophecy by the prophet Zechariah (Zechariah 9:9). In biblical times, the regional custom required kings and nobles arriving in procession to ride on the back of a donkey to show their elevated status. The donkey was a symbol of peace and those who rode them proclaimed peaceful intentions. The palm branches indicated the esteem the people had for the person on the donkey. The biblical Palm Sunday event demonstrated all of these perspectives.

**THE HISTORY OF PALM SUNDAY CEREMONY**

Originating in the Jerusalem Church around the late fourth century, the early Palm Sunday ceremony consisted of processions of people to various holy sites throughout the city while prayers, hymns, and sermons were recited by the clergy. At the final site, the clergy would read from the gospels concerning the entry of Jesus into Jerusalem, where he was greeted gladly as the messiah by the local people. The children at that time would carry palm and olive branches as the people returned through the city back to the church where they would hold evening services. By the fifth century, the Palm Sunday celebration had spread as far as Constantinople and beyond.

**PALM SUNDAY TODAY**

In current times, Palm Sunday traditions are much the same as they have been since the tenth century. The ceremony begins with the blessing of the palms, the procession follows, then Mass is celebrated. Afterwards, people take the palms home. In parishes, the palms blessed in the ceremony are burned so that the ashes can then be used for the following year's Ash Wednesday celebrations.

This Sunday in our parish communities, we hail our messiah and at the same time we brace ourselves for the forthcoming horror of his Passion and then the joy of his Resurrection.

**YEAR 12 MASTERCLASS AT UQ WITH FIONA MCMONAGLE**

On Wednesday 9 March our senior Visual Art students had the opportunity to attend a masterclass with Fiona McMonagle, in association with the National Self-Portrait Prize (NSPP) exhibition at the UQ Art Museum. Curated by Michael Desmond, former Deputy Director of the National Portrait Gallery, Canberra, this invitation-only exhibition is held by the University of Queensland every two years. The winning work is selected by an independent judge of national stature.

Participating students took part in an interactive two-hour masterclass with Melbourne artist, Fiona McMonagle, the winner of the 2015 prize. In response to the curatorial theme of ‘becoming’, Fiona painted one self-portrait every day at 7.00pm for 100 days.

Students learnt about the materials and techniques Fiona uses, experimented with their own sense of self and identity in a making task, and shared their responses in group discussion on the role of self-portraiture in contemporary arts practice.

IONA SINGERS PERFORMANCE
Congratulations to our Iona Singers who performed beautifully at the ‘Iona Under the Stars’ event last weekend. This event was a wonderful evening for catching up with other college families and also enjoying some great live music together. Well done to everyone who assisted with the performances.

INSTRUMENT REPAIR
We ask students and families to bring your instruments into the music department if they require any type of repair big or small. As instruments are very expensive we ask that families do not try and repair any issues at home. This can often cause further problems and an increase in repair costs.

STORAGE OF INSTRUMENTS
Next week is our last week of term and we would like to remind all students to take your instruments home for practice. There are to be no instruments left in storage over the break. We also remind our guitar students that you are not to leave your guitars at the school overnight in storage. There is no facility for storage of long term or second instruments here at the College. Parents please remind your sons.

RECITAL SERIES 1
We are looking forward to our Recital Series 1 Concert incorporating Solos and Small Groups on Wednesday 20 April. Please visit the music department to fill in your application form if you would like to perform. Forms are available now.

ENGLISH DEPARTMENT

YEAR 10 SHAKE AND STIR PERFORMANCES
Year 10 English students attended a performance of either Macbeth or Romeo and Juliet last week to enhance their appreciation of the play studied in class. Shake and Stir brought to life these plays, assisting students’ understanding of these complex texts. While this was just a short extract of the play, it provided an opportunity for students to see the texts as intended – on the stage. Shake and Stir have been visiting the College for a number of years and engage the students very well with modern adaptations of some of Shakespeare’s more famous scenes.

On Wednesday 13 April 2016, Year 10s have the opportunity to attend the ALLIED HEALTH CAREERS FORUM being held at the Princess Alexandra Hospital. The aim of this program is to provide an opportunity for students to learn about careers in the allied health area. Allied health professions are health care professions (but NOT dentistry, optometry, nursing, medicine, and pharmacy). They work in health care teams to make the health care system function by providing a range of diagnostic, technical, therapeutic and direct patient care and support services that are critical to the other health professionals they work with and the patients they serve.

Full details have been emailed to Year 10 students. As numbers are limited to 23 – places will be given to the first 23 COMPLETED Permission Forms (including Photo Consent Form) returned.

INTERESTED IN SECURITY OR POLICING AS A CAREER?
There are a number of employing organisations you can investigate. These include:
• Queensland Police Service
• Australian Federal Police
• Australian Defence Force
• Australian Secret Intelligence Service
• Australian Security Intelligence Organisation
• Australian Department of Immigration and Border Protection
• Queensland Corrective Services
• Queensland Boating and Fisheries Patrol

Once on the websites for these organisations, you need to find out:
• Jobs (job titles) employed by the organisation
• What are the duties undertaken in these jobs?
• Entry requirements – age, education level, tests required, physical/medical requirements, criminal checks, drivers licence, etc.
• Will part of the process be to investigate your social network sites?
• If you get the job, do you have to live away from home?
• Do they recommend you do specific university or TAFE courses?
• Would having a second language be an advantage?
• What is the recruitment process?
• Frequently Asked Questions
• Can you contact the organisation by email from the website for other questions you might have?

WHAT IS SPATIAL SCIENCE?
If you are familiar with Google Earth and know what a GPS is, you already know about Spatial Science. Spatial Science covers the measurement, management, analysis and presentation of spatial or location based information describing the physical features of the Earth (natural and man-made, on land and water). It incorporates several fields of study (e.g. surveying, Geographic Information Systems, satellite imagery, maps and charts) and is used in many industries (e.g. environment and natural resources, transport, construction, mining and exploration, emergency and disaster management).

Visit the Destination Spatial: Be what you want to be website to gain a greater understanding of Spatial Science and how it is used in the real world. The site has profiles of people working in the field, case studies of Australian projects, videos and the courses you can study. Related websites are:
• A life without limits
• SSSI

COMPARE HIGHER EDUCATION COURSES WITH QILT
The Quality Indicators for Learning and Teaching (QILT) website was launched late last year to help students make informed decisions about their future study. Users of the site can search for courses and institutions. They can develop a short list of courses and institutions that interest them and do a comparison. Comparative information on the site includes:
• overall satisfaction of current students
• overall satisfaction of recent graduates
• outcomes of students moving into full-time employment after graduation and
• the median salary received by recent graduates.

TAFE PATHWAYS TO UNIVERSITY STUDY
TAFE provides several pathways that can be used to gain entry to degree courses at university. These include:

Credit Transfer Agreements with Universities
You complete a diploma, advanced diploma or associate degree at TAFE and apply through QTAC for a related degree course at a university with which TAFE has a formal credit transfer agreement. This means you receive credit from your TAFE course towards your degree course.

Upgrading
Successful completion of any diploma, advanced diploma or associate degree at TAFE may improve your tertiary entry score when applying through QTAC for entry to university degree programs. For example, a completed diploma at pass level will receive a QTAC selection rank of 82, which was comparable to OP 9 in 2015.

Dual Awards
You apply through QTAC for a dual TAFE/university qualification. Once you have completed your TAFE qualification you commence your university degree studies without reapplying through QTAC.

Degrees at TAFE
Some TAFE institutes partner with universities to deliver a degree program on the TAFE campus. TAFE Queensland Brisbane at South Bank has been accredited to offer its own degree program – B Dental Prosthetics.

Check out TAFE Queensland degrees and pathways to higher education guide 2016 for a listing of degree programs offered by TAFE Queensland and for a list of pathway options to universities and other higher education providers.

JOIN A LEO CLUB
Leo clubs are sponsored by Lions Clubs International. They encourage young men and women, 12 – 30 years of age, to serve others in their community and around the world. Find out more here.

HOW TO IMPROVE YOUR CONCENTRATION
Concentration is the ability to focus and control your attention. Some people seem to be born with it, the rest of us have to learn how to do it. Anyone can improve his/her ability to concentrate. The following are strategies for you to try:
• Make sure you get plenty of sleep. It is difficult to concentrate when you are tired. Regular exercise and healthy eating are also important.
• Set realistic and specific study goals for yourself (e.g. I will go up one grade in English next exam).
• Develop regular habits of study – same desk, same time, etc.
• Work in a place that is free of distractions (in front of the TV is probably not the best place!). De-cluttering your desk will help too.
• When you sit down to study, make a plan of what you want to achieve that session and cross off items as you complete them.
• If you find yourself distracted by something else (e.g. I feel fat, I should do more exercise), jot down the task, idea or problem to deal with later.
• Begin working immediately – don’t wait for inspiration.
• Attend to one thing at a time.
• When you start to lose focus, get up and take a walk.

SPORTS NEWS: PLAY YOUR ROLE 2016

The Iona College community needs to be aware of the “Think, Act, Play” behaviour guidelines in the final week of AIC summer sport. The Villanova round is the local derby and all matches are keenly contested. Nevertheless:

- Think before we speak.
- Act with respect and humility.
- Play in the spirit of the game.

Iona wants a safe, fair and inclusive environment for everyone.

Last week’s round against St Peters and other Colleges saw another outstanding performance by the 1st XI who still lead their competition and have secured the AIC 1st Cricket Premiership with one round to play.

Our volleyball performance was again strong and our Years 5 and 6 teams continue to develop and enjoy their sport.

Sailing action sees our stronger crews performing well in demanding conditions.
