Dear Families of Iona,

I would like to first and foremost thank everyone for a wonderful first term for 2016, our 200th year for the Oblates. This week marks one year since I arrived back home after 28 years away and I feel genuinely blessed to serve this wonderful community alongside my fellow Oblates. This community here at Iona genuinely cares for both the people inside our school and also those in our wider community. On behalf of Fr Lewy OMI and Fr John David OMI, we thank you all for the ministry and service you provide and we sincerely wish you all a safe happy and holy Easter. Ultimately Easter asks us to believe that Life is bigger than death. We also believe that as a result of Easter, death is only a comma, and not a full-stop.

CO-CURRICULAR CONGRATULATIONS

Iona College is not a sports school, nor is it a music school. Ultimately it is a school community that embraces all of the aspects of a boys’ life and seeks to provide pathways for engagement, fun, competition and service. I wish to congratulate and thank everyone who has represented us in each and every team over the first semester. I am pleased to share with you that the College achieved first place in the aggregate for Volleyball which is a great testament to the depth of the programme. I can also share with you that we achieved a cricket premiership in the firsts and 4th overall in the aggregate. This was an improvement from 6th last year and just falls short of our aim for a top three. I remain very proud of all teams. Our sailing teams achieved 2nd and 5th places at the State Championships after many hours of hard work and dedication. As a College we are very proud of the boys who represent us in all sports and understand the great dedication of all parents in helping make these opportunities possible. Term 2 sees Rugby Union, Chess, Football (Soccer) and Cross Country take centre stage, with opportunities also in Australian Rules Football and Rugby League. Best wishes to everyone representing the College.

I am also mindful and appreciative of the tremendous dedication and skills of our Music students and Staff. I see and hear the many hours of practice and patience displayed by everyone and our College is all the richer because of their generosity. I invite and encourage you to attend as many performances as possible and keep an eye out in newsletters for performance times.

AVIATION NEWS

I recently received word that Nicholas Vardanega in Year 11 qualified and earned his Pilot Certificate with “Recreational Aviation Australia” (RA-Aus). It is a recreational pilot license Nic has been training and studying for since December 2015 with Flight Scope Aviation. This is his first step in his aviation career goal and achieved before he can get his car learner’s permit. Well done Nic, and if any family has news of the achievements of their sons, I am always happy to hear it and share it.

RUGBY SELECTION

Darcy Stevens and Sam Finocchiaro have been selected in the U15 Gold Cup Rugby Union Queensland State Team, and Nathan Marshall has been selected in the U17 Gold Cup Rugby Union Queensland State Team. They will travel to Sydney to play against NSW on 2 April. This is a tremendous achievement and further testament that representation can and does occur from the College. It is a direct response to those who believe that the lure of scholarships is the only way to be noticed. Well done to all people selected and best wishes in defeating NSW.

IONA PASSION PLAY

The Years 5 to 8 students of the College all witnessed the Iona Passion Play during the week. For some of the boys, they finally realised the level of sacrifice offered by Jesus. If you are unable to attend many of the Easter liturgies, I certainly encourage you to attend the Good Friday performance here at the College at 7.30pm. Sure it is up against the Broncos v Cowboys, but I remain hopeful that the resurrection of Jesus has longer impact than a Johnathan Thurston field goal. I suggest recording the footy and supporting the Iona Passion Play if possible.

Iona College seeks to provide a dynamic Catholic learning community within the Oblate spirit, so that its members are faith-filled, resilient, courageous, well-balanced and prepared to make a difference.
JAPAN TRIP
Over the Easter break, students and staff will be visiting Japan for a language and cultural immersion tour. I wish them every blessing and hope that it is a wonderful learning opportunity. If you would like to follow their progress, please follow Twitter @IonaJapanTour as regular daily updates will be posted throughout.

VANDALISM AND GRAFFITI UPDATE
Last week I wrote about an emerging problem among a small number of students regarding graffiti and vandalism in the school. While still a long way from complete, our investigations have so far uncovered six students who have all received a variety of consequences. We have been pleased that it has been the students themselves who have expressed concern about the behaviour of these vandals. We still encourage any boy or family with information to make contact to help correct this less than satisfactory behaviour.

EASTER GREETINGS
Over the next few days, we all have the opportunity to celebrate the great mysteries of Easter. The life, death and resurrection of Jesus are the source of the celebrations at Easter, even if they have to compete with the Easter Bunny and eggs. I have included a small reflection on the meaning of Easter as an attachment to the newsletter and I hope that it is of some assistance. On behalf of the entire oblate community of Fr Lewy, Fr John David and myself, we wish you all a safe, happy and holy Easter.

Take Care and God Bless

RECTOR

FAITH AND MISSION

HOLY WEEK
The following is adapted from a reflection by Fr Richard Leonard SJ.

Last Sunday (Palm Sunday) the scriptures showed us the price of true freedom is affirming our faith in Jesus Christ. And how do we do that? How do we face all the scenarios in our lives and be Christ-like? That is a challenge!

On Holy Thursday this week we commemorate Jesus’ complete authenticity and generosity in The Washing of the Feet. His self-giving should compel our sense of mission.

In the Passion this week we see that Jesus did five significant things:
- He spoke the truth to Pilate;
- He empathised with the women of Jerusalem;
- He forgave those who condemned him;
- He had compassion and mercy for the other criminal being crucified.
- He reaffirmed his relationship with the Father.

If Holy Week means anything, it means we should end this week with a reaffirmed appreciation of the mercy of God and have a renewed sense of personal compassion towards others.

No more and no less is asked of us if we are to follow ‘the King of Love on Calvary.’

Best wishes for this challenge.

Dean of Faith and Mission

BOOK LAUNCH FOR OLD BOY AUTHOR

On Thursday 14 April we are honoured to support Old Boy and author, Jacob Harris at the launch of his first book, ‘Kingsblood’. The novel seems well-suited to teenage readers and an outline of the book is included below.

‘Kingsblood’ is a young adult fantasy about five teenagers living in the world of Parthas. These friends have come of age and now must take more responsibility in Parthas. However, their world has become a dangerous one to live in. In an attempt to keep the peace, the boys are sent on a mission which turns out to be more perilous than anyone could imagine.

We wish Jacob well for the launch and invite parents and students who may be interested in attending to please contact me prior to the day.

The book launch will take place in the St Eugene de Mazenod Resource Centre between 6pm and 7pm and copies of the book can be purchased on the night.

THANK YOU AND HAPPY EASTER

Many thanks to our numerous parents who have been involved in sporting, cultural and social events during Term 1. It has been a hectic but enjoyable term.

I wish all Iona families and friends a restful Easter holiday and look forward to being in contact with many families again in Term 2

YEAR 9 “MECHANICAL MUTATIONS” ARTWORK ON DISPLAY AT WATERLOO BAY LEISURE CENTRE

This term our students have been working on a “Mechanical Mutations” unit based on the work of Mambo designers and Chris O’Dougherty (aka Reg Mombassa). They have created some vibrant, large scale, watercolour and charcoal drawings.

Recently we were invited to exhibit some of these artworks in the Waterloo Bay Leisure Centre’s Craft Market held on Saturday 12 March. Congratulations to the boys whose work was selected.

The market brought together local artists from the Centre and our students had the opportunity to have their work displayed amongst the diverse range of arts and handicrafts that were on display and for sale on the day.

BUSINESS OR COMMERCE DEGREE – WHAT'S THE DIFFERENCE?

Institutions can differ in what they call their business related degrees. For example, the Queensland University of Technology includes all of its business specialisations/majors in its B Business. Griffith University and the University of Queensland offer both a business degree and a commerce degree with different specialisations/majors in each degree. When researching business/commerce degrees, it is important to identify the specialisations or majors offered as this may influence the types of jobs you can apply for immediately after you graduate.

According to Chartered Accountants of Australia and New Zealand (CA) ‘business’ focuses on how individual organisations operate, while ‘commerce’ focuses more on the wider commercial and economic environment. You can explore this topic further on the CA website.

SPORTS NEWS: PLAY YOUR ROLE 2016

As simple as it sounds, but “Play Your Role” works. Our summer sport results were strong because all involved generally played a positive role in the delivery of a dedicated, meaningful and respectful program. We fielded 22 volleyball and 36 cricket teams plus team racing and fleet racing in sailing. It connects our community, it is healthy and it is enjoyable. The underlying “Think, Act, Play” concept also provided a safe, fair environment for everyone. If situations arose to the contrary, behaviours were addressed. Furthermore, “Watch Your Mate’s Back” melanoma awareness was launched by our swim team, seeing increased sunscreen use during physical activity. With the “March for Melanoma” currently on across our nation, the prevent—detect—act fight will be a permanent fixture in our sports programs.

All players deserve congratulations on a successful summer as do coaches and managers. The Sport Supporters, led by the Dayton family, were again generous and funds raised will go to the provision of magnificent shade structures. The ground staff also prepared our fields despite adverse conditions. Karen Otway, our sports administrator, did a terrific job in behind the scenes organisation vital to our Saturday performance.

Winter sport began this week. It will be physically demanding - just Play Your Role!
