No. 33

Dear Iona Families,

CONTINUED ACADEMIC APPLICATION

With only a few short weeks left in the 2016 academic year, I would like to once again encourage all families to help support the boys to remain focussed on their studies. The College Portal, with "real time" updates on progress is an attempt to keep families as informed as possible on progress. It can be tempting to coast towards the end of the year and it would be my hope that there is a re-commitment to studies at this time of the year. I commend everyone who continues the application to their studies and I do realise that for some, this is a real challenge.

PRIMARY AND SENIOR AIC ATHLETICS CHAMPIONSHIPS

After months of dedicated training and commitment, our AIC Primary and Senior athletes competed in the Track and Field Championships at QSAC during the week. I am very pleased to be able to let you know that they received full and loud support from the Years 10-12 who chanted and cheered all day and represented all the students of the school.

It was clear to see that every athlete and coach made a sustained attempt to compete at their best and I think that each and every one of them can be justifiably proud of their efforts. I was incredibly pleased to see the determination and strength of spirit on display from everyone concerned.

At the end of the Championships, as Fr Lewy, Fr John David and I were leaving the track, we noticed a group of younger Iona students returning from the warm up track. When asked what they were doing, one of them replied "preparing for next year!!!"

We offer congratulations to every athlete from each of the AIC schools who competed and to every coach who helped prepare them. The results on the day ended with our Years 5 and 6 team being named Champions and our Years 7-12 team being named runners-up to Marist College Ashgrove, who were deserving Champions.

This result means that we have met our own community goal of a top three position in each of the AIC Carnival Sports with 1st Place in Senior Cross Country, Primary Cross Country, Primary Swimming and Primary Athletics, 2nd Place in Senior Athletics and 3rd Place in Senior Swimming.

These results are less about ladder positions and more about the dedication and sportsmanship required to achieve them. I would like to particularly thank the parents and carers of our boys who help facilitate the training sessions and encourage their sons and his team mates so willingly.

LAUNCH OF NEW COLLEGE WEBSITE

For many months, the College has been working with website designer Soak, to deliver a clean, fresh and stream-lined website which attempts to capture the core values and information of our College. I would like to invite you to re-discover the website at www.iona.qld.edu.au and take time to explore. Our previous website served us well for approximately five years and I thank everyone involved in bringing this re-developed site to life.

LAUNCH OF COLLEGE UNIFORM LOOKBOOK

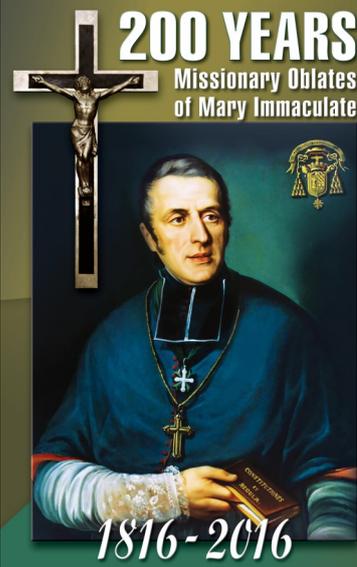

We also launched this week a College [Uniform Lookbook](#) which will hopefully provide greater clarity of school and sports uniform expectations. Our Uniform Shop, under the guidance of Mrs Madonna Codd, continues to provide great service and products to our school community. The [Uniform Lookbook](#) can be found on the new College website and is also available in hard copy.

EMBROIDERY ON COLLEGE HATS

In order to help alleviate the added expense for families of having to replace a lost or missing hat, the Uniform Shop will now provide a hat embroidery service on new or near-new I-Caps and College broad-brimmed hats. This service will consist of the embroidery of three initials of a student's name (Christian, middle and surname) on the back of the hat and will cost \$7.00 per hat. It is hoped that this embroidery will help to identify hats and assist with their return to the correct student. Please see the Uniform Shop advertisement within this newsletter for further information.

FROM THE RECTOR cont...

INTRODUCING LOTA 4179

The original inhabitants of Lota were the semi-nomadic Mipirimm people of Quandamooka. For thousands of years, the Quandamooka people have cared for and lived in this region, with its abundant food supply, areas of significance and wonderful beauty. The Quandamooka people continue to maintain this connection and new leaders continue to emerge, including some of our own Iona students.

Lota, as a bayside suburb, is 16km from the Brisbane CBD and had the origins of its development in 1862 by Irish settler William Duckett White. The suburb is named after White's house 'Lota House' located at 162 Oceania Terrace and is heritage listed. Whites Road is also named after William Duckett White.

The south-east of the suburb is dominated by mudflats and mangrove wetlands of Lota Creek and Moreton Bay. To the west, the land rises towards the heights of Manly and Manly West.

Lota is home to several key local amenities, including the Wynnum Hospital, Bayside PCYC, Bayside United Soccer Club, Lota State School and Melaleuca Environmental Park. The Lota Foreshore Park (Lota Camping Reserve) is a large bay-front park that stretches along the eastern edge of the suburb, with playgrounds, barbecuing facilities, boat ramps and a sculpture park. A boardwalk crosses Lota Creek from Whites Road to Chelsea Road in Ransome and is well worth a visit.

Lota railway station was part of the 1889 Cleveland line extension. In 1960 however, Lota became the end station of this line, until the reopening in 1987 of the full Cleveland Line.

I found the following quote from a current resident of Lota and thought it summed up best, this wonderful location.

"Just like being on holiday... everyday"

Tucked away in a very quiet peaceful place, is a lovely little suburb called Lota. Although it is only right next to Manly, it is at the end of the esplanade where unless you are scenic driving or visiting an admired friend or relative, you would not ever need to travel the quaint tree lined streets.

Lots of new built homes but still many beautifully restored homes and replica homes. A resident for many many years, I love the sense of community feel, walking to the many local parks or along the waterfront, knowing how lucky we are to everyday feel like being on holiday. Escape the hustle and bustle with only a hop skip and jump to all busy society needs (state schools, Catholic and Independent schools, fine dining, casual dining, 30 minutes to Brisbane CBD, by train or motor vehicle). The list just goes on... sorry I can't chat all night, I want to sit on my deck and smell the bay air while I enjoy a lovely barbeque with my wonderful and very very lucky family.

Locals though are aware of the presence of mozzies and midgies who also find a home in Lota and need to be navigated carefully.

Lota has been a part of the Iona story since our very first days with the train line providing crucial access to the families. We continue to celebrate its unique and varied culture and genuinely appreciate the contribution of Lotaites to our Iona family.

Take Care and God Bless

OLD BOY TOM OLIVER TO PERFORM ONE MAN CABARET More Than A Boy - November 24-27, 2016

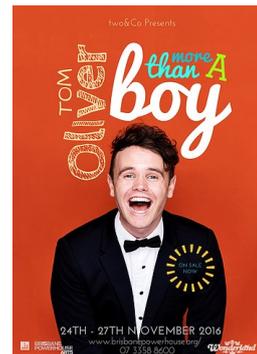

Presented by two&Co in partnership with Brisbane Powerhouse

Best wishes to Old Boy, Tom Oliver (Class of 2010), who will be starring in his debut one man cabaret, More Than A Boy, at the Brisbane Powerhouse from 24 to 27 November.

Starring Tom Oliver, More Than a Boy is a playful rite-of-passage about family and adventure, do-or-die situations and seemingly random events that build character and shape destiny.

Featuring an eclectic mix of original songs written by Tom, Andrew McNaughton and Wes Carr (Australian Idol winner), theatre tunes and reworked contemporary hits, More Than a Boy magically weaves together the stories of a Croatian refugee forging a new life and a grandson who follows his dreams. Backed by a live band, get the adrenalin pumping and experience Tom Oliver shoot for the stars in this lively quest journey.

FAITH AND MISSION

IONA COLLEGE FAITH AND MISSION COMMITTEE

Iona College faith and mission development and expression are integral to the identity and activity of the college and there are many opportunities for these in the formal and informal experiences of school life.

The Mission Committee was established at the College Board meeting of February 25, 2008 and it is a Permanent Standing Committee of the College Board. The terms of reference are determined by the Board, and may be varied by the Board, from time to time.

The function of the Mission Committee is to exercise oversight, insight and foresight in relation to the College's implementation of the mission of the Congregation of the Missionary Oblates of Mary Immaculate and the educational philosophy of Iona College.

Members include: the Chair; the Rector (ex officio); the Dean of Faith and Mission (ex officio); other Director/s as the board deems fit; and staff representatives or other suitably qualified persons as the board deems fit.

A wide variety of issues and items are discussed, initiated, explored, planned and reviewed at mission committee meetings.

The Mission Committee reports to the College Board meeting following each of its meetings.

The faith and mission dimension of Iona College is not an optional extra. It is central to the identity and expression of the core Oblate philosophy of the College.

Mr Wayne Wilden
Dean of Faith and Mission

COMMERCE DEPARTMENT

ECONOMICS NEWS

This week, the Year 12 Economics students were visited by Mr Craig Lawrence, an experienced Economics Consultant. Craig facilitated a round table discussion regarding a range of issues, ranging from projects he had worked on to various career paths available to those who study economics.

Particularly, discussions around transportation infrastructure, the over exposure to oil prices amongst certain middle eastern states and the political nature of economic decisions at both local and federal levels provided context and clarity for many of the topics covered in class over the last two years. As such, I would like to thank Craig for spending his time with the students, his insights and experience have provided some sage advice as many of them consider careers in Economics and Business.

IONA COLLEGE SPORTS INFORMATION

PLAY YOUR ROLE 2016

The spring season of AIC basketball and tennis came to a conclusion last weekend. Many thanks to Mrs Otway (Basketball Coordinator), Mrs Jackson (Basketball Referee Coordinator), Mrs Adamson / Mrs Adey / Mr Bush (Tennis Coordinators) and Ian Malpass (Tennis Coach). All coaches and managers also deserve thanks for assisting with our large sports program.

In other sports last week, our water polo teams won three from three games against Villanova, while both the 16 years and 17 years volleyball teams lost to Churchie.

The Sports Supporters, led by Julie and Chris Dayton, again provided excellent catering throughout the spring season. Their efforts as well as the assistance of generous parents were most appreciated. Monies raised will assist capital purchases for the College sports program.

Full results of basketball / tennis / track and field will appear in next week's newsletter. Water polo and sailing are still in the midst of their competitive seasons. Everyone is still "playing their role!"
