Dear Iona Community,

**OBLATE MISSION AND ACTION DAY**

Last Friday, students, staff and families gathered with a real sense of purpose to support the Oblate missions around the world. In the Oblate spirit, the community displayed its commitment to supporting the poor and marginalised and I truly thank all those involved for their generosity and charity.

I hope next week to be able to confirm the final amount of money raised, but with Friday’s incredible donations, it is hoped we can surpass last year’s amazing total of $85,000.

I wish to sincerely thank those families who have supported OMAD. In particular, I wish to thank Mrs Samantha Ryan and Mrs Rebecca Adamson who together gathered donations, organised events and most importantly inspired the students and staff to be involved and give generously.

**YEAR 12 – QCS TEST**

Congratulations to our senior students who on Tuesday and Wednesday this week completed their QCS testing. It is pleasing to hear that the students approached the tests with serious intent and that the organisation ran smoothly. I thank Mrs Deanne Johnston and Mrs Rebecca Adamson for supporting the students with their preparation and supervision of the tests. I also wish to thank the Year 11 students who helped man the BBQ and prepare breakfast on both mornings.

**LADS’ AND DADS’ BREAKFAST**

A capacity audience is expected this Friday for our Fathers’ Day, Lads’ and Dads’ celebration in Oblate Hall. Our guest speakers are current parents and former Wallabies Mr Tom Lawton and Mr Dan Crowley and I thank them for sharing with us not only some of the highlights of their sporting careers but also their reflections on fatherhood and the positive influence their parents have had on their lives.

Last year there were some concerns about seating and it would be greatly appreciated if all attendees on arrival select seats where plates remain, indicating vacancies at that table. If a plate is missing it means the seat is taken by a person lining up for breakfast.

The day commenced with a short liturgy which directed our focus towards those less fortunate. After the spirited ‘Mazenod Mile’ run, students took to varying activities around the school before we gathered in Oblate Hall to be entertained by the staff band and watch precious amounts of hair be clipped for a wonderful cause.

Congratulations to the Parents and Friends Committee for once again hosting this event.

**STRINGS AND GUITARS RECITAL**

Congratulations to Ms Hannah McConaghy, Mr Brian L’Huillier, Mr Gary Green and the instrumental music team for producing another wonderful recital last Sunday afternoon in the IPAC foyer. The afternoon showcased both the experienced and younger musicians in the areas of strings and guitars, reinforcing the depth and breadth of our instrumental music programs at the College.

**IONA OLD BOYS RACE DAY**

Tickets for this popular social event have just opened and are on sale through Trybooking. Costs and further information can be found in the flyer attached to this newsletter.

**FAREWELL JUDITH ILES**

After thirteen and a half years of service in the Resource Centre as library technician, we say goodbye to Judith Iles who has accepted a position as Senior Information Research Officer at TAFE, South Brisbane. I congratulate Judith on this appointment and thank her for her dedication and commitment to Iona for many years.

**HAPPY FATHERS’ DAY**

Finally, I take this opportunity to wish all the fathers in our community a very happy and relaxing day on Sunday.

God bless,

Mr Damian Courtney
Acting Principal

Iona College seeks to provide a dynamic Catholic learning community within the Oblate spirit, so that its members are faith-filled, resilient, courageous, well-balanced and prepared to make a difference.
This week our Year 12s sat the Queensland Core Skills (QCS) Test on Tuesday and Wednesday. The boys were very well prepared and they approached the days with quiet confidence. They have worked hard to prepare for these tests so we are hopeful their efforts will reap rewards when OPs are allocated. I would like to thank Mrs Rebecca Adamson (Head of English) who stepped in to run the testing due to my illness.

I’d also like to thank Mr Richard Cornish (Head of Pedagogy) and the Year 11 students who gave up their mornings to prepare for the Year 12s a breakfast of bacon and egg burgers, yoghurt, fresh fruit and juice.

Now that QCS is over, next term during the QCS lessons, all Year 12s will participate in a program designed to prepare them for a range of future experiences. These include information sessions on career pathways as well as presentations from groups such as Rosie’s, the Queensland Police Service, Red Frogs, various universities and the Iona Old Boys Association. I’d like to thank Ms Helen Murdoch, Head of Careers, for organizing this schedule of talks.

A reminder that exam block commences for Year 12 on Wednesday 7 September and for Year 11 on Thursday 8 September. Whilst students are only required to attend school to complete exams and assessment items, any student who comes onto the campus is expected to wear full and correct school uniform, even if their attendance is brief. The parent of any student who misses an examination needs to organise a medical certificate and then contact me to discuss alternative arrangements. Please remember that the College is under no obligation to reschedule exams for any reason other than illness.

CONGRATULATIONS
We were pleased this week to receive word that Bede Nolan, Callum Ward and Jordan Corser have all been successful in their applications to be part of the 2016-2017 UQ Young Scholars Program. The program, which includes a 4-night residential camp at University of Queensland’s St Lucia campus, allows students to gain insights into university life and fields of study they may not have encountered during their studies at school. While there, they will engage in a range of social, sporting and cultural activities, hear from leading thinkers and engage in discussions and collaborative forums. Entry to this program is very competitive so we congratulate all three young men on their selection.

Dean of Learning and Teaching

FAITH AND MISSION

SPRING HAS BEGUN
Pope Francis published the following prayer in his encyclical Laudato Si’ (Care for our Common Home). It is meant to be shared and prayed by all who believe in God our creator.

A Prayer for our Earth by Pope Francis

All-powerful God,
You are present in the whole universe and in the smallest of your creatures. You embrace with your tenderness all that exists. Pour out upon us the power of your love, that we may protect life and beauty. Fill us with peace, that we may live as brothers and sisters, harming no one. O God of the poor, help us to rescue the abandoned and forgotten of this earth, so precious in your eyes. Bring healing to our lives, that we may protect the world and not prey on it, that we may sow beauty, not pollution and destruction. Touch the hearts of those who look only for gain at the expense of the poor and the earth. Teach us to discover the worth of each thing, to be filled with awe and contemplation, and to recognise that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day. Teach us to discover the worth of each thing, to be filled with awe and contemplation, and to recognise that we are profoundly united with every creature as we journey towards your infinite light. We thank you for being with us each day.

Amen.

Dean of Faith and Mission

GUITAR PROGRAM
We have a small amount of available spots in our Year 7 to 12 guitar program. If you are interested in joining the program and learning the acoustic guitar, please visit the Music Office under IPAC and collect an enrolment form. As the College does not provide a hire service for guitars, you would require your own instrument. We expect to fill these spots within the next week.

OVERSEAS 2017 MUSIC TOUR INFORMATION EVENING
We look forward to meeting with parents this evening in relation to our proposed overseas 2017 Music Tour. We have emailed home to selected families first round invites in relation to this meeting which will be held tonight in the Lecture Theatre from 6.00pm. Once we receive our initial expressions of interest, we may then extend a further round of invitations to other students. When considering these invites, our number one requirement is for a balanced ensemble to tour with us.

IMPORTANT TO KNOW
Please remember that instrumental music lessons are available to all current students at the College, new or old. Please visit our Music Department Office under IPAC to discuss your requirements and collect an enrolment form.

If you need to re-schedule your lesson due to exams or assessment, please contact your teacher as soon as possible to do so. This will allow the teacher to use your lesson time for another student instead of waiting for you to arrive.

Parents, if for whatever reason your son needs to withdraw from lessons, you will need to email me the details so that your son can be removed from our billing and timetabling process please.

A reminder that our next Music Supporters Group meeting will be on Monday 12 September from 7.00pm in the Music Department under IPAC.

Mr Peter Francis
Director of Music

Congratulations to our strings and guitars students who performed at our Music Concert 4 last Sunday afternoon. Our ‘Afternoon of Strings and Guitars’ is always a very enjoyable concert and this year’s attendance was our largest to date. Our foyers was full with three hundred supporters who shared the strings experience along with cheese platters and refreshments courtesy of our Music Supporters Group. Thank you to Miss Hannah McConaghy, Mr Brian L’Huillier and Mr Gary Green our conductors, Mrs Karen Corkeron, our compere, our Music and IPAC staff and MSG supporters who all assisted at this event.

Good luck to our Iona Singers who have been invited to perform this Friday at the Lads’ and Dads’ Breakfast. A big thank you also to our very talented Ms Madonna Forster, the conductor of Iona Singers who makes a huge effort to ensure that these young men perform to the best of their ability. We often receive wonderful comments in relation to many of our college performances, and their commitment and professionalism is appreciated by many.

PRESENTATION NIGHT

JAPANESE DINNER WITH LOURDES HILL COLLEGE

Last Friday evening twenty-four of our Years 10, 11 and 12 Japanese studying students ventured into Fortitude Valley for a social evening with Japanese studying students from Lourdes Hill College.

We met at Wagaya Restaurant and all fifty students were bundled into the large Karaoke room, which later would become the venue for many of our boys to unleash their vocal talents throughout the evening.

The students split into groups for some Japanese related trivia before tucking into some delicious, authentic Japanese meals ranging from Yakisoba, Katsu Curry and Black Sesame Ice Cream.

The highlight of the evening was the karaoke and the boys are to be congratulated for embracing what many find to be an embarrassing or awkward task – singing in front of others.

The boys were impressed with the Lourdes Hill girls singing a number in Japanese, so the challenge has been set and we look forward to continuing this fantastic opportunity for our language students again next year.

Many thanks to the staff and students of Lourdes Hill College for organising the event and thanks to the boys for the positive way in which you approached the evening.

**2016 FIJI MISSION TOUR CALL FOR DONATIONS**
Fiji Mission Tour – Call for donations of used football boots, colouring pencils or felt pens and picture books suitable for young students.

During the second week of the September school holidays, ten intrepid Year 11 students and two staff members will be embarking on the 2016 Fiji Mission Tour. The participants will be learning a great deal about a culture different from their own. They will meet people whose daily lives are very unlike their own – different priorities, different living standards, different challenges and different joys.

Many experiences will be new and hopefully the things which are common between all people become obvious also.

Feedback from last year’s mission tour tells us that along the way, opportunities to share small gifts with Fijian students were very welcome and worthwhile. Some of the students mentioned that the giving of second hand football boots, something which many of us have hiding around the house were a treasured gift for the local children, who as you know, live in a rugby loving country. Another observation was that the schools which were visited were lacking in simple resources we take for granted. We are therefore inviting families to donate any used and unwanted football boots which are still usable. Please donate those boots by delivering them to Mr Vickers classroom (Sherman 8) or Student Reception. Just throw them into the washing machine first! Another simple way you can contribute would be to donate a set of coloured pencils, felt pens or picture books suitable for young children. Please feel free to attach a message of greeting from your family and we will make sure your gift is personally delivered to some grateful students in Fiji.

Thank you very much.
