Dear Iona Community,

END OF TERM 3 TESTING

With our Years 12 and 11 students commencing exam block this week, there is certainly a stronger focus on study routines, planning and organisation across all year levels leading into the term holidays next Friday. I urge parents to remain vigilant in encouraging your sons to be well-prepared for the up-coming tests, to assist with a balanced and understanding approach to their work load and to discuss with them their commitment to ‘good study habits’. I wish all the students the very best during the testing and assignment work ahead.

OBLATE MISSION ACTION DAY

Last weekend our Catholic Church celebrated the wonderful canonisation of Mother Teresa of Calcutta. Saint Teresa, in one of her many quotes said, “Faith in action is love and love in action is service.” At our College assembly on Wednesday, I thanked again the students and staff for their generosity and service to the Oblate missions. We wish to finalise the amount raised at OMAD by early next week and ask for outstanding envelopes and donations to be returned by this Friday.

STAFFING

Doctor Brian Sullivan leaves the College at the end of this term for a 15-month position working as Manager of the Domestic Violence Program for Youth and Family Services at Logan. This is a specialist area of work that Dr Sullivan is passionate about and we wish him every blessing as he enters this new venture very shortly. I congratulate Mr Richard Beets who takes over the ‘reins’ as head of Gerard House next term.

Our best wishes are also bestowed upon staff members Mrs Helen Tani, who leaves on maternity leave at the end of term, Mr Mark Dimento who leaves for long service leave and Mr Tibor Hagymas and Ms Cherice Cleasby who also complete work at Iona. I sincerely thank Mr Hagymas and Ms Cleasby for their valued contribution to the school. In particular, I wish to thank Mr Hagymas who leaves the College after almost 20 years of service. I congratulate Mr Kevin O’Brien who becomes acting Head of Charlebois House next term.

LADS’ AND DADS’ BREAKFAST

My thanks to all who attended the Fathers’ Day Lads’ and Dads’ celebration in Oblate Hall last Friday. I hope that, in some special way, fathers and sons were able to celebrate and share a ‘different’ school morning. I can’t remember seeing so many dads carrying their son’s bags up the Iona hill at 6.15am before! Again, special thanks to our guest speakers, former Wallabies Tom Lawton and Dan Crowley who, along with Mr Harron, offered an entertaining and informative presentation. Congratulations to the P and F committee for organising the breakfast and morning activities.

PARENTS AND FRIENDS

At the monthly meeting held on Monday evening, the Parents and Friends association kindly offered to support the purchase of some digital signage which will be used around the College for special events. The work and generosity of the P and F is very much appreciated. It has been great to see an increasing number of parents involved this year and there is an open invitation to any parent to be involved. The next meeting will be held on Monday 7 November and this will include the AGM.

RE-ENROLMENT FORMS

A reminder to all families that re-enrolment forms are due back to the College by the end of this week and your support in completing and returning these forms promptly greatly assists our administration staff and our planning for 2017.

YEAR 10 WILDERNESS CAMP

I wish the students and staff attending the Year 10 Wilderness camp next week a safe and enjoyable trip. While the camp can offer challenges to some students, it certainly provides opportunities for students to show leadership, independence, patience, understanding, resilience and is a wonderful time for school and team bonding.

It’s been a few years since my son participated in the camp but he thoroughly enjoyed the experience. My advice for parents collecting their sons on their return next Friday afternoon is to have food in abundance, have the hot shower ready and a soft pillow awaiting.

God bless,

Mr Damian Courtney
Acting Principal
ST TERESA OF KOLKATA
St Teresa of Kolkata (formerly Mother Teresa) is the Church’s newest saint, with Pope Francis canonising her in Rome last Sunday (September 4).

In her lifetime she earned the love and admiration of people of all faiths around the world for her selfless work among the poorest of the poor. The international community honoured her with a Nobel Peace Prize in 1979, and sadly the world mourned her death on September 5, 1997.

Gonxha (Agnes) Bojaxhiu was born on August 26, 1910, to Albanian parents in what is now Skopje, Macedonia. At the age of eighteen she entered the Loreto Sisters in Dublin, Ireland. She was sent to the novitiate in Darjeeling, India and chose the religious name Teresa.

In India, she taught history and geography to the daughters of the wealthy at a girls’ high school in Kolkata, but the large number of people around her suffering in poverty soon captured her true sense of mission. In 1946, she experienced a definite call to help the poor while living among them. She was called to give up her life with the Loreto Sisters and instead to follow Christ into the slums to serve him among “the poorest of the poor”.

After receiving formal permission to leave the Loreto Convent, establish a new religious community and undertake her new work, she took a nursing course for several months. She returned to Kolkata where she lived in the slums and opened a school for poor children. She became closer to the poor and sick and she became well aware of their needs by living among them. Many others soon joined her in her work and, in 1950, she founded her religious order called the Missionaries of Charity. Her missionaries now work in all parts of the world. Pope John Paul II beatified Mother Teresa on October 19, 2003 and she was canonised in 2016. Her feast day is September 5.

“The most terrible poverty is loneliness and the feeling of being unloved.” Mother Teresa

The Life of Mother Teresa
1910 Born August 26
1928 Makes first vows with Loreto Sisters in Dublin
1934 Named principal of girls school in Kolkata
1946 Receives inner call to serve the poor
1950 Establishes the Missionaries of Charity
1952 Opens home for the dying and destitute in Kolkata
1965 Receives pontifical approval for her order
1971 Receives first Pope John XXIII Peace Prize
1979 Receives Nobel Peace Prize
1990 Resigns as head of order, but re-elected by unanimous vote
1997 Turns over leadership of order to Sister Nirmala
2003 Beatified by Pope John Paul II
2016 Canonised as St Teresa of Kolkata

“Not all of us can do great things. But we can do small things with great love.” Mother Teresa

St Teresa of Kolkata (Calcutta) pursued her commitment to Christ and the poorest of the poor. Her faith and good works are an inspiration to all. She was a symbol of compassion to the world and a living witness to the mercy and love of God. Her contribution to the lives of the poor, her memory, her good works and her religious congregation live on. The Catholic Church and the world in general has been enhanced by her earthly life. In her remarkable humility she would not feel fully comfortable with the honour, but she is now a Saint of God.

Dean of Faith and Mission

COMMERCE DEPARTMENT

UQ QETA ECONOMICS COMPETITION
Earlier this term our senior Economics students competed in the annual University of Queensland QETA Economics Competition. This saw our students answering a range of questions regarding international economics, macro-economic policy and current economic conditions. Whilst the most of the students achieved at a high standard, I’d like to congratulate Caleb Godeby for achieving a high distinction, which places him as one of the top students in the state. Hopefully these results will serve as a good motivator as our budding economists complete their senior assessment in the months to come.

RESOURCES CENTRE NEWS

YEAR 5 BOOK CHARACTER PARADE
There were some interesting characters and creatures in IPAC this morning as the Grade 5 boys celebrated Book Week with a Book Character Parade. The Book Character Parade is a culmination of this term’s work in the Resource Centre celebrating books and reading. The theme for Book Week this year was Australia: Story Country and it was great to see some classic and modern Aussie characters on display. Well done to all the boys - and their families – for your fantastic efforts.

**2017 MUSIC TOUR**

The overseas 2017 Music Tour information evening was held last week. For those families invited to participate in this evening, please check your emails as the information presented on the evening has been emailed home for your attention. We are asking for expression of interest forms to be returned by Friday 16 September to assist with forward planning.

**NON ATTENDANCE AT LESSONS**

We have started emailing absentee letters home to our families when boys do not attend two consecutive lessons or ensemble rehearsals. We are often considering new ways to keep our families up to date on what’s happening here in the department. We appreciate that our students are busy but know our families are appreciating this new system and we thank you for your positive feedback.

**OMAD 2016—OBLATE MISSION ACTION**

A huge thank you to all of the wonderful parents who volunteered their time to help on OMAD, and to the families and businesses listed below who donated prizes and goods for the day. Events like this would not be possible without the assistance of our families and community and your time and efforts are greatly appreciated! Thank you also to everyone who has supported the many fundraising opportunities with your various purchases, before, on and even after the day.

**REMININDERS**

- Call for donations of used football boots, colouring pencils or felt pens and picture books suitable for young children.
- Another simple way you can contribute would be to donate a set of coloured pencils, felt pens or picture books for young children. Please feel free to attach a message of greeting from your family and we will make sure your gift is personally delivered to some grateful students in Fiji.
- Thank you very much.

**2016 FIJI MISSION TOUR**

**CALL FOR DONATIONS**

Fiji Mission Tour – Call for donations of used football boots, colouring pencils or felt pens and picture books suitable for young students.

During the second week of the September school holidays, ten intrepid Year 11 students and two staff members will be embarking on the 2016 Fiji Mission Tour. The participants will be learning a great deal about a culture different from their own. They will meet people whose daily lives are very unlike their own – different priorities, different living standards, different challenges and different joys.

Many experiences will be new and hopefully the things which are common between all people become obvious also.

Feedback from last year’s mission tour tells us that along the way, opportunities to share small gifts with Fijian students were very welcome and worthwhile. Some of the students mentioned that the giving of second hand football boots, something which many of us have hiding around the house were a treasured gift for the local children, who as you know, live in a rugby loving country. Another observation was that the schools which were visited were lacking in simple resources we take for granted. We are therefore inviting families to donate any used and unwanted football boots which are still usable. Please donate those boots by delivering them to Mr Vickers classroom (Sherman 8) or Student Reception. Just throw them into the washing machine first!

Another simple way you can contribute would be to donate a set of coloured pencils, felt pens or picture books suitable for young children. Please feel free to attach a message of greeting from your family and we will make sure your gift is personally delivered to some grateful students in Fiji.

Thank you very much.

Latest News from the University of Southern Queensland (USQ)

Study options evening – This evening will be held from 5pm – 7pm on Wednesday 21 September, 2016 at the Springfield campus. This is an opportunity to find out about USQ courses, talk to current students and check out the campus. RSVP here.

Not sure what you want to study at university? – USQ’s B General Studies gives students the opportunity to study a broad range of areas before deciding on a specific area. Find out about this course here.

Expanded engineering offerings at USQ Springfield – Mechatronic, Mechanical and Electrical and Electronic majors will be added to the Springfield campus engineering courses for study in 2017. At USQ, these programs are designed so that students have the option to articulate from an Associate Degree to a B Engineering Science and then onto a B Engineering (Honours). Access details of the engineering courses here.

Notes from the University of Queensland (UQ)

Bridging programs accepted by UQ – If you don’t meet the subject prerequisites for the UQ course you are interested in, you can pick up the subjects through a number of bridging programs. Download UQ’s ‘Bridging Programs Information Sheet’ by doing a search for ‘bridging programs’ on the UQ website. Note: these programs may not be accepted by other universities. It is important to check with the institutions you are interested in.

Intensive prerequisite courses at UQ College – UQ College will deliver prerequisite courses in Mathematics, Chemistry or Biology in an intensive mode over a four-week period from Tuesday 22 November to Saturday 17 December, 2016. Applications for these courses close on 26 October, 2016. Results from these courses will be available for QTAC’s major offer round on 16 January, 2017. Students intending to do one of these courses should indicate this on their QTAC application form. Access more information about the prerequisite courses here.

UQ Advantage – It is no longer sufficient to have the ‘paper’ qualifications for a job. Employers want a range of skills that can only be gained through experiences other than study. The UQ Advantage Office provides a number of programs to help you gain these experiences while you undertake your studies. These include international, research and leadership experiences and career/work opportunities. Find out more here.

Robotics holiday workshops – These workshops are for students in Years 7 - 12. Topics covered are:
• Introduction to robotics – 27 September, 2016
• Artificial intelligence – 28 September, 2016

Click here for more information. To register for a workshop, telephone 3365 3853 or email schools@eait.uq.edu.au.

What’s New at ACU (Australian Catholic University)?

New majors and minors in B Commerce – The following new majors and minors have been added to this course.
• Events Management Major will cover the development and delivery of events including branding, writing briefs, production and technical, media, creativity, sponsorship, marketing and promotions.
• Data Analytics Minor will examine big data and the analysis of data for management decision making.
• Entrepreneurship Minor will develop skills for small business, including entrepreneurial mindset, managing entrepreneurship and innovation, social entrepreneurship and new venture finance.
• Indigenous Business Studies Minor consists of four online cultural and indigenous business units available to all students with face to face intensive schools for indigenous students.

Campus tours – If you missed the ACU Open Day, you can book a campus tour here. Tours are held from 10am – 2pm, Monday to Friday.

ACU’s bonus points schemes - Through these schemes eligible applicants are given bonus points when they apply through QTAC. ACU bonus points’ schemes include:
• Subject bonus – under this scheme, applicants can be given up to five bonus points depending on their results in Year 12 subjects relevant to the course they are applying for. These bonus points are allocated automatically when applying through QTAC.
• ACU Access – under the Schools Relationships Bonus, Campus Bonus and Regional Schools Bonus, applicants may receive up to five bonus points automatically through QTAC depending on their geographic location or school relationship with ACU.
• Education Access Scheme – this is a QTAC scheme, which allocates bonus ranks based on educational disadvantage. Applicants apply for this scheme as part of their QTAC application.
• Elite Athlete Bonus – under this scheme, applicants who have demonstrated an elite level of sporting achievement can receive up to five bonus points. Applicants apply directly to ACU for this scheme.

Further information about these schemes can be found here.

Science Bootcamp at CSIRO

This event will be held in the September school holidays from Wednesday 21 – Thursday 22 September, 2016 at the EcoSciences Precinct, 41 Boggo Road, Dutton Park. In this program, you will:
• Visit CSIRO research laboratories - see the latest research in action
• Participate in discrete lab experiences - investigate the properties of a range of chemicals
• Attend researcher presentations - meet the scientists behind the news headlines
• Challenge yourself with open-ended investigations - design and perform your own magnetic experiment to remove oil slicks from marine environments and receive further instructions to continue your investigations.

Register to attend here.

Indigenous Australian Engineering Summer School (IAESS)

IAESS will be held from 8–14 January, 2017 at the University of Sydney. The school provides an opportunity for Indigenous secondary students who are entering Years 10-12 in 2017 to explore the possibilities of studying and working in various fields of engineering. Applications close on 14 October, 2016. Click here for more information and to download a brochure and application form.

Jazz Music Institute (JMI) Open Day

JMI will be holding an Open Day on Saturday 10 September, 2016 from 11am to 2pm. There’ll be jam sessions, a BBQ, a video room with live jazz footage and current staff and students available to ask any question about JMI’s courses. The Institute is located at Bowen Hills, Brisbane and offers the following courses:
• B Music in Jazz Performance
• D of Music (Jazz Performance)
• Certificates III and IV in Music (for high school students).

Register your interest in attending the Open Day by e-mailing play@jazz.qld.edu.au. Visit the JMI website for more information about the Institute and its courses.

**PLAY YOUR ROLE 2016**

The Rio Paralympics is about to begin with 178 Australian athletes competing and Iona College will be represented by Old Boy Daniel Fox who will compete in swimming. He was a silver medallist at the London Paralympics and it is hoped that he will have a wonderful experience in Rio.

Last Friday, we were privileged to have former Wallabies and Iona parents Dan Crowley and Tom Lawton as guests at the Lads’ and Dads’ Breakfast. They both forged world-class rugby careers and experienced sport at the highest levels. It was interesting to listen to what they value as men: the wisdom of their fathers, the widespread nature of worthwhile role models, the longevity of friendships that are established by playing together at club level, the importance of being a good dad. It was a pleasure to be with them and also amidst grandfathers, fathers and the young men of the College. Gathering and celebrating is important within our energetic community.

Last weekend, tennis and basketball matches were played against St Edmund’s and Ambrose Treacy College. Many thanks to all families who were able to organise transportation.
