Dear Iona Community,

As Term 3 draws to a close, I wish to thank families, staff and students for their involvement and commitment over the past nine weeks.

**OMAD DONATIONS – THANK YOU**

During the last fortnight, the final amounts of money have been received for our Oblate Mission appeal and it is with great delight that I can announce the final figure of $87,000 has been raised to aid the overseas missions.

This figure eclipses last year’s donations and again, on behalf of Father Michael and the Oblate community I sincerely thank our families and students for your generosity and support of the Oblate works, particularly those in south-east Asia.

This September holidays, we have students and teachers travelling to Fiji and China to gain a better understanding of the Oblate works in these countries and to witness, firsthand, both the poverty and strength that exists in these communities. Having had the fortune to travel with our students two years ago to China, I have lasting memories of the love and kindness of the volunteers and foster families in supporting children greatly disadvantaged. I wish the staff and students a safe and blessed journey.

In the past couple of weeks, Mr Vickers and Mr Robba have been asking for used football boots and other items to be donated and I thank many families who have offered not only boots but also colouring pencils, pens and books for the children of Fiji. Many bags of boots are ready to head overseas and perhaps they will be worn by a union or league star of the future. The gifts will be greatly appreciated.

**WILDERNESS CAMP**

Many positive stories of mateship, endurance and persistence are being relayed from the Year 10 Wilderness Camp. I know the students will return on Friday afternoon weary and longing for a warm shower. Congratulations to the staff and Mr George for organising this experience.

**CRICKET NETS**

The Sunday afternoon ‘net session’ at Iona is out of action for a little while as the entire cricket nets area is revamped. This week the old nets have been demolished and over the holidays new and lengthy pitches will be laid. The work will be completed well before serious training for the 2017 season gets under way.

**WELCOME BACK FR LEWY**

It is wonderful to welcome Father Lewy back to the community after his visit to his homeland of Ireland. I wish all Iona families a restful and enjoyable break over the next two weeks. School resumes on Tuesday 4 October.

God bless,

Mr Damian Courtney
Acting Principal
**PRAYER FOR GRATITUDE**

God of Love and Mercy,
Sometimes we are not as grateful as we should be.
Please remind us of the beauty of the day, the dignity of others,
the gift of others and the potential we have as individuals.
Teach us to count our blessings.
May we also remember that our weaknesses, whatever they are,
can be opportunities for growth.
With grateful hearts may we reflect your goodness.
Amen

Mr Wayne Wilden
Dean of Faith and Mission

PLAY YOUR ROLE 2016
It is a long time since our 1st IV tennis team defeated Marist College Ashgrove. Under the direction of new Iona tennis coach, Ian Malpass, guided by our teaching staff, supported by our parents and strongly led by College Captain Daniel Groundwater, the team is performing. Daniel, Mitchell Hanlon (Year 12), Lathan Treacy (Year 8) and Connor Minnette (Year 8) are combining well across the age difference to play strong tennis. Early on a Saturday morning next term, they are well worth watching at Wynnum Tennis Centre.

Our new swim coach, Michael Lewandowski, was introduced to our swim squad last Tuesday. He comes to Iona with a wealth of experience at school and club level and studied Exercise Science at university. His main goal will be to develop the strong potential of our younger swimmers so that Iona swimming remains an AIC swim force.

The start of next term will be abundant with action:
- The continuation of AIC Basketball (Years 7 -12) & Tennis (Years 5 -12)
- Track and Field
- Water Polo
- Golf
- Years 7 -9 AFL State Finals
- Volleyball (Provenence Cup)
- Swimming training

It is an encompassing program that develops young men and hopefully helps them make good decisions in physical and often fatigued situations.

Congratulations to Old Boy Daniel Fox who won a bronze medal in the 100m Freestyle and made the final of the 50m Backstroke at the Rio Paralympics. It was a magnificent performance.
