No. 10

Dear Iona Community,

It is with great joy that I welcome you back to the College after our Easter break. I sincerely hope that you were able to take part in the Easter Ceremonies and that you were able to spend some time with your family and friends over the break. The boys and staff looked eager to return which was very pleasing. (Maybe I am being overly optimistic with that observation!)

PASSION PLAY

It was wonderful that the Passion Play was performed to a very large crowd on Good Friday and I thank the many people involved, both in the cast and crew as well as in the audience. Iona College is very proud of our association with the Passion Play, which was begun in 1958 as a way of strengthening the faith and community of our College.

FACILITIES UPGRADE AND CAPITAL PROJECTS CONTRIBUTION

While many of our community were enjoying some time away from the College, there were still many workers here over the break, continuing the upgrades and improvements of our facilities. We now have a new covered grandstand on Davine Oval, courtesy of the Sports Supporters Association. This upgrade will benefit many people over the years.

We are also upgrading the facilities within the football (soccer) precinct with spectator amenities and comfort a priority. The area where the tennis courts are and football (soccer) pitches are will be referred to as St Eugene's Park in recognition of St Eugene de Mazenod OMI in our 200th year, as well as a recognition of the many sports that will eventually find their home there. It is anticipated that over the next period of time, St Eugene's Park will be the home of Swimming, Tennis, Football and Cricket. Proposed plans for this area will be on display over in the precinct for comment and consultation. Sports trials begin this weekend, so hopefully the new facilities are beneficial to all families.

We also saw the completion of our shaded area at the amphitheatre and connecting four central buildings in the College. This new shaded area can now accommodate over 400 students, which combined with our Primary Playground means that approximately 600 students have greater access to shade. This work will continue as a matter of priority.

It is vitally important that each and every family make an effort to contribute to the Capital Projects Contribution. This funding helps the College to continue to develop and deliver real benefits for the students in our care. I hope that you will recognise that this contribution is needed and appreciated. I have tried to regularly communicate the way that we have used this contribution so that you have every confidence in the projects that we undertake. I will be receiving an update from the Finance Department shortly on how we have gone this year in our contributions. Many thanks to those families who have already contributed.

AUSTRALIAN RULES FOOTBALL RETURNS TO IONA COLLEGE

The sport of Australian Rules Football has been played at the College for over fifty years in varying capacities and 2016 saw the latest comeback of this fine sport. Some families and community members approached me about the return of the sport and a suitable competition was found that did not interrupt our other AIC sporting commitments. During the holidays the boys played Ambrose Treacy College in the AFL Schools Challenge Grand Final. In an entertaining match with great spirit, sportsmanship and respect from both sides, Iona were the Grand Final victors for Brisbane South. This means that we progress to the next phase of the competition. I would like to thank every student, staff member and family who supported this endeavour and I look forward to this sport continuing to grow.

OBLATE INTENTIONS

Please pray for the good works of Rosies in Queensland and Victoria and for the difference they make to the homeless.

Iona College seeks to provide a dynamic Catholic learning community within the Oblate spirit, so that its members are faith-filled, resilient, courageous, well-balanced and prepared to make a difference.

FROM THE RECTOR *cont...*

WORLD EDUCATIONAL LEADERSHIP SUMMIT – SINGAPORE

Mrs Deanne Johnston, Ms Catherine Allen (College Board) and I attended the World Educational Leadership Summit during the holidays and found it to be a very worthwhile summit. Its focus was on Future Schools and our need to lead and redefine the way that we focus on education. This summit was particularly timely as the College embraces a strategic and master planning phase as we head to our 60th year in 2017/2018. Some of the insights were the great recognition that the College places on teacher collaboration and development through the Professional Growth Teams. Iona has invested heavily in this field as numerous studies have shown that greater emphasis on teacher capacity has the highest influence on positive student outcomes. It says that great teachers make a difference to the students in their care. It will continue to be a priority in the school to invest in teacher development. There were also affirmations on the necessity for strong and positive role models that teachers can become for our boys and the constant effort that we must make to keep those strong. The Conference also highlighted areas of continued improvement for our College, particularly in aspiration, academic standards and preparations for the future. I hope that this summit will influence our strategic planning process for the second half of the year.

POSITIVE STUDENT STORIES

The College has received word that Year 11 student Billy Cain has gained selection in the Australian Under 21 Clay Pigeon shooting team to compete both in the Oceania Championships and World Championships. This is a fantastic effort and the College is very proud of Billy and all of his support team.

Darcy Stevens, Sam Finocchiaro and Nathan Marshall all represented Queensland over the holidays in Rugby Union and all three were successful in defeating NSW. Well done to all of the boys and their support teams (i.e. families).

FR LEWY THANKS

Fr Lewy Keely OMI has asked me to pass on his thanks for the prayers that were offered during his recent hospital stay. He is feeling much better but is still on the road to recovery. He appreciated the care shown by the community for him and we hope he is feeling much better in the near future.

YEAR 9 CAMP AND YEAR 12 RETREAT

This week sees approximately 400 students on either Year 9 Camp or Year 12 Retreat. The two experiences are wonderful opportunities for growth in a number of very positive ways. Next week, I will offer a more detailed understanding of how they went, however I sincerely hope that each student makes the most of the opportunity. I thank especially the staff who will care for our boys and pray that everyone stays safe.

LINDUM – 4178

Over the next number of newsletters, I wanted to offer a little reflection on each of the suburbs that make up our Iona community. We come from a diverse region with many fantastic locations and that is what makes us special. I will begin with our home location of Lindum as it has a wonderful story to share and a story that continues with our College as a key part of it. If anyone has any interesting facts on their home suburbs, I would really love for you to send me a message. Next week's suburb, close to home was the site of Queensland's original Dream World!!! However, this week, we reflect on our home location of Lindum.

Lindum is 12 km north-east of central Brisbane. It was named after an early house built in the neighbourhood by Englishman Edward Kelk on what is now Rodney Street. Lindum is also the Roman name for the English town of Lincoln.

A station on the Cleveland Railway line (1889), Lindum was situated well away from the urban settlements of the early twentieth century. A post office was opened in 1916. The post office directory of 1949 recorded a mixed business in Sibley Street, a Baptist church in Kianawah Road and a couple of dairy and poultry farmers. In the 1950s each side of Rodney Street still had furrows where pineapples were once farmed.

Lindum Primary school was opened in 1954 and three years later we built Iona College here. Today Lindum has a train station, service station, local shops and businesses and it is also the home of our College.

The original dairy house faced towards Hemmant, but was repositioned to face towards Wynnum in 1957. Lindum has a history, a present and most definitely a future.

The outstanding College we have today is the gift to us from so many who have gone before us. Archbishop Duhig gave us the land for free. Let us never forget our humble beginnings, the unconditional love and generosity of so many who believed in the vision and worked to make this school a reality – here on the hill at Lindum.

Take Care and God Bless

COUNSELLING

DO YOU HAVE AN ANXIOUS CHILD?

In Term 2 we are facilitating a parent-focused group programme for parents with an anxious child. This free programme is for parents with anxious children in **Years 5 and 7**. It will run for five weeks from Week 5 (11 May to 8 June, 2016), on **Wednesdays from 3.00pm – 4.30pm**. Students have the option of attending homework club in the library at this time. We encourage both parents/carers to attend if possible.

If you would like to discuss the appropriateness of the programme for you or are not in the transition years but would like to attend anyway, please contact Ms Rebecca Litchfield or Ms Emma Popoff (College Counsellors) on 3893 8888 at the recommencement of Term 2 to discuss.

To register your interest please email: litchfieldr@iona.qld.edu.au before 27 April, 2016. Please see the flyer attached to this newsletter for further information on the program.

IN TERM 2 OUR SOCIAL JUSTICE FOCUS IS ROSIES

Rosies is asking for your help and support. Due to an increase in the numbers of patrons they are seeing on the streets of Brisbane their stocks are at a crisis point and they desperately need our help.

We are asking our families to please make donations of the following:

- | | | |
|-----------|---------------|--|
| * Milo | * biscuits | * Cup a Soup (<i>no cans please</i>) |
| * cordial | * muesli bars | * styrofoam cups |
| * sugar | * UHT milk | * blankets/sleeping bags |
| * coffee | * serviettes | * plastic cutlery |

These items can be handed in through your Primary class, at Tutor Group or to Student Reception. No donation is too small. Thank you!

Mrs Samantha Ryan
Social Justice Coordinator

FAITH AND MISSION

The following is a beautiful reflection adapted from faithandworship.com

RESURRECTION PRAYER

Blest are you, Lord Jesus who came to us a little child,
one of us, flesh and blood to share in our humanity.
For God so loved the world.

Blest are you, Lord Jesus who came to us as a carpenter
and yet in whose creative hands a world was fashioned.
For God so loved the world.

Blest are you, Lord Jesus who came to us as a fisherman
and yet pointed to a harvest that was yet to come.
For God so loved the world.

Blest are you, Lord Jesus who came to us as a teacher
and opened eyes to truths that only the poor could understand.
For God so loved the world.

Blest are you, Lord Jesus who came to us as a healer
and opened hearts to the reality of wholeness.
For God so loved the world.

Blest are you, Lord Jesus who came to us as a prophet, priest and king
and yet humbled himself to take our place upon the cross.
For God so loved the world.

Blest are you, Lord Jesus who came to us as a servant
and revealed to us the extent of his Father's love for human kind.
For God so loved the world.

Blest are you, Lord Jesus, who rose
from the scorn of a sinner's death
to the triumph of a Saviour's resurrection.
For God so loved the world.

God so loved the world
that he gave his only Son
for the sake of humankind.
God so loved the world. Alleluia! Alleluia!

LEARNING AND TEACHING

CHANGE TO NEW ATAR SYSTEM IN 2019

The Queensland Curriculum and Assessment Authority (QCAA) has advised that the current method of tertiary entrance calculations using the OP system will be replaced in 2019 by a new system which calculates an ATAR (Australian Tertiary Admissions Rank). **The current Year 9 cohort will be the first to complete their studies under this new system.**

This decision was made as a consequence of recommendations put forward by the Australian Council for Educational Research (ACER), having been commissioned to review the senior assessment and tertiary processes by the Queensland Government in 2014. [The report can be accessed here.](#)

The current OP system has existed without review for over twenty years, and some influences that have created a need for change include, but are not limited to:

- A greater number of students completing Year 12 and postsecondary education, with more pathways for students in senior schooling.
- Increased uptake of a wider range of learning options.
- An increase in the proportion of students in Year 12 using tertiary ranks other than an OP score.
- Adoption of the ATAR score by all states except Queensland.
- Implementation of the Australian Curriculum across P-10 with senior to follow.
- A changing national environment for curriculum, assessment, and tertiary entrance.

On March 21, the State Government announced the following key components related to the review:

- Most senior subjects will have four summative pieces of assessment. This will include three school-based and one external assessment.
- School-based assessment will not be scaled against the results of the external assessment when calculating subject results.
- External assessment results will generally contribute 25% towards a student's subject results in most subjects and 50% in Mathematics and Science subjects, and
- Inter-subject scaling will be endorsed to provide weighting to differentiate the complexity of subjects.

Iona College is committed to ensuring that senior pathways are well-planned, resourced, and relevant, and that corresponding advice to students will enable appropriate planning. We will endeavour to keep the college community informed of decisions and announcements as information becomes available, in order to ensure that students are well prepared for the transition and that their needs are catered for.

If you wish to discuss the changes to the new senior system, then please do not hesitate to contact me.

STUDENT ADMINISTRATION

YEAR 9 ANZAC DAY OPPORTUNITY

On Sunday 24 April, Year 9 boys have the opportunity to attend Camp Gallipoli at the RNA Showgrounds. We will depart Iona on Sunday afternoon at approximately 3pm and will enjoy dinner, movies and a concert while camping overnight and attending a Dawn Service on Monday morning. Students will return to Iona after breakfast on Monday 25 April (ANZAC Day public holiday).

The cost to attend is \$55 and students will be required to supply their own bedding to sleep on. Forms and further information can be collected from Mr George at his office.

Father Michael has allowed us to offer this event to Year 9 boys as they will be studying WW1 in their history unit. This will be a great experience, so please give serious thought to supporting this event.

YEAR 7 AND 8 IMMUNISATIONS

Parents, please be advised that Monday 18 April is Year 7 and 8 immunisation day. Permission forms were sent home earlier in the year. The forms we have received have been sent to the health team of BCC.

The team will administer the immunisations in the first two lessons on Monday. Boys will be kept under supervision/observation for at least 15 minutes after their "shot".

If you have changed your permission, please write a note and send it with your son on Monday.

CLASS AND INDIVIDUAL PHOTOS

Class and individual photos will be taken on Thursday 21 and Friday 22 April. Could parents please give your boys a memory jog so that they wear polished shoes and the correct uniform on those two days.

The individual photo will become your son's I.D. photo.

Mr Bob George

Head of Student Administration

COMMUNITY NEWS

WELCOME BACK

A warm welcome back to all Iona families to what is going to be an exciting and busy second term. This term is certainly our largest as far as involvement from students and families, with winter sport commencing on Saturday, the College Production taking place in May, Music Concerts and a number of P & F and Old Boys' events organised for the next couple of months.

TERM TWO SPORT

Our hard-working Sports Supporters are gearing up for their busiest term and parental help is necessary for the canteens at both the rugby and football fields to run successfully. Close to 200 families have pledged a commitment to assisting this year and I realise that many other parents will also volunteer their time to help. However, very often the canteens are left with one or two very generous parents shouldering the majority of the work.

This year, we are trialling an on-line service called Volunteer Spot which will help our Sports Supporters' co-ordinators manage the roster of both canteens.

Your support during this term will be greatly appreciated and I urge parents to help 'play your role' by volunteering a short period of time before or after your son's game at the canteens.

YEAR 5 ENROLMENTS - 2018

If you have a son in Grade 3 this year or you know of a family who has, please remember the closing date for applications for Year 5, 2018 is **Friday 10 June**.

A Prospective Parent Information Evening will be held on **Thursday 2 June in IPAC at 7pm**.

BOOK LAUNCH FOR OLD BOY AUTHOR

Old Boy, Jacob Harris celebrates the launch of his first book, 'Kingsblood' tonight (Thursday) in the St Eugene de Mazenod Resource Centre at 6pm. Students and parents are welcome to attend and we wish Jacob well for the evening and for the success of the book.

Iona Mothers' High Tea

TICKETS ON SALE FRIDAY 15 APRIL 9.00AM

FEATURING MOTIVATIONAL GUEST SPEAKER & ENTREPRENEUR DEBORAH MORANDIN AND ENTERTAINMENT BY *SOULCUTZ*.

GUEST SPEAKER DEBORAH MORANDIN

Prepare To Take a Leap of Faith, In Yourself!

Ever wanted to follow an idea, or your lifelong passion, and didn't know how to get started? Then you are in for a treat. Following an accident that left Deborah Morandin in a coma, she was brought out and leaped...ok rolled in her wheelchair, into action. She just wanted to heal herself back into a normal life, and the journey lead her to go on to train 5,000 women into wanting more from life, with her program *The Butterfly Experience*.

Deborah will be the guest speaker at the Iona Mother's High Tea and will be available throughout the event to talk to as many guests as she can to inspire you to create the life you have been aspiring too.

Deborah also teaches entrepreneurship and media, and has been honoured for her work by being named Australian Ambassador for Australia Day four years running by the Prime Minister's office, as well as Entrepreneur of the year.

She looks forward to meeting you all before she jumps on a plane to her next destination, which is a story on its own.

SOULCUTZ—AS SEEN ON X FACTOR 2014

After many years and much recognition within the entertainment industry, *SoulCutz* has fine tuned itself and now comes in many forms.

SoulCutz comes from a floorshow and cabaret style entertainment background. They can entertain the young and the young at heart with a repertoire spanning four decades and has the ability to sound like Barry White, The Bee Gees, not to mention the outstanding dance moves that mimic Michael Jackson, James Brown and Elvis Presley to name a few.

AUCTIONEER REQUIRED

It is hoped to use the talents of a live Auctioneer at the High Tea to auction a few items. Please contact the Event Co-ordinator, Kelly Hoar-Guthrie on 0481 178 856 if you are able to donate your time.

RAFFLE DONATIONS REQUIRED

Donations of raffle prizes would be greatly appreciated. Please leave any vouchers or gift donations at the College Reception, labelled 'Mothers' High Tea'. Please also include the name of the person/company donating the prize so we can include you on the list of appreciations.

SEE THE FLYER ATTACHED TO THIS NEWSLETTER FOR FURTHER INFORMATION INCLUDING BOOKING INSTRUCTIONS.

REQUIESCAT IN PACE

Please remember the following Iona families in your prayers as they mourn the recent passing of loved ones.

† The Sideris family, on the passing of Mr George Sideris, father of Mr Alex Sideris, Iona Grounds Staff.

May they rest in the Lord's everlasting peace.

RESOURCE CENTRE NEWS

RECOGNITION OF ST EUGENE DE MAZENOD RESOURCE CENTRE

The Resource Centre staff are greatly honoured that our school library was nominated in the recent campaign run by Freedom of Access to Information and Resources (FAIR) to identify effective and meaningful school library services across Australia. As a group, our brief is to provide fair and equitable access of print and digital resources to the Iona Community whilst maintaining a busy and curriculum integrated service. At the heart of our brief is the promotion of reading as an important component for improved academic performance and for pleasure.

RESOURCE CENTRE INFORMATION EVENING

Are you aware of the support available for your son as he completes his assignments and work tasks through the Resource Centre webpage? Many parents are not aware of the services provided through the webpage, accessible from home and school. To find out more, please feel welcome to attend an information evening to be held on Wednesday 27 April or Tuesday 3rd May from 5pm – 6pm. These evenings coincide with Parent Teacher Interviews but the information session will be held during the scheduled tea break. The venue is the St Eugene de Mazenod Resource Centre. More information will be emailed to parents closer to the date.

READERS' AND WRITERS' BREAKFAST TERM 2

A Readers' and Writers' breakfast will be held in the Resource Centre on Tuesday 17th May for all interested students. We are hoping that attendance will be as encouraging as it was last year. Students will be emailed soon so they can mark the date and indicate their attendance. In the meantime, I have details of both a poetry and a short story writing completion. Please encourage your son to come to the Resource Centre to receive details about either one if he is interested.

The **Brisbane Fresh Futures Market** will provide an opportunity for people living with a disability and/or mental illness the chance to investigate a broad range of post school resources and to liaise directly with services for information and advice. This event is for people with disabilities of all ages including those transitioning from school plus their parents, carers and teachers and there is no cost to attend. If you have any questions, please don't hesitate to contact Theresa Madson NDCO, Theresa.madson@tafe.qld.edu.au. Representatives from the **My Future: My Life** initiative and **Choices Self Directed Support Team** will be available on 18 May to discuss all service options.

DEFENCE UNIVERSITY SCHOLARSHIP

Start studying a degree of your choice at the university of your choice and then join the Australian Defence Force under the Defence University Scholarship scheme. Through this scheme, you will have your fees paid, receive a salary while you complete your degree and walk straight into a ADF job following graduation. QTAC OFFER ROUND CHANGES

2016 brings a big change to how QTAC offers applicants a tertiary course. Year 12 students may start receiving course offers as early as 18 November, 2016, the day they finish school, if they apply for a non-competitive course. Offers for competitive courses will still be made at major offer rounds (e.g. 16 January, 2017 is the major offer round for most Semester 1, 2017 courses).

Non-competitive courses – These are courses that can be offered to students who have lodged a QTAC application and have completed Year 12. They are courses that:

- students have listed as their highest preference
- require no or little QTAC applicant assessment
- have more places than applicants
- only have English language proficiency and/or Year 12 completion as prerequisites
- won't need Educational Access Scheme or study documents to be supplied to QTAC.

Institutions will make offers for these courses on set days throughout an admissions period (i.e. every Friday or the second Thursday of the month). Some will be once a week, some more often, some less often.

Courses that still rely on major offer rounds - These are courses that:

- require a high level of QTAC assessment
- have more applicants than places available
- may require Educational Access Scheme/study documents
- require interviews, portfolios, auditions etc.
- **How will a student know when they will receive an offer?** - When a student lodges their application (and each time they change their preferences after that), QTAC will send them an email letting them know what date they will find out if they have received an offer.

IONA COLLEGE SPORTS INFORMATION

PLAY YOUR ROLE 2016

Winter sport is the great equaliser of the sporting year. The College, the teams, the training and Saturday games bridge all gaps. Contribute to the sport's heartbeat and little imperfections are forgiven because contribution allows acceptance from those around the player.

There are two weeks of training and trials ahead in which players will be given the opportunity to gain selection in teams. It is a challenging process and all involved are requested to be patient. The focus needs to be on skill development, physical fitness resulting in health benefits, connecting with the College via sport and enjoying the experience.

With Iona fielding numerous teams in rugby, football and chess - the greatest difficulty for the sports department is providing solid coaching and securing adequate games each week. Despite the imperfections, we will strive to be organised and competitive.

All volleyball shirts need to be returned to the Sports Office ASAP.

HOME AND AWAY SCHEDULES EXPLAINED

Season Draw

Due to the complexity of the sports draw each week, an exact full season draw is not available. However, please note that the opposing school for sport each week is published in the school calendar and school diary.

Rugby

The (H) home weeks are when Year 9, 15 Years, 16 Years and Open teams play at Iona venues and Years 5, 6, 7 and 8 teams play at the opposing school's venues. On the (A) away weeks the opposite occurs.

Football

The (H) home weeks are when Years 9, 10 and Open play at Iona venues and Years 5, 6, 7 and 8 teams play at the opposing school's venues. On the (A) away weeks the opposite occurs.

HIGH PERFORMANCE SPORT

It may be of interest to some that last year, 49,718 Queensland school students competed in regional sports trials. From these trials, 13,554 students were selected to compete in one of 49 State Championships covering 21 different sports. Then 65 State school teams were selected to compete in National and International competitions. Iona College is supportive of this representative pathway via Mrs Otway and Mr Pritchard (Lytton District), Mr Harron (Composite District and beyond) and Mr Nalatu (High Performance organisation, support and funding). It was recently commented that Iona continues to fully support district and regional sport, and as a result is highly respected in the wider community. We are playing our representative role!

Congratulations to the following boys who recently gained representative selection:

- Met East 19 Years Hockey - Mitchell Roberts, Oliver Roberts.
- Queensland Schools Swimming Team - Kai Thomas, Zayne Thomas.

Congratulations to the following boys who competed in the National Age Swimming Championships during the vacation - Connor Madders, Zac Ireland, Will Ireland as well as Old Boys Lachlan Carter and Hayden Slater.

AFL

Iona is currently one of the 174 Queensland schools competing in the AFL Schools Challenge played at three levels: primary, Years 7 - 9, Years 10 - 12.

Our Years 7 - 9 team recently competed in the regional final against Ambrose Treacy College winning 118-7. The players did the College proud in the Black and White and now move into the play off stages versus Aspley State High on Tuesday 19 July at Burpengary Sport Complex.

Many thanks to our AFL staff - Ryan and Tim Bruce (coaches)
- Mr Pritchard and Mr Hartley (managers)
- Jacob Amore (runner)

SPORTS SUPPORTERS

At present we do not have anyone to supervise the Football (Soccer) canteen on the following dates:

- April 16, April 30, May 14, May 21, June 11

We need at least one person on each of these Saturdays between the hours of 7.00am and 2.00pm in the Soccer canteen. If we do not get any volunteers then the canteen may not be open on these days. If you are able to assist please contact Julie Dayton at:

sports@daytonfamily.com.au

IONA SPORTS PHOTOS

We are always looking for current photos to include in the weekly sports newsletter. Please send any good Iona sport action photos to otwayk@iona.qld.edu.au. Photos must be received by Tuesday mornings to be considered for the newsletter each week.
