No. 12

Dear Iona Community,

ANZAC DAY COMMEMORATIONS

It was wonderful to hear that we had representation at ANZAC Day ceremonies at many locations throughout Brisbane and Redlands, including Cleveland, Bulimba, Manly and Wynnum with over 150 students directly participating and many more with families in attendance.

We also remembered and commemorated [ANZAC Day](#) here within our own Iona community and every student and staff in attendance would attest that it was a deeply moving and prayerful gathering. Singing the full national anthems of New Zealand and Australia was a particular highlight for me. When I asked the Year 10 Religious Education class that I am teaching what their favourite aspect of the ceremony was, they answered with the following: the Aboriginal acknowledgement of country and service, the didgeridoo, the minute's silence, the bugle, the choirs, the student cadets. I include here the very short homily that I gave and I hope it helps sum up the prayers and sentiments of our commemoration.

HEADS OF HOUSE / YEAR LEVEL COORDINATOR WEEKLY REPORTS

I am very fortunate that each and every week, our Heads of House and Year Level Coordinators provide me with a weekly update on the happenings in each of the Houses and Year 5 and 6. These reports give me a valuable understanding of the pulse of the College and is a way of noticing trends and issues that might otherwise have remained unlinked. I get to read about moments of great achievements, as well as moments of sheer madness, sometimes in the one boy. The Heads of House and Year Level Coordinators are the first and primary contact for many pastoral and behavioural issues within the school and I sincerely encourage each family to make use of this valuable pastoral structure. I also am given access to the many family reactions to the issues uncovered and the vast majority of our families look for ways to work together to assist the boys on their own growth to maturity. We remain committed to working closely with families to try and bring about the best outcomes for all boys. Communication is crucial and my message to the Heads of House and Year Level Coordinators is one of encouragement and support as they provide a valuable avenue of communication with families. My message to families is to access this support role whenever you feel the need. The Heads of House and Year Level Coordinators are ably assisted by the Student Welfare Team of Mr Peter Holmes and Mr Liam Nugent with Mr Mark Harvey (Dean of Students) overseeing the entire team.

WYNNUM NORTH – 4178

This week I have the pleasure of highlighting the varied and beautiful characteristics of Wynnum North, a suburb that has been subsumed into the wider 4178 postcode, nonetheless survives as a locality within our region.

The name Wynnum has a mysterious beginning and there are three possibilities. One suggestion is that it was adapted from the Aboriginal word for the breadfruit tree, 'Winnum'. Another is that it came from the Aboriginal word for soldier crab, 'Winyum', while the area could also be named after one of the earlier settlers, 'Wenham'. We will offer a fuller understanding of the name when we come to the reflections on Wynnum itself. This week we are focussing on Wynnum North and its many highlights.

The Quandamooka people have accessed this area for thousands of years and the rich supply of food and natural resources made it a place of many happy returns.

Wynnum North has had a sustained positive impact for educational opportunities for our region. Wynnum North State School was opened in 1882 and concluded in 2010 with the amalgamation of Lindum, Wynnum North and Wynnum Central State Schools to become Wynnum State School. This new school was located on the site of the former Wynnum North State High School (1964-2010). Wynnum North State High School ultimately relocated and became Brisbane Bayside State College in 2010. Many past Iona students have arrived at the College from one of these above mentioned schools and have greatly enriched our community.

Wynnum North has a train station, post office, local shops and some wonderful local landmarks and spectacularly beautiful scenery. It is also the home of Elanora Park (former rubbish tip) and home to the Wynnum Bugs since 1979 and Wynnum Softball. The College enjoys a positive and growing relationship with the Wynnum Bugs with many current, former and future Ionians playing there happily.

Wynnum North contains historic Nazareth House which has served the region as an orphanage and an aged care facility for approximately 100 years. The Sisters at Nazareth House were very welcoming of the Oblates when we first arrived in 1957 and supported the College greatly. Currently our Year 11 students visit residents as part of the volunteer work of the College. My grandfather experienced the care of Nazareth House in the final years of his life and I am extremely grateful to the care shown. Fr Jim Carroll O.M.I. and Fr Paul Siebert O.M.I. were also cared for by Nazareth House in their final years.

Wynnum North is also home to the Mangrove Walk which allows us all to witness the beauty and complexity of coastal mangrove habitats within the comfort of a well-planned board walk.

Wynnum North contributes greatly to our local cultural heritage and many students have attended Iona from this locality. We hope that continues for many years to come.

Next week we will swing around to **Tingalpa** to share the story of this locality and its relationship with Iona.

Take Care and God Bless

LEARNING AND TEACHING

PARENT-TEACHER INTERVIEWS

Wednesday evening saw the first of our parent teacher interviews and I thank all parents and students who were able to meet with teachers. We appreciate the feedback provided and value the opportunity to discuss ways we can work together to maximise the academic outcomes for every individual student. Our second evening of interviews will be held on Tuesday, 3 May and there are still some slots available for parents who haven't yet booked. Before the interviews, I encourage all parents to log on to the portal and read through the grades and the feedback provided on each piece of assessment completed so far. Feel free to come prepared with questions specifically related to that feedback as well as questions that are more general in nature. If you have any concerns related to parent teacher interviews, please do not hesitate to contact the College.

NAPLAN

This year NAPLAN will be held in Week 5 on Tuesday 10 May, Wednesday 11 May and Thursday 12 May. Across Australia, students in Years 5, 7 and 9 will sit papers in reading, writing, spelling, grammar and punctuation and numeracy.

There can be anxiety around NAPLAN so I'd like to reiterate that NAPLAN is not a traditional style of test that can be studied for and students are not expected to be studying at home. The questions and tasks cover general skills taught in the Australian curriculum and these are developed over time. In writing and developing Iona's curriculum, literacy and numeracy skills are prioritised and taught effectively and we are confident our students are ready for the testing. In class this term,

your sons have been engaging in preparation for NAPLAN by familiarisation with the style and format of the papers and by ensuring they are equipped with the skills and understandings required to recognise, understand, interpret and complete the tasks to the best of their abilities. Too much preparation can actually be detrimental and parents should rest assured that Iona's preparation programme is well designed to ensure our students are thoroughly prepared.

The best way parents can support their sons with NAPLAN is to reassure them that NAPLAN tests are just one part of their school programme, and to encourage them to simply do the best they can on the day. Ensuring they go to bed early and eat a good dinner and breakfast will also help them to concentrate and perform to their best on the day.

Adjustments and exemptions are possible for students who meet certain criteria under the Disabilities Act and letters have been sent home to identified students. If you haven't received a letter and think your son may be entitled to provisions, please contact us as soon as possible. Parents or carers also have the right to withdraw their sons from the tests based on religious beliefs, philosophical objections or for other reasons. Parents who would like to withdraw their sons must provide the College with formal notification prior to the testing days. Please contact Mrs Felicity Murray, Head of Learning Support, or me if you would like to discuss this or to obtain the necessary paperwork. Friday 13 May will be used as an opportunity for students to make up any papers that they may have missed over the testing days.

Mrs Deanne Johnston
Dean of Learning and Teaching

FAITH AND MISSION

ANZAC PRAYER

God of Liberty,
We offer our thanks for the peace and security which we enjoy and often take for granted.
We pray that the Anzac spirit of justice, truth and liberty may live on in us and in generations to come.
We offer our gratitude for the courage, generosity and sacrifice of those who gave their lives in times of war.
Look with mercy on those brave Australians who departed this world in their efforts to defend our freedom.
Inspired by the resurrected Christ, we too look forward to your promise of eternal life with you.
May our lives reflect your goodness.
Amen

Best wishes,

Mr Wayne Wilden
Dean of Faith and Mission

EXCURSIONS AND WORKSHOPS

It's been a busy start to Term 2 for the Drama Department. On Tuesday night, 57 Year 10 boys attended a lively performance of *Much Ado About Nothing* at QPAC's Playhouse Theatre. In Weeks 1 and 2, the Year 11 boys expanded their exposure to the style of Australian Realism by participating in a workshop with professional actor Amy Ingram and attending a performance of Queensland Theatre Company's *Motherland* at The Bille Brown Studios. Last week, the Year 12 students immersed themselves in scriptwriting with Brisbane playwright Maxine Mellor who imparted a few 'tricks of the trade'. These opportunities allowed our boys to engage with theatre as an art form and a tool of human connection.

REQUIESCAT IN PACE

Please remember the following Iona families in your prayers as they mourn the recent passing of loved ones.

† The Allan family, on the passing of Mr Wieslaw Golebiowski, grand father of Leslie Allan (Year 12, Gerard 1), Jack (Year 10 Gerard 5) and Harrison (Year 9 Gerard 2).

May he rest in the Lord's everlasting peace.

MUSIC DEPARTMENT

WELCOME MR HANNAN

We would like to extend a warm welcome to Mr Shane Hannan to our Iona Music Department. Mr Hannan, who has a wealth of teaching experience within the education sector, is a trombone specialist and commences with Iona next Tuesday. I will continue in my regular role, and will also take on our trumpet students moving forward. This shift will offer a great opportunity to these students as my principal instrument is the trumpet and Mr Hannan specialises in the trombone. All affected students have been emailed their new timetables and of course these are also available in our Music Department.

INSTRUMENT STORAGE ROOMS

We would like to congratulate our music students on their efforts in keeping the instrument storage rooms tidy. As we now have two, much needed storage rooms, we are better able to store our instruments which are quite valuable in a much tidier and organised fashion. We encourage you to continue showing pride and consideration in this respect.

ANZAC DAY CELEBRATIONS

A final congratulations to our students who performed at this week's Anzac Day celebrations. Our choral boys sang beautifully and Charlie Wootten played The Last Post and Reveille extremely well. We have received some very positive feedback from all that attended, so well done young men of Iona. We also thank Ms Madonna Forster and Mrs Aimee McDonald who continue to greatly improve the enjoyment and quality of the choral program here at the College.

APPLYING FOR HEALTH SCIENCE/VETERINARY COURSES AT JAMES COOK UNIVERSITY (JCU)

The following courses offered by JCU for Year 12 applicants require a QTAC application as well as a direct application to JCU.

- B Medicine/B Surgery (Townsville campus)
- B Dental Surgery (Cairns campus)
- B Veterinary Science (Townsville campus)
- B Physiotherapy (Townsville campus)

These JCU courses have a rural, remote, tropical and Indigenous communities focus. Consequently, an important requirement of the JCU application is to demonstrate interest, experience, understanding and/or exposure to rural and/or remote locations. Applicants living in metropolitan areas will find this challenging. You will need to think creatively about how you can obtain the experience/knowledge this year. Some ideas are:

- work-experience during the holidays with a rural practitioner
- attend FEAST and/or TASTE (for vet science)
- interview practitioners who have worked in rural/remote areas
- research the challenges for practitioners in rural/remote areas
- learn about Northern Australia
- find out as much as you can about the content of the JCU courses from brochures, the JCU website, career expos, TSXPO and other career/course events
- if possible, attend a JCU open day.

You can view last year's (2015) JCU application at <https://jcu.clients.squiz.net/australia/division-of-tropical-health-and-medicine/application-forms/domestic-applicants>. The applications website is usually updated in July for the following year. The due date for applying to QTAC is 30 September 2016. The date for submitting the JCU application form to JCU is normally the same as the QTAC due date (this date will be confirmed in the QTAC Guide distributed to schools in June). You can access the prerequisites for the courses from the JCU website at <https://www.jcu.edu.au/courses-and-study/course-level/undergraduate-your-first-degree>.

DENTAL ASSISTANT CERTIFICATE III

This qualification is suitable for a person wishing to qualify as a dental assistant. It is delivered by a number of registered training organisations such as:

- ◆ Australian Dental Association - For more information about this course, go to <http://www.adaq.com.au/training/certificateiii>.
- ◆ Open Colleges <http://www.opencolleges.edu.au/ip/certificate-iii-dental-assisting-2015>
- ◆ TAFE Queensland Brisbane campus <http://tafebrisbane.edu.au/course-search/search.php?q=dental+assisting>.

SHORT COURSES AT THE QUEENSLAND COLLEGE OF ART (QCA), GRIFFITH UNIVERSITY

QCA, located at South Bank, offers a range of short courses in the creative field throughout the year. Most of these are offered on weekends and evenings. Upcoming courses in June and July 2016 are:

- Introduction to Small Scale Lost Wax Casting
- Fundamental Techniques and Processes for Jewellery and Small Objects

For details about these courses, see the Creative Short Courses web page at <http://qcashortcourses.com.au/>.

TAFE QUEENSLAND DATE CLAIMERS

Make Great Choices information sessions – These sessions will be held at all TAFE Queensland Brisbane campuses from 5pm – 7pm on Thursday 5 May, 2016. You can talk to course advisors, ask questions and find out how a TAFE course can be a pathway to university study. See <http://www.tafebrisbane.edu.au/about-us/events/> to register to attend. This site will also give you a list of the Brisbane campuses.

Associate Degree of Civil Engineering Information Evening – This course provides students interested in design, drafting and project management with the skills to start a career in engineering. The information evening will be held from 6pm– 7.30pm on Wednesday 18 May, 2016 at TAFE Queensland Brisbane, South Bank campus. Register to attend at <http://www.tafebrisbane.edu.au/about-us/events/> (scroll down to the relevant news item).

RESTRUCTURED MEDICAL PROGRAM - BOND UNIVERSITY

Bond's Medical Program is now comprised of two sequential degrees - the Bachelor of Medical Studies (BMedSt) and the Doctor of Medicine (MD). Students are required to complete both degrees for registration as a medical practitioner. Both degrees are awarded at the completion of Year five. Entry requirements for the Medical Program are:

- Academic merit (e.g. OP)
- Prerequisites of Authority English plus one of Chemistry, Maths B or Physics
- Short-listed applicants will be required to attend an interview (a structured Multi Mini Interview - MMI)
- Note that UMAT is not a prerequisite.

Applications for the Medical Program are through QTAC. They will open in early January, 2017 and close in early February. The course commences in May. Details can be accessed at <https://bond.edu.au/program/medical-program>.

Visit <http://files.clickdimensions.com/boneduau-a6qbr/documents/hsm/medicinepresentationfordecember2015.pdf> to view a slide presentation about the Medical Program presented by Bond's Dean of Medicine.

2016 EMPLOYMENT PROJECTIONS

Each year, the Department of Employment produces employment projections by industry, occupation, skill level and region for the following five-year period. These employment projections are designed to provide a guide to the future direction of the labour market, however, like all such exercises, they are subject to an inherent degree of uncertainty. See the employment projections for the five years to November 2020 at <http://lmp.gov.au/default.aspx?LMIP%2FEmploymentProjections>.

The long term structural shift in employment towards services industries is projected to continue over the coming five years. Health Care and Social Assistance is projected to make the largest contribution to employment growth (increasing by 250,200), followed by Professional, Scientific and Technical Services (151,200), Education and Training (121,700) and Retail Trade (106,000). Together, these four industries are projected to provide more than half of total employment growth in Australia over the five years to November 2020.

PATHWAYS TO MEDICAL SPECIALISATIONS AND OTHER HEALTH CAREER RESOURCES

The My Health Career website at <https://www.myhealthcareer.com.au/become-a-doctor> has infographics and other information on pathways to ten different medical specialisations. IONA COLLEGE SPORTS INFORMATION

PLAY YOUR ROLE 2016

AIC sports competition gets underway this weekend. Although predominantly playing St Patricks College, Iona also has 22 games in the supplementary competition against various Colleges. Due to the large number of teams that Iona fields each weekend, this will occur throughout many rounds. It is not an ideal organisational situation but it allows Iona teams to get weekly games.

Throughout winter, please adhere to the following guidelines:

- ◆ Please read the [Iona Sport - Play Your Role](#) document. It contains details of how Iona Sport functions including relevant policies.
- ◆ Iona is a red line College for Saturday sport. Please be behind the red line when spectating. All spectators need to be positive.
- ◆ Foul play and disrespectful behaviour are not tolerated. Red cards are a minimum 1 AIC game suspension.
- ◆ Help is always needed with umpiring, refereeing, touch judging, scoring and in canteens. Often, it is a case of just offering assistance on the day. It is a large program and needs support.
- ◆ In the main, Saturday sport is about representing the College with pride, participation with team mates, learning skills and tactics, improving health and enjoyment. Get those things right and all will have strong seasons.

SPORTS SUPPORTERS

We are now seeking assistance in the Rugby and Football canteens each Saturday.

This year to assist us in co-ordinating the roster for home games we are using an online service called Volunteer Spot. If parents could volunteer for half an hour before or after your son's game for at least one home round it would be much appreciated.

Please click on the following link and then on the view arrows on the right of the screen to enter your preferred time for either the Rugby Canteen/BBQ or the Football Canteen.

Iona College Sports Supporters Page

At present we do not have anyone to supervise the Football (soccer) canteen on the following dates:-

April 30, May 14, May 21, June 11

We need at least one person each of these Saturdays between the hours of 7.00am and 2.00pm in the Soccer canteen.

If we do not get any volunteers then the canteen may not be open on these days. If you are able to assist please contact Julie Dayton at sports@daytonfamily.com.au.

SPORTS PHOTOS - RUGBY AND FOOTBALL

Rugby and Football team photos will be taken at Iona on the following days:

Saturday 7 May - All Year 5 - 8 teams.

Saturday 21 May - All Year 9 - Open teams.

Please meet your team in the photo area at the rugby and football ovals 1 hour before your game.

KARATE

Kids Karate Beginner classes with the Australian Fitness and Martial Arts Club will be held at Moreton Bay Boys' College on Mondays at 3.30pm and 4.30pm and on Fridays at 3.30pm.

We have classes also in Cannon Hill on Tuesdays and Thursdays. For more information please see the website www.afmaclub.com.au or contact Sensei Andy Schwandner on 0403 358 397.
