13 MAY 2016

No. 14

Dear Iona Community,

This past week has once again seen a huge range of activities within the College. The aim of these short newsletter pieces is to give you a glimpse of the many activities, as well as an insight into the ones that might not normally be heard.

YEAR 7 AND 8 SOCIAL

Last Friday night, approximately six hundred Year 7 and 8s descended on the Carina Police Citizens Youth Club to celebrate a social event of dancing and communication. With dances being the currency of the night, many of our boys had a very successful and tiring night. One remarked that it was "like a war-zone" on the dance floor. Our Year 12s joined staff to help coordinate the night and I was very impressed with the generosity of everyone involved. Those in attendance seemed to have a great time, although it wasn't the greatest of preparation for early morning Rugby and Football fixtures!!!

NAPLAN WEEK - THE NATIONAL ASSESSMENT PROGRAM - LITERACY AND NUMERACY (NAPLAN)

Many thousands of students across the country in Years 3, 5, 7 and 9 have recently sat the NAPLAN Assessments. These assessments attempt to determine a level of proficiency at this given point of time. It becomes part of a number of measures to support development and growth within each student. The results are not a measure of value or worth for a person and there are so many factors that contribute to each student's development. I would like to express appreciation for the boys and their balanced and dedicated response to all that was asked of them. I thank the many staff led by Mrs Deanne Johnston, Mr Michael Overland and Ms Donna Elkington who helped facilitate a smooth process that attempted to eliminate any unnecessary stress for the boys.

COLLEGE FACILITIES UPDATE

Over the past two weeks all Iona teams have played their sporting fixtures at the College. It has been pleasing to see and hear the many positive comments surrounding the facilities and presentation of the College. I thank Mr Tony Adermann, Mr Mark Robba and the entire Grounds and Maintenance Team for their dedication and care of our beautiful facilities. Iona has always taken great pride in the facilities and it has been pleasing to take this to a new level again in 2016. Many of the developments have come directly from parent suggestions and feedback and I am always open to hearing any ideas that you have for the College. Being mindful that we do not have unlimited finances, we have attempted to spend money wisely and for the benefit of all. I hope that you all feel that your Capital Projects Contribution is being used to good effect.

SHERMAN LUNCH

Over 400 people will attend the Sherman Lunch on Friday, with Fr Sherman O.M.I. and Wayne Bennett being guests of honour. This event will also see the formal rebirth of our Rugby League Program, which will see us compete in the prestigious Confraternity Shield for the first time. Both Rugby Union and League sit side by side at the College and both can thrive in our diverse community. I thank everyone involved in the preparation, celebration and clean-up of the event.

MOTHERS' HIGH TEA

On Sunday, I will be the only male among 300+ Iona mums (including my own!) at the Mothers' High Tea. Next week's newsletter will be written if I survive the encounter. I will offer a full thanks to all involved next week, but on behalf of the College, I wish the event every success.

CONGRATULATIONS TO BERNARD (BERNIE) COSTELLO - KNIGHT OF THE FRENCH LEGION OF HONOUR

It is with great pride that I share with you the news that Bernie Costello (Iona Parent, Grandparent and Great Grandparent) has been awarded the Legion of Honour by the French Government for his part in the liberation of France in 1944/45. Bernard served as a Flight Lieutenant navigator in 115 squadron RAF 3 Group Bomber Command. He completed his thirty mission tour, and then was appointed squadron navigation officer. He continued to fly, and he and his squadron led Operation Manna dropping supplies to starving civilians in the Netherlands in 1945 in a half truce with the Germans. After the surrender he flew on repatriation missions for prisoners of war. Yet he waited to marry his beautiful Muriel until peace in the Pacific, as he was to again fly with Tiger Force against Japan. He is very humbled.

PLAY YOUR ROLE COMING EVENTS

SHERMAN LUNCH

Friday 13 May
Gambaro Hotel, 11.00am to 4.00pm

IONA COLLEGE
OBLATE PRIESTS

OBLATE INTENTIONS

Please pray for the
Oblate Communities in
India, Pakistan and Bangladesh.

Iona College seeks to provide a dynamic Catholic learning community within the Oblate spirit, so that its members are faith-filled, resilient, courageous, well-balanced and prepared to make a difference.

FROM THE RECTOR cont...

Bernie and Muriel (RIP) Costello have a long and proud association with Iona College with two sons, Steve Costello (Class of 67) and Paul Costello (Class of 69), two grandsons, Peter Dougherty (Class of 89 – and current staff member), John Dougherty (Class of 95) and four great grandsons currently at the College in Patrick (Yr 10) and Joseph Thornton (Yr 7) and Matthew (Yr 8) and Jacob (Yr 6) Dougherty.

The College congratulates Bernie and all his family on this wonderful achievement and we continue to give thanks for those who served our country, both in the past and in the present.

PARENTS AND FRIENDS ASSOCIATION

Many thanks to the parents who were able to attend the recent P&F Meeting. Once again, there was great discussion, information and sharing about ways for families to be involved and engaged within the community. It is a wonderful forum for genuine consultation and everyone is always welcome to come.

ROSIES FUNDRAISING – RED SOCKS AND SHOE LACES

I commend the many efforts at supporting Rosies in its mission to reach people in need in our society. I also encourage you to support our new initiative to complement Red Sock Day for the Firsts Chess, Rugby and Football. Every player representing the College in the final round of the AIC Competition against Villanova is invited to purchase red shoe laces from the uniform shop to support the Rosies Mission. This will show our school wide support for this wonderful community.

TRAIN TICKETS – STUDENT HONESTY AND INTEGRITY

Some of the students recently revealed to me in one of their many moments of honesty that at times they do not use their train tickets appropriately each time they use the train. I was able to have a good chat with them about why it's important for them to use the tickets appropriately and not cheat the system. I am asking families to re-enforce the message that responsible members of any society don't try and cheat their obligations. Iona students are significant users of the train system and I encourage all of our boys and families to keep the highest standard of honesty and integrity.

KOKODA TRAIL SUCCESS

Congratulations to Ryan Trehane in Year 9 and Jeremy Bassard in Year 11 for recently completing the Kokoda Trail. After many months of solid training both boys meet the difficult challenge of this trek with true courage, determination and spirit. Highlights for the boys included attending the ANZAC dawn service at Isurava War memorial, where Ryan was chosen to lay a wreath on behalf of Australian Veteran Affairs.

INTRODUCING WYNNUM WEST – 4178

The mega suburb of Wynnum West 4178, contains the localities of Lindum and Wynnum North, however locals know that Wynnum West has its own unique and valued contribution to our region.

Wynnum West is located 13km from the city and became its own suburb in 1975.

The name Wynnum has a mysterious beginning and there are three possibilities. One suggestion is that it was adapted from the Aboriginal word for the breadfruit tree, 'Winum'. Another is that it came from the Aboriginal word for soldier crab, 'Winyum', while the area could also be named after one of the earlier settlers, 'Wenham'.

The Quandamooka people have accessed this area for thousands of years and the rich supply of food and natural resources made it a place of many happy returns.

The area was first settled by Europeans in the 1860s, with land use focusing on agriculture and vineyards. It remained sparsely populated until the 1880s and 1890s, and it was not until the post-war years that significant development occurred.

Wynnum West contains some significant sites and is home to the following: Wynnum Plaza, Wynnum Vikings, Bayside BMX Club, Bayside Heritage Train Park, KFC, McDonalds, Red Rooster and Hungry Jacks.

Wynnum West is also home to Wynnum West State School (1922) and Brisbane Bayside State College (2010) which have served our area well for many years.

Wynnum West is the future home for a 24 hour medical facility to serve the people of the region. This long overdue development has been championed by Mrs Joan Pease MP, member for Lytton and former Iona parent. This work is yet to be completed.

The Bayside BMX Club is home to many State, National and World Plate winners. It is also an environment that is family friendly where riders of all abilities are welcomed. I have only ever heard great reports about the culture and atmosphere of the Club.

The Wynnum Vikings Football Club was founded in 1971, however Australian Rules Football has had a presence in Wynnum since 1905. The Club has won numerous premierships and provides a positive experience and atmosphere for everyone involved.

Iona has always had students from Wynnum West and the families have made valuable contributions to our community. Wynnum West has a unique identity and this is appreciated by our community.

Next Week we will be introducing Belmont 4153.

Take Care and God Bless

**FR MICHAEL TWIGG O.M.I.
RECTOR**

COMMUNITY NEWS

MOTHERS' HIGH TEA AND SHERMAN LUNCH

Thank you to the parents, friends and Old Boys who have supported these events which are occurring this weekend. Both events are sold out and I sincerely thank the committees which have worked, planned and worked so hard to make these events a success.

In what is a manic month of May, planning is also under way for the Old Boys Day Reunion on Saturday 11 June. We are expecting a large turnout of present and past students to support the football and rugby games during the day. We look forward to celebrating with many Old Boys at the reunion function which will be held in IPAC on Saturday evening.

Mr Damian Courtney
Dean of Community

AROUND THE PARISHES

WORLDWIDE MARRIAGE ENCOUNTER— www.wwme.org.au

A weekend away for married couples in peaceful, picturesque surroundings – away from the distractions of everyday living. Take time out of your busy schedule, to invest in your most precious asset... your marriage!

Date: 3 to 5 June, 2016

Venue: Santa Teresa Spirituality Centre,
Ormiston

For bookings/details contact:
Maria and David Murphy, Phone: 3342 1456
Email: dandmmurphy@optusnet.com.au

ABSENTEE LINE—3893 8889

Parents please note: It is **COLLEGE POLICY** that if your son is to be **ABSENT** from school, or will be **LATE**, you are **required to phone the Absentee Line before 10.00am daily to inform us.**

When doing so, please quote:

- 1) Your Son's Name and Tutor Group / Year Level or Class
- 2) Reason for absence or lateness.

IONA COLLEGE PARENTS & FRIENDS ASSOCIATION PROUDLY PRESENTS

Iona Mothers' High Tea

SUNDAY 15 MAY, 2016—CLOUDLAND

DRESS: COCKTAIL/CORPORATE

STOP THE PRESS—11 TICKETS LEFT!!!

[CLICK HERE TO BOOK YOUR TICKET](#)

IMPORTANT INFORMATION FOR SUNDAY

All guests who purchased tickets through Trybooking should have received an email regarding some important information for the Mothers' High Tea this Sunday. If you were a table captain, or purchased tickets on behalf of other people, it would be greatly appreciated if you could please make the information in the email available to all attendees.

CLOUDLAND DOORS OPEN AT 11.30AM

As we have a full program scheduled for your enjoyment, it would be greatly appreciated if all guests could please be seated by 12.00pm sharp. Cloudland doors open at 11.30am.

DID YOU BOOK A SEAT ON THE BUS?

If you have booked bus tickets, please note that the **bus will depart Iona at 11.20am sharp from the bus turnaround.** Please ensure you arrive a little early as unfortunately the bus cannot wait for late comers. The bus will depart Cloudland for Iona at 4.15pm.

TRAVELLING BY CAR?

If you are travelling by car, Cloudland suggests that you use the Wilson secure car park at 31 Duncan Street, Fortitude Valley. Validate your parking ticket at Cloudland and receive 24 hours parking for \$8.

PREPURCHASE YOUR RAFFLE TICKETS

You don't have to attend the Mothers' High Tea to be in the draw to win a fabulous array of raffle prizes! Raffle tickets will be on sale at the rugby and football canteens this Saturday 14 May.

Cost: \$20 for a book of five tickets or \$5 each.

IONA COLLEGE

OPEN DAY

MONDAY 30 MAY 2016, 1.30-4.00pm

85 North Road, Lindum 4178

For more information call Sharon Young, Registrar on 07 3893 8801 or email enrol@iona.qld.edu.au

LEARNING AND TEACHING

NAPLAN TESTING

This week our students in Years 5, 7 and 9 participated in the NAPLAN testing on Tuesday, Wednesday and Thursday, completing papers focusing on Language Conventions, Writing, Reading and Numeracy. I would like to commend them for their positive and cooperative approach across the three days and I thank all our classroom teachers who encouraged and supported our students and those who kept our weekly program as normal as possible. I would especially like to thank Mrs Donna Elkington, Mr Michael Overland and Mrs Gaynor Begley for their assistance in organising the testing process.

Results from the Literacy and Numeracy test will be made available later in the year. When you do receive these, please remember that they are a 'point in time' test, reflecting how each student performed on a particular day and this could be influenced by a range of factors. Therefore, when viewing your son's results, it is worthwhile to consider them in conjunction with the teacher judgements and feedback you receive on the portal and at parent teacher conferences. It is also worth remembering that NAPLAN testing covers only a small set of skills. There is so much about our students that makes them talented, exceptional, caring, creative and unique. NAPLAN doesn't test all of these things and the data it provides is a mere snapshot of a student's gifts. It is important we view NAPLAN in this light and we judge students, and schools, more holistically than just the tests they have done this week.

Mrs Deanne Johnston
Dean of Learning and Teaching

PUBLIC SPEAKING

ROSTRUM VOICE OF YOUTH 2016

On the 7 and 8 May, the Brisbane Rostrum Voice of Youth heats took place at QUT. A number of students represented Iona proudly, presenting well-prepared, polished speeches. These students were Alexander Austin, Jack Boardman, Jackson Burnett, Finn Buxton, Mitchell Coleborn, Patrick Elkington, Harry Frith, Timothy Little, Talan McAnulty, Jory McAnulty, Alistair McDougall, Dimitri Politis, Samuel Rhodes, Joshua Stevenson, Nicholas Stevenson and Riley White. All students should be very pleased with how they presented on the day. A number of people commented on how strong the Iona competitors were, and much of the feedback received from the adjudicators was extremely positive and encouraging.

This is a knockout competition and only one person is chosen to move on to the next round from each heat of students. There is also a reserve selected from each heat. Congratulations to the two students who were chosen as reserves in their heats: Timothy Little and Dimitri Politis. Congratulations also to the two students who won their heats and were selected to compete on Saturday 14 May at the next round: Jack Boardman and Nicholas Stevenson. Good luck!

Miss Samantha Costa
Public Speaking Coordinator

FAITH AND MISSION

AMORIS LAETITIA

When Francis was elected as the Holy Father, he was aware of the Catholic Church's stern reputation as a rigid teacher of sexual and marital ethics.

Therefore, it comes as no surprise that Pope Francis' papacy has been characterised by his emphasis on mercy and his acknowledgement that the realities of life are complex and individuals sometimes have to make difficult choices based on an informed conscience.

His new document, an apostolic exhortation called *Amoris Laetitia* (The Joy of Love), is an attempt by the Holy Father to address aspects of modern family life. This work is the result of a three-year global consultation, including two lengthy summits in Rome attended by bishops from around the world.

While Francis has not made any significant changes to existing doctrine (including the Church stance on the dignity and rights of the unborn, and the ideal of a mother and a father as the parents in a family unit), the language and tone of the new document are notably more inclusive and remarkably more gentle. The nature of the suggested approach by the Church is also noticeably more contextual regarding circumstances. Critically, the introduction says that priests and bishops must use their judgment in considering individuals' circumstances: indicating that Church teaching should not be applied rigidly, but more pastorally.

Jesuit Father James Martin summarises ten points that can be gained from this encouraging exhortation:

1. *The church needs to understand families and individuals in all their complexity.*
2. *The role of conscience is paramount in moral decision making.*
3. *Divorced and remarried Catholics need to be more fully integrated into the church.*
4. *All members of the family need to be encouraged to live good Christian lives.*
5. *We should no longer talk about people 'living in sin'.*
6. *What might work in one place may not work in another.*
7. *Traditional teachings on marriage are affirmed, but the church should not burden people with unrealistic expectations.*
8. *Children must be educated in sex and sexuality within a moral context.*
9. *Gay men and women should be respected as persons like everyone else.*
10. *All people are welcome in God's house.*

CONCLUSION

Pope Francis maintains that his document *Amoris Laetitia* is certainly not meant to be the conclusion or final word of the debate on marriage, sexuality and ethics: "*The complexity of the issues that arose revealed the need for continued open discussion of a number of doctrinal, moral, spiritual and pastoral questions.*"

Mr Wayne Wilden
Dean of Faith and Mission

DAILY MASS ROSTER				
Mass will be held at 8.00am each morning in the Chapel.				
Families are welcome to attend.				
Friday 13 May	Monday 16 May	Tuesday 17 May	Wednesday 18 May	Thursday 19 May
MacKillop	Anthony	Charlebois	Year 6	Grandin

MUSIC DEPARTMENT

MUSIC SUPPORTERS RAFFLE

Our Music Supporters group do a wonderful job of supporting our department and music students. As well as selling multi draw raffle tickets at each concert, there is always a great prize to win each semester. This semester the large raffle prize is a men's watch which was kindly donated by Emphasis Jewellery Collection at Wynnum Plaza and a lovely Louenhide ladies bag set.

Tickets \$2.00 each or 3 for \$5.00

Tickets can be purchased from either the Music Office under IPAC or at one of our concerts this term. Please find the details attached at the end of the newsletter.

JAZZ BAND 2 STUDENTS

A further reminder to those students in Jazz Band 2. Mr Gary Green has started conducting this band and they will rehearse on Wednesday mornings from 7.30am in the Music classroom under Shorthall. Any student who cannot attend a rehearsal is required to contact Mr Green to advise.

WEEK 6 REHEARSALS

Our Music Department staff and students are always excited to be involved with our college musical and of course this year it is 'Footloose' which is sold out. Due to the production, we will cancel the following rehearsals for next week (Week 6) only – Iona Wind Ensemble, Senior Percussion Ensemble, Ionian Voices and Mass Band.

Mr Peter Francis
Director of Music

RESOURCE CENTRE NEWS

PREMIER'S READING CHALLENGE 2016

During their Library lessons over the next couple of weeks, all students from Years 5 - 7 will be encouraged to join the Premier's Reading Challenge for 2015. They will be given a Reader Record form to complete.

As well as being fun, the challenge aims to boost children's literacy skills by encouraging students to read widely for pleasure and learning, to develop their imagination, and to cultivate a passion for literature.

The reading period for the 2016 Premier's Reading Challenge commences on Monday 16 May and closes Friday 26 August.

This year, the Premier has challenged all state and non-state school students from Years 5 to 9 to read 15 books. Any boys in Year 8 and 9 who would also like to participate in the challenge, can collect a reading record form from the Library circulation desk.

Every student who completes the challenge will receive a Certificate of Achievement signed by the Premier. These will be presented at Assembly later in the year.

For more information about the Premier's Reading Challenge, please visit: <http://education.qld.gov.au/schools/readingchallenge/index.html>

You can play a big part in your children's future by encouraging them to be part of this positive initiative.

I look forward to seeing as many of our Year 5 – 7 students as possible embrace the 2016 Premier's Reading Challenge.

JAPANESE FESTIVAL OF CHILDRENS' DAY

This week, the Resource Centre and Japanese Department have combined to celebrate the Japanese Festival of Childrens' Day. Each day during big lunch, the boys have had the opportunity to construct origami Koinobori (Carp fish) and Kabuto (Samurai hats), a tradition in Japan. A big thank you to a number of the older Japanese students from Years 10, 11 and 12 who volunteered their time to help the younger boys with their creative pursuits.

Mrs Claire Jackson
Teacher Librarian

IN TERM 2 OUR SOCIAL JUSTICE FOCUS IS ROSIES

Rosies continues to be appreciative of the support extended through IONA College. As the cold weather will be with us soon we are seeking donations of products which will help to warm our Friends on the Street. Any supplies of the following would be greatly appreciated.

We are asking our families to please make donations of the following:

- * Milo
- * biscuits
- * Cup a Soup (no cans please)
- * muesli bars
- * UHT milk
- * styrofoam cups
- * sugar
- * coffee
- * serviettes

These items can be handed in through your Primary class, at Tutor Group or to Student Reception. No donation is too small. Thank you!

Mrs Samantha Ryan
Social Justice Coordinator

SCIENCE DEPARTMENT

ENRICHMENT SCIENCE

The Science Enrichment Course is an elective subject offered to students in Years 9 and 10 who have a keen interest and passion towards Science. This week both year levels were involved in activities that enabled students to make real life connections to the applications of science in the world today.

YEAR 9 ASTRONOMY NIGHT

Year 9 students attended the Astronomy Night held on Davine Oval last Thursday evening. Enthusiasts from The Brisbane Astronomical Society generously donated their time and equipment to allow students and their parents to explore the wonders of the night sky. It provided an excellent opportunity to explore planets within the solar system, other star systems within the galaxy and galaxies thousands of light years away. It gave the boys an enormous appreciation of the vast enormity of the universe and to view first hand images of events such as exploding star system that have taken tens of thousands of years to travel to Earth.

YEAR 10 ENRICHMENT SCIENCE

On Friday 6 May, the Year 10 Enrichment Science students had the opportunity to travel to QUT where they took part in a workshop based on Mechatronics. The students have been studying Biomedical Science and this workshop enabled them to further their knowledge in this field by asking students to create a bionic prosthetic arm. The design required students to estimate and calculate the weight that the prosthetic arm could lift. From this the arm was constructed, sections of the arm were adjusted to further investigate the impact on the arm's lifting capability. Overall it was a very productive and enjoyable day that reinforced the importance of Biomedical science in today's society.

Mr Brian Robbins
Head of Department—Science

ART NEWS

LANTERN MAKING WORKSHOPS

The 2016 RE/MAX Advantage Illuminations Festival will be held on Saturday 18 June, 2016 on the Wynnum and Manly foreshore. As part of this community event Iona College students in Years 5, 6, 7, and 8 have the opportunity to participate in Lantern Making workshops where they will create lanterns which will be part of the festival parade.

Workshop dates are Wednesday 8 June and Thursday 9 June from 3.15pm – 4.30pm in the Fr Daly Art Department. Students who participate in the workshop must also commit to participating in the festival parade with their lantern.

Please see Mrs Jacquie Jones in the Art Department for a permission note to attend a workshop afternoon. For further information, you can visit the festival website below. <http://www.illuminationsfestival.com.au/>

GUEST ARTIST SAMUEL TUPOU

This year we welcome Mr Samuel Tupou as our guest artist. Tupou is a screen printing artist who is based here in Brisbane where he runs a screen printing business in Fortitude Valley called "Polygone Cowboy". <http://polygonecowboy.com/>

He is currently exhibiting work at Pine Rivers Gallery in Strathpine with a show entitled "DUPLIKATOR". This new series of screen-printed acrylic works suggests how imagery and patterns from our past can morph and adapt as they mesh with present day realities and future aspirations. Pop-art patterning shapes the visual language that Tupou distinctly claims, but the work's cultural, social and scientific references give his vision an international platform enhanced by a Pacific twist. <https://www.moretonbay.qld.gov.au/general.aspx?id=4294969896>

Tupou makes decorative graphic works, screen printed on various materials including perspex. His images are influenced by his Tongan cultural inheritance with imagery from pop art and popular culture. Our elective art students will have the opportunity to participate in workshops with the artist later this term.

Mrs Luisita Pelecanos
Head of Department - Visual Art

AEROSPACE STUDIES

IN SAFE SKIES A VISIT TO RAAF AMBERLEY

Last week, the Year 12 Aerospace Studies class had the opportunity to visit the Royal Australian Air Force (RAAF) base at Amberley and the experience was nothing short of incredible.

The group of twenty students were lucky to be involved in a number of activities encompassing many different sections of the RAAF, thanks to Wing Commander Adam Spinks (Iona Old Boy Class of 93) who hosted us throughout the day. The Iona boys were able to take part in flying the FA-18 Super Hornet 360-degree flight simulator, as well as an extensive walkthrough of the massive C-17 Globemaster tactical transport aircraft with an informative tour of the cockpit. The students were also fortunate to visit 65 Squadron and witness the display of Explosive Ordnance Demolition and Improvised Explosive Device capability and equipment. A number of boys in the class had the opportunity to experience driving the remote robotic equipment and trying on the "bomb" suit.

Wing Commander Spinks also led a most interesting presentation on the many and different military career pathways on offer in the Air Force. We are certainly very grateful to him for sharing his expertise, experience and wisdom.

In a matter of weeks, the Wing Commander will be taking up a new post in Washington (USA) and, in wishing him every success for his new tour of duty, we extend our sincere thanks to him, and his colleagues, for the unforgettable opportunities we have experienced in visiting RAAF Amberley over the past three years. It was a pleasure to present Wing Commander Spinks with a commemorative Iona College plaque in recognition of his contribution to Iona's Aviation Program and we wish him every success for the future.

Tasman Barr and Teal Dovey
Year 12 Aerospace Studies

Mr Chris Howarth
Senior Aerospace Studies Teacher

JAPANESE DEPARTMENT

JAPANESE HOMESTAY FAMILIES REQUIRED

Every year, approximately twenty students from our brother school, Kamakura Gakuen, come to the college and immerse themselves in the life of an Ionian.

A major part of their immersion experience is the home stay. The opportunity to talk with host family members, share Australian meals and participate in everyday family activities are unique and valuable, and on most occasions, the homestay is the highlight of their visit without a doubt.

I am seeking twenty-three families that would be interested in hosting a student for the duration of their visit.

The program is open to Japanese studying students from Years 7-12, with preference going to our older students, so that they are able to converse in Japanese as a means of improving their own language skills.

The dates are 24 July– 5 August 2016.

The expectation is that you go about your day as you normally would but just cater for one more person in terms of providing a bed to sleep in and meals to prepare. The students would come to school with their host buddy and return home together also.

This really is a great experience for all involved and many lifelong friendships can be made from participating in an exchange program.

I am aware that many students have hosted a student in previous years, and I thank you for your generosity and understand that it may not suit again this year.

If you can assist and would like to be a part of the program, or have any further questions, please contact Mr Brendan Merrotsy via email merrotsyb@iona.qld.edu.au or via your son.

Thank you in advance for assisting the Japanese program at Iona College.

Mr Brendan Merrotsy
Head of Department—Japanese

ENGLISH TUTORING

TERM 2,

WEEKS 3 - 9

Where: St Eugene de Mazenod Resource Centre

When: Tuesday and Thursday, 3.15pm – 4.30pm

Students from Years 7-12 are welcome to come to English tutoring to develop their English skills, for help with homework and assessment tasks or to work independently on homework and assessment tasks knowing that support is there if required.

Tutoring sessions are staffed by English teachers.

BRISBANE NATIONAL CAREER AND EMPLOYMENT EXPO

This is Queensland's largest careers, skills, employment and education event. It will be held on Friday 27 and Saturday 28 May, 2016 at the Brisbane Convention and Exhibition Centre. The expo will include free career development workshops, a career advice centre and representatives from universities, TAFE Queensland, private providers, various industries and Defence.

Keep up-to-date at <http://careersemploymentexpo.com.au/brisbane/>.

TWO MEDICINE INFORMATION EVENINGS

Pathways to Medicine is a program specifically developed for senior students and their parents which explains the preparation, application and decision making strategies required to secure a place in Undergraduate/Postgraduate Medicine in Australia.

Where: All Hallows' School Claver Theatre 547 Ann Street Brisbane

Parking: Dodge Lane When: Monday 16 May Time: 6.00pm -7.00pm

RSVP: 16 May 2016 Register:

Please click here - <http://pathways2medicine2016.eventbrite.com.au>

Griffith University: Pathways to Medicine information evenings -

Find out about how to gain entry to the Griffith medical course at these evenings to be held on 17 May 2016 at the Gold Coast campus and on 18 May 2016 at the South Bank campus. For details and registration go to <https://www.griffith.edu.au/events/information-evenings>

ADF INFORMATION SESSION

Wednesday 18 May at 6.00pm - Defence Careers Information Session at Wynnum Manly Leagues Club, Manly. Walk in's welcome. To book your spot, email your details to CPTQLD@dfrc.com.au

For details about these events, visit <https://www.facebook.com/DefenceJobsAustralia/events/>.

UMAT REMINDERS

Students applying for medicine and other health science courses may be required to sit for the Undergraduate Medicine and Health Sciences Admission Test (UMAT) as part of the application process. You register to sit for the test on the UMAT website at <https://umat.acer.edu.au/>. On time registrations close at 5.00pm on 3 June 2016. Late registrations are accepted up to 5.00pm on 17 June 2016 (a late fee \$65 applies). The test date is 27 July 2016. Results will be available in late September 2016. Some important points are:

- ♦ It is essential that you read the entire UMAT 2016 Information Booklet and complete the UMAT Registration Tutorial before you register for UMAT 2016. Both resources are available on the UMAT website.
- ♦ UMAT scores can be used for admission only in the year following the test (do not register for UMAT 2016 unless you are planning to apply for a course commencing in 2017)
- ♦ You can only register to sit for UMAT 2016 if you have already completed or plan to complete Year 12 in 2016 (Year 11 students or students in the first year of a two-year Year 12 cannot sit for UMAT 2016).

JMC ACADEMY OPEN DAY/INFORMATION SESSION

JMC Academy is a private college that offers diploma and degree courses in Animation, Audio Engineering and Sound Production, Contemporary Music and Performance, Digital Design, Entertainment Business Management, Film and Television Production, Game Development and Song writing. In Queensland, JMC is located in South Brisbane. It will hold the following events at its Brisbane campus in May 2016:

- Saturday 21 May – Open Day from 10.30am – 2.30pm. To download the open day program and register to attend, visit <http://www.jmccademy.edu.au/> and click on 'Events'.
- Thursday 24 May – Information Session from 6pm – 7pm. Register to attend at <http://www.jmccademy.edu.au/events/information-sessions/jmc-academy-information-sessions>.

SCHOOL HOLIDAY SCIENCE ACTIVITIES AT UQ

EXPERIENCE SCIENCE

14, 15, 19, 20 July

Expressions of interest are open for [Experience Science](#) in 2016. A free event, Experience Science provides students in Years 10 - 12 the opportunity to discover what studying science is like at UQ.

SPARK ENGINEERING CAMP

2 - 7 July

Do you know students in Years 10 – 12 who are interested in engineering? The Youth Without Borders Spark Engineering Camp provides an opportunity for students to experience engineering through lectures, hands-on activities and inspiring talks.

The Brisbane Camp will be held 2 – 7 July during the school holidays and applications close 27 May, 2016. For eligibility requirements, application forms and more information, visit [Spark Engineering Camp](#).

STEMed - A one day festival of STEM FOR THE FUTURE

29 May

We will look at the who, what, when and how of STEM skills, education and career development in this changing landscape. This one-day festival will be held at the Royal International Convention Centre (At the RNA Showgrounds). [Find out more](#)

WANT TO WORK WITH ANIMALS? - 6 WAYS TO GET A JOB

Most animal jobs are competitive. To gain entry to these occupations, you need to have a plan. A recent article in the Australian edition of 'The Guardian' offers six strategies to help you gain a job in this field. The following is a summary of the strategies.

Volunteer – Begin by volunteering at a local kennel, animal charity (e.g. RSPCA, Animal Rescue Qld.) or zoo/animal attraction (e.g. Australia Zoo, Sea World, Currumbin Wildlife Sanctuary). This will give you an understanding of the day-to-day tasks of the work. Volunteering is also a good way of showing that you are committed and willing to go the extra mile.

Make the most of your volunteering – Document it. Make opportunities to learn new skills that could help you in the future. Talk to people working in the field to find out how they got their jobs and about the options out there.

Get qualified - Find out the qualifications, work experience and other things that employers, education and training providers require.

Don't limit yourself - Keep an open mind. You may find something en route to your original goal that you had never thought of and love.

Don't forget your people skills - Any employment within the animal-based industry will require clear communication skills and the ability to work in a team.

Persevere - You need perseverance if you really want to work in a specific job. It may take longer than you want, but the job satisfaction and rewards are worth it.

You can read the full article at http://www.theguardian.com/careers/2015/nov/23/want-to-work-with-animals-six-ways-to-get-a-job-on-the-wild-side?CMP=new_1194&CMP.

ADDITIONAL ENTRY REQUIREMENT COURSES AT QUT

Most courses at QUT do not have prerequisites; they have assumed knowledge. The exceptions to this are the B Education courses (which have senior subject prerequisites in English, Maths and Science, depending on the course) and specific courses in the creative industries area. The following are QUT creative industry courses that have additional entry requirements:

- B Design (Honours) (Fashion)
- B Fine Arts (Acting)
- B Fine Arts (Dance Performance)
- B Fine Arts (Dance)
- B Fine Arts (Visual Arts)
- B Music
- B Business/B Fine Arts (Visual Arts).

Depending on the course, the additional entry requirement may be a portfolio, audition, an interview, supporting documentation or a combination of these. Do a course search for the above courses on the QUT homepage at <https://www.qut.edu.au/> to learn more about the additional requirements. In addition to applying to QTAC by 30 September, 2016 (earlybird date) for entry to these courses, you are also required to apply online to QUT by 9 September, 2016. Late applications are not accepted.

TASTE IS COMING

The Agricultural Skills and Technology Experience (TASTE) is a four-day program for high school students aged 15 and over who are considering a career in agriculture, horticulture, conservation and/or land management. The program will be run in the June/July and September school holidays at the Longreach Pastoral College and the Emerald Agricultural College. The June/July 2016 program dates are:

26 – 30 June - Longreach Pastoral College

http://ipc.edu.au/Learn_with_us/Pages/TASTE.aspx

3 – 7 July - Emerald Agricultural College

http://eac.edu.au/Learn_with_us/Pages/TASTE.aspx

Scholarships are available to help cover the cost of the program. See the latest news at <http://www.qatc.edu.au/Pages/default.aspx>.

Friday	20 May	Group 3: Kylie Eastham, Mandy Bowden, Megan Menner, Vicky Westcott, Rachel Pennington, Natalie O'Grady, Sue Stevens, Bridget Wright.	Susan Berry, Regina Dinon, Martha Barrera, Marissa Ehmer.

IONA COLLEGE SPORTS INFORMATION

PLAY YOUR ROLE 2016

Over 2000 players from St Laurences and Iona played sport last weekend. Add in coaches / managers, referees / umpires, catering support groups, parents, supporters, sports departments and ground staff → It is hugely connecting and rewarding when played in the right spirit. Within the overall results of 33 wins, 9 draws and 33 losses in the 36 football, 32 rugby and 7 chess games played, there is a reflection of beneficial, equitable competition as it "connects" many within both Colleges. There was much to enjoy. Highlights included:

- ◆ The 1st XV and 1st XI gaining wins and the 1st IV chess doing well against competent opposition.
- ◆ The overall performance of our football teams. St Laurences have been the No. 1 AIC football college in recent years and we performed excellently in "A" games as well as other grades. Watch out - "Iona United" is now a football force.
- ◆ The atmosphere at chess was intellectually absorbing and our teams, driven by keen staff, are improving. Intermediate grade wins were solid.
- ◆ Excellent facilities and catering at our football, rugby and chess venues. Visiting communities are appreciating the Iona rounds.
- ◆ The camaraderie displayed by the 15A St Laurences and Iona rugby players as all gathered together to support an injured St Laurences player was poignant and sincere.

This week sees the initial stages of the Iona tennis championships, golf, winter sport, water polo as well as pre season cross country and open basketball / tennis squads in action.

Please be mindful that Iona plays 7 different schools between Ipswich and Shorncliff this weekend - Play your role by knowing when and where you are playing.

1st XV and 1st XI parents are requested to bring a plate of food.

DATE CLAIMERS

Friday 13 May	All Schools water polo at All Hallows
Saturday 14 May	Rugby / football round 3 vs St Edmunds
Sunday 15 May	Iona Tennis Championships (Years 5 - 8)
