## Sport #iRESPECT 2017

The sport of cross country is best suited to the fit and determined. It is not easy. Last week, our Years 5 – 6 team won its third consecutive AIC aggregate championship while the Years 7 – Open team achieved 2<sup>nd</sup> place after winning their aggregate championship in 2015 and 2016. Our consistent and successful performance is very much linked to a solid team culture that has been developed over a long period of time – all involved deserve congratulations.

Our round against St Peters saw our basketball teams dominate and our tennis teams persist against the strongest AIC tennis college – tennis wins were rare (4 from 17 matches) but the St Peters standard and structures are at the level to which we need to aspire.

The sport department will enjoy the Ekka break and will then reassemble for the completion of the tennis and basketball seasons. Track and field and water polo will prepare itself for Term 4 and 2018 sport will start its organisation and planning that is crucial to future Iona sport.

### Sports Photos

## Cross Country

### AIC Cross Country

Congratulations to each and every cross country athlete that played a part in the 2017 season. It was an awesome effort from the 5/6 squad in securing victory for the 3rd year in a row. In the senior division, whilst we all felt we had the ability to go one better, 2<sup>nd</sup> place is still a massive achievement.

Many boys came into the race carrying injuries and the flu and as a result, weren't able to run the times they were expecting on race day. Regardless, there was not a runner last Wednesday that did not compete to the best of his ability. The culture of cross country at Iona continues to flourish and on behalf of all the coaches, thanks again boys for the massive contribution you have made throughout the season.
