## ISPORT 1958 – 2018: Standards

Over the years, the Iona College Sports Department has received much communication – some simple, some emotive and some complex. I clearly remember one parent who wandered up to me after a rugby season and said, “Thanks for looking after my boy”. It was a long time ago and that short sentence stayed with me as I watched the player’s progression through professional sport. It might be right or fitting or Catholic for parents and players to go out of their way over the final weeks of summer sport to say “thanks” for the generosity of those who look after the boys.

AIC swimming came and went but the effort has been long. Swimming is a sport that put Iona on the sporting map in Queensland and it has a rich history including national representatives, championship teams, chlorinated characters and big improvers. Our 12 Years – Open team finished 3<sup>rd</sup>, the 5/6 team 2<sup>nd</sup> and our 14 Years team won their age group.

Our 1<sup>st</sup> XI cricket and 1<sup>st</sup> VI volleyball sit in premiership contention in their respective competitions with 2 rounds to play. Our Black sailing team won Term 1 team racing and our fleet racers were prominent.

This is a strong start to 2018, but the hard work will need to continue as opposing colleges will be seeking the levels of success that we desire.
