iSPORT 1958 – 2018: Standards

The annual summer round versus St Patrick’s in volleyball and cricket involved the 2 “bayside” colleges. We are indeed thankful to St Patrick’s ground staff at Curlew Park for working through the rain to prepare the wicket for the 1st XI game. The easy way out for St Patrick’s was to search for a washout, a result that would have seen their college win the AIC 1st XI premiership outright. Nevertheless, the rain-affected game was played and won by Iona – meaning that St Patrick’s, Ashgrove, Villanova and Iona all head into the final week with one loss each. The hard work at Curlew Park has set an exciting weekend of cricket.

Our volleyball results last weekend were strong, positioning Iona in a commanding position for the AIC volleyball aggregate, a shield that we have won 9 times in the last 12 years. In the 1st VI competition, Iona and St Laurence’s share the lead heading into the final round – the match this weekend will be spectacular.

Our primary AFL teams shared the matches with Villanova and the results see our 6B team qualify for this weekend’s grand final.

This week sees our Year 8 rugby league team compete in the Renouf Shield at Mitchelton JRL, a full round of cricket and volleyball versus St Laurence’s and the State Titles for Pacer Fleet racing.

Next week sees football and rugby trials begin, Year 7 rugby league training starts and chess organisation set up for the winter season. Cross country training also starts to move.

Just remember to say thanks to all those who have helped make Iona sport happen throughout the 2018 summer.

Mouthguards

Using poor-fitting 'boil-and-bite' mouthguards for children can be more dangerous than not having one at all. Mouthguards custom fitted by dental professionals are:

- safer and more comfortable than "boil and bite" mouthguards
- 60 times safer than not wearing a mouthguard
- cheaper than a dental injury
- can be claimed on private health insurance if you have extras cover
- help absorb and spread the impact of a blow to the face, helping avoid jaw fractures, facial lacerations, concussions and base of skull injuries
- protect your child's baby teeth, which are very important in saving space for the adult teeth and help guide them into position.

The Australian Dental Association recommends that children and teenagers should wear a custom-fitted mouthguard when playing the following sports:

- Rugby League
- Rugby Union
- AFL
- Soccer
- Water Polo

If your son plays any of the sports listed above, please consider getting them a custom fitted mouthguard to prevent dental and facial injuries.

Volleyball Canteen Help

The Years 10, 11 and Open Iona Volleyball teams are playing at Iona this Saturday. We require parents to assist in the canteen throughout the day. Please use the link below to sign up for a timeslot if you are able to assist.

[Volleyball Canteen sign on link](#)

Return of Volleyball Playing Shirts

All volleyball players **must bring** either their black Iona training shirt or college polo to change into after the game on Saturday as all playing shirts must be handed in to coaches straight after the game.

If boys are not playing on Saturday, they need to return their playing shirt to Ms Mugridge at Student Reception before Saturday.
