## iSPORT 1958 – 2018: Standards

Our sports program moved into cross country, basketball, tennis as well as preparation for Confraternity Shield and the national team racing sailing. Track and field will also begin its initial organisation. Players, coaches, managers and coordinators will prepare our athletes for enjoyable and competitive sport.

Unfortunately, not all trialists will gain selection in this season of sport as we are limited by competition structures and match facilities. It is not ideal but all involved need to move forward and endeavour to overcome any disappointment.
