iSPORT 1958 – 2018: Standards

Iona sport heads into an exciting period over the vacation with our teams playing across Queensland and Victoria. It will be a test of ability and character as opponents will be of a high standard and well prepared.

Our open rugby league team will head north to Charters Towers for The Confraternity Shield, joining 48 other colleges for a wonderful week of league. Our sailing team heads to Blairgowrie, Victoria for the National Team Racing Championships followed by our open basketball team playing at The Gold Coast Invitational. The senior cross country team also heads to the Gold Coast, while our junior boys will train at Iona.

Training is also scheduled during the final week of holidays for basketball and a tennis clinic is available at Wynnum Tennis Centre.

The final Saturday of the vacation sees a basketball and tennis trial against St Patrick's as well as a cross country trial at Limestone Park, Ipswich.

AFL knockout games resume early next term, as do interhouse track and field meets.

Last week saw basketball trials, cross country training and tennis training happening. Our 15 years football team lost an enthralling Bill Turner Cup statewide knockout game 0 – 1 against Cavendish Road State High. It was a strong performance against quality opposition.

It has been a wonderful term of sport, full of character – it will continue!

Football

Under 15 Football - Bill Turner Cup, Brisbane South Semi Final

Cavendish Road State High School 1, Iona College 0.

On Thursday 21 June, the Under 15 boys football team travelled to Cavendish Road High for the semi-final of the Brisbane South section of the Bill Turner Cup.

We knew this would be a big challenge going up against a football school of excellence program containing 4 Brisbane Roar academy players. The boys deserve great credit for their performance despite going down 0 - 1, as they matched their opponents and had some great chances to get something more out of the game. The attitude and application of the team was outstanding and the boys will have learnt a great deal from the experience.

High Performance
