iSPORT 1958 – 2018: Standards

There was a sporting moment last week at the Tribal Sport AFLQS Cup qualifying games. As the Iona Years 7 – 9 team was playing strongly against Ormeau Woods State High, their full back urged his team to keep trying hard despite the scoreline and at the end of the game, he thanked the opposition coaches and umpires. At the end of the day, the same player was seen sweeping the sheds with Dads from Ormeau. Sometimes, it is certain actions and moments that shape a good day of sport – we all should be willing to sweep the sheds, we all should be willing to say thanks.

Last week saw activity in track and field, cross country, tennis, basketball, swimming and AFL. We hosted The Scots College from Sydney as well as a celebration dinner for winter 1sts teams. This week, it all continues with the addition of golf, touch, volleyball and mountain biking. Big events ahead include the Mare de Dieu 1sts games vs Ashgrove, Open AFL vs Palm Beach Currumbin State High, Lytton District Track and Field and the AIC Cross Country Championships. We will not win every event, game or race – but we will willingly compete to the best of our ability.

And on another note, a young Year 5 Ambrose Treacy College basketball player wandered past last Friday and politely said “You have a big, beautiful school.” He was only a little fella, but tall enough to appreciate the afternoon. Amidst all the willing endeavour, it was a moment of the week.

Scots College Visit

Friday 27/7, Iona College hosted The Scots College of Sydney. Our youngest Ionians played the men from down South in games of Football and Rugby with the entire Years 5 and 6 cohort as spectators. Our boys demonstrated sportsmanship, respect and plenty of talent in very hard fought matches. Despite finishing very strongly, our rugby boys couldn't make up for a slow start and were beaten 39 – 24. Our football team caught the opposition unaware and through speed and skill were able to bring home an 8-0 victory. We thank The Scots College for including us on their trip and look forward to testing ourselves again next year. A massive thank you to all of the staff who made the day such a success.
