ISPORT 1958 – 2018: Standards

The week was highlighted by the farewell to our 2018 Year 12 sportsmen who contributed to one of the strongest years in our 60 year history. There were outstanding performances across a range of sports and their efforts will long be remembered. The college hopes that they will continue their passion for sport.

Despite heading towards the end of 2018, there was sport a plenty. Our sailors ended their short spring season with strong fleet racing and an unfortunate team racing cancellation due to high winds. Our Black team racing fleet won the Gold division and Jordan Barney won the RQYS fleet racing. All looks good for the 2019 season with Iona currently ranked as the number 1 sailing college in Queensland.

In other sport, open football defeated Cavendish Road SHS, our open volleyballers defeated Villanova while the open cricket squad lost to Villanova. The volleyball trial across all grades against Villanova saw next year's teams secure valuable preparation.

Amidst internal trials, more players are needed for Open, Year 10 and Year 9 cricket as well as Year 7 AFL. It is hoped that early next year will see renewed interest at those age levels in those sports. More open swimmers are also needed. The success of Iona sport has always been involvement and the willingness to represent the college.

As 2019 approaches, the college is again endeavouring to secure cricket managers and coaches. Those willing to assist are requested to contact:

Football

The Football 1st squad played a friendly with Cavendish Road High School on Wednesday 14 November. This gave 17 boys an early opportunity to stake their claim for a first team spot ready for the Term 2 AIC season. An entertaining game saw Iona run out 2-1 winners with goals coming from Daniel Leckie and Luke Furjes. The boys can take great encouragement from this performance as they look to build on this going into 2019.

Results

Last weekend was the final week of sailing for the season and our Iona boys have done us proud once again.

Fleet

The Fleet racing boys braved the winds in the morning and Iona dominated with Jordan Barney placing first overall, followed by Harry Wieland in second. This year, Harry was presented with the Spirit of Sailing Award for his commitment to sailing and his continuous positivity.

Final standings below.

- Jordan Barney 1st
- Harry Wieland 2nd
- Liam Millar 5th
- Flynn Strauss 14th
- Oliver Muir 16th
- Callum Jones 17th
- Jacob Hardcastle 24th
- Rory Meehan 30th

Teams

Teams racing was cancelled in the afternoon due to strong winds. This season the boys have honed their skills and this is evident in their success. In Teams racing, the Black team took out first place, our White team secured 4th and the Greys followed close behind in 5th. An outstanding result for all the boys involved in the sailing program.

A special thanks to all the coaches, parents and volunteers that have been involved throughout the season.
