## iSPORT 1958 – 2019: Play Your Role

### Welcome to 2019 Iona College Sport

Within our community, all will be playing their role to ensure that our sport is organised, competitive and enjoyable. It is our initial college sporting goal “to get moving” and “to do what has to be done.” In addition to performing to our potential at state and national championships, we target top 3 in AIC aggregates and 1sts premierships. It is not always achieved but as long as we are humble and generous to others and strict and demanding to ourselves – we play our role.

Congratulations to all volleyballers, cricketers, athletes and swimmers who competed over the vacation. The National Div 1 Championship for our Year 11 volleyball team has set a very high standard to follow in 2019.

Our year begins this weekend with swim trials on Friday afternoon, AFL/volleyball/cricket trials against Ashgrove on Saturday and sailing organisation on Sunday.

PLEASE USE THE CROSSING IN NORTH ROAD WHEN COMMUTING TO ST EUGENE’S PARK. It is a wonderful road safety initiative by and for our community.

### Communication

The Newsletter, Twitter and the Daily Bulletin (for students) are the main forms of sporting communication. Please read them.

## Volleyball

### Australian Schools Volleyball Cup

In December of 2018, Iona College sent 2 teams down to the Australian Volleyball Schools Cup in Melbourne. This prestigious competition features the best volleyballers in the country and is a fantastic experience for our boys as they prepare for the AIC season in 2019. We entered teams into Year 11 Division 1 and Year 10 Division 1.

Our Year 11 Boys recovered after a tough start to progress through to the semifinals. Coming up against the Eltham College team (Victoria) who had beaten them in the Group stage provided the boys with all the motivation they required to put in their best performance of the week and come through 2-0 winners. The Gold Medal match against a very strong Upwey SHS (Victoria) gave the boys an opportunity to experience playing in a national final, with a raucous group of supporters all cheering for

their local team. Despite dropping the first set, our boys battled incredibly hard and demonstrated the bond they had developed over the week to come out victorious 2-1 and win our second consecutive Gold Medal at National Schools Cup.

Our Year 10 Division 1 boys had a tremendous learning experience, one that will put them in good shape for the AIC season this year and future campaigns at National Championships. The boys were in contention in every single match they played, with experience playing in big moments impacting our results. Some of the exceptionally close losses and high standard of opposition will only make these boys better moving forward. The boys should be congratulated on their 8<sup>th</sup> place and I know they look forward to having an opportunity to improve that in future years.

Our Volleyball program has gone from strength to strength in the last few years based on three key factors. Firstly, the support given by our wonderful parent group, picking up, dropping off and supporting the program in providing the boys opportunities to experience National Championships. Our players train incredibly hard, for long periods of time throughout the year. The effort they put in is showing at a state and national level. Finally, the dedication and quality of our coaching staff to provide direction for the program has been integral to our success. A massive thank you to Karl Robinson, Lachlan Mann and Todd Kropp for giving up time with their families to work with the boys and for their ongoing support of Iona Volleyball.

2019 sees Iona Volleyball in the unique position to defend the titles that have been earned through hard work and dedication. Our boys are doing everything they can to give themselves the best opportunity to repeat the performances of last year in winning the AIC Aggregate Trophy, 8 Aggregate premierships,

including the First VI Premiership and increased participation rates and involvement across the College. Best of luck to all involved in 2019.
