## iSPORT 1958 – 2019: Play Your Role

“Play Your Role” in sport can be achieved by simple actions:

- Informing the coach of availability for training and games
- Listening
- Being punctual
- Wearing the correct Iona gear
- Playing hard but fair while respecting all involved
- Helping in a canteen
- Being an official
- Supporting positively
- Using a garbage bin
- Saying thank you
- And reflecting on whether you are playing your role.

Most played their role last weekend amidst 74 games and running cross country. There were improved performances in chess, strong football results and close rugby games. Padua were challenging and games were played with great spirit.

However, we can always do better and we should continually search for required effort. Round 2 of AIC winter sport and the AIC Cross Country Championship on Monday provide the opportunities for determined effort.

Best of luck to all involved in a round which is split across many venues.
