New School Service for Iona College: 5078PM

In collaboration with TransLink, Transdev is continually looking at ways to improve school bus services. Due to high patronage numbers on the 5076PM and 5077PM services, a new service for Iona College students has been created to transport students through Wynnum and Manly. The new 5078PM bus will act as a sweeper service with minor variations to the existing services to ease passenger numbers. This service will commence at the beginning of Term 3, on July 15, 2019.

Please see the following table for details regarding direction of travel.

Direction		Street		Time		Remarks
1		Stop	Iona College bus bay	15:10 15:20
