iSPORT 1958 – 2019: Play Your Role

Iona College and Marist College Ashgrove provided a final round of AIC sport abundant in respectful rivalry. Games were emotive contests and all involved should be proud of their performances. While both colleges have the sporting strength to work towards winning games, premierships and AIC aggregates, it is being part of the contest that reaps the benefit of involvement.

Amidst the results, the following are pertinent:

- 36 football, 30 rugby union and 7 chess teams competed
- AIC aggregates: football -2nd, rugby union – 2nd chess 7th

Premierships won:

Football – 10C, 9A

Rugby – 7A, 7B, 8A, 8B, 8C, 9A, 9B, 9C

Undefeated Teams :

Football – 7D, 10E

Rugby – 6B

Such a large program is dependent on many: the Sport Department, coordinators, coaches, managers, umpires, the Sport Supporters Group, ground staff, scorers, medical personnel, parents, supporters and players. All involved deserve thanks for assisting our teams. Special thanks to the Old Boy coaches who play an important role in Iona College sport.

Cross country runners recently competed in the State Schools Relay Championships. Our tennis season is underway, as is mountain biking and track and field training. Basketball and rugby league begin their trial processes, with selection based on performance.

All the boys performed very well on what are, in places, very steep, technical, loose and demanding trails - generally considered the hardest Enduro trails in Qld.

The three-day clinic will be designed and run by Ian Malpass. The aims of the clinic include: getting to know your team mates better and building a "TEAM", understanding match play, developing skills (e.g. service, forehand, backhand, etc.), participating in intensive training activities in preparation for competition and having lots of fun.
