## iSPORT 1958 – 2019: Play Your Role

The AIC spring season came to its conclusion last weekend with competitive games against Marist College Ashgrove. Iona College won the first ever rugby league aggregate as well as premierships in Year 8 and Year 9 rugby league, 9A and 7A tennis and 10A, 8B and 6A basketball. Many thanks to all coordinators, coaches, umpires, scorers, spectators, players and those who assisted with canteens and catering. It was large and enjoyable.

Sailing, track and field, touch, golf, and water polo will continue in Term 4. The trial processes for 2020 sport will also begin for swimming, cricket, volleyball, AFL as well as strength and conditioning for winter teams. It is important to keep our boys busy doing meaningful and enjoyable physical activity.

Iona College again hosted high standard women's cricket with Queensland playing Tasmania on Tuesday. WA will play Tasmania on Thursday on Davine Oval.

A reminder that the Iona Sailing Fundraising Ball is on Saturday 21 September at Royal Qld Yacht Squadron.

Week 1 – Year 11s will be on retreat so open to all Year 10s.

Week 2 – Year 10s are on camp so open to all Year 11s.

Week 3 – Selected players from the trials in Weeks 1 and 2 will be emailed to play in a practice game.

## Mere de Dieu Cup (Mother of God Cup)

This trophy for 1sts games between Marist College Ashgrove and Iona College saw Ashgrove win in 2017 and Iona in 2018. It is keenly contested and 2019 results thus far:

Iona wins – AFL, volleyball, tennis, basketball

Ashgrove wins – cricket, chess, rugby union, football, rugby league

The current 5 – 4 advantage to Ashgrove will see them win in 2019 as even a water polo win to Iona would not be enough to retain the trophy.

In the event of a tie, the results of Open swimming, cross country and track and field come into calculation and Ashgrove had superior results in those events.

The closeness of the trophy in recent years has created respect within two Colleges whose devotion to Mary and concern for those in need become the common connection.
