iSPORT 1958 – 2019: Play Your Role

Track and field, water polo and golf were all competitive over the past week. 2020 Years 5 and 7 summer trials were also begun in order to initially organise our teams for next year. As one year draws to a close, another begins.

At AIC track and field, our primary team finished runners up to Padua college while the senior team achieved 5th, a mere five points behind 3rd place. The Year 6 age division was shared with Padua College while our 12 years and 14 years teams won their age trophies. While disappointing in some areas of performance, the majority of our team did their best against strong opposition.

At the AIC water polo tournament last Sunday, our open team lost the grand final while our Years 7/8 and 9/10 teams enjoyed their participation.

Our golf team achieved 3rd in AIC nett and 4th in the AIC gross competitions.

This week sees 2020 trials begin in year level sport for our cricket, volleyball and some AFL teams. Our swimmers will continue to train, as will the Primary touch teams.

Sailing

Sunday saw the beginning of racing for term 4 with fair winds and some excellent racing from all involved. With our new skippers learning some great skills while racing in the morning from coaches Trevor Koreman and Mr Caine, they are fast on their way to becoming some of our top skippers. In the afternoon, we saw some of our more experienced skippers get paired with our senior sailors and achieve some very impressive results in the final races of the day.
