iRESPECT – ALWAYS LEARNING

Iona College wishes to congratulate and thank all involved in summer sport. Despite disruptions, there was large participation in swimming, volleyball, cricket, AFL and sailing. Iona teams displayed high levels of spirit and effort which led to enjoyable outcomes.

All players, coaches, managers, officials, scorers, parents and spectators were important to our involvement and endeavours. Our Sport Supporters, grounds staff and medical support were also wonderful in providing for our large community. We all need to be thankful for the opportunity to be involved – “just playing, in hindsight, was special”.

With Iona College sport currently “on hold”, it is important for all to stay active at home. ‘CompetetoCreate’ suggests eat well, sleep and hydrate well, move well, think well and laugh well. The possible shift to learning from home will require individuals and families to try to stay active. It can be done with self motivation as well as following the Iona College Sport Twitter feed (@SportIona) which will promote active living.

Directive from AIC Management Committee

AIC has decided to cancel all sport and activities effective immediately. This includes all training, trial games and fixtures for the last round of Term 1 and for all of Term 2. The chess competition is included. A decision has not been made about Term 3 sport, this depends on advice available from relevant authorities closer to the start of that term. Whilst we understand the disappointment for so many of our young people, we appreciate your support at this time.

Directive from Qld Government: Rep School Sport

As our response to COVID-19 is all about containment, a decision has been made to cancel:

- The representative school sport program which includes district, regional, state, national, interstate and international competitions.
- Queensland School Sport team participation in any national, interstate or international events organised across Australia or internationally.

This decision is effective as of 17 March 2020 and will continue until further advice.

Football

Announcement from Brisbane Roar

The global outbreak of the COVID-19 is causing heightened anxiety and concerns across the community. Here at Brisbane Roar, we take the health and safety of our children, staff, partners and communities as a matter of paramount importance. We have therefore taken the step of postponing all our School and Club Community Football programs.

It is our intention to reschedule all sessions, unfortunately at present, we are not in a position to do so. If the rearranged dates are not suitable we would apply a credit to your account or you can request a refund.

Thank you for your understanding at this difficult time. Stay safe.
