

IONA COLLEGE

A Catholic Boys' College conducted by The Missionary Oblates of Mary Immaculate.

15 July 2020

Dear Parents and Carers

Next week we look forward to welcoming students back to the classrooms for Term 3. We hope that boys and families had an opportunity to relax and refresh over the holiday period.

This year has certainly been an unusual one with COVID-19 having an impact upon our normal operations. Iona has continued to work toward ensuring that, while at school, students are as safe as possible from the impact of COVID-19. To that end we are requesting that any students and families who have travelled to Victoria in the 14 days prior to the commencement of the term stay away from the College until they have been outside of Victoria for at least 14 days.

Additionally, we are requesting that the same 14 day isolation occur for students or families who have been in the Declared Hotspots in New South Wales. At the time of writing these Declared Hotspots are Campbelltown City and Liverpool City.

We appreciate your cooperation with these important requests as we continue to care for the health and safety of the Iona community.

Regards
Trevor Goodwin
Principal
