19 August

Last week, the AIC Cross Country Championship was held in what was the closest AIC contest in many years. It is an event where College sport programs intersect amidst individual and team determination. It is also an event that requires commitment: those who totally commit – they perform, those who partially commit – they under perform, and those who do not commit – they leave holes that cannot be easily filled and we lose.

Like all successful sport, it really is about commitment via persistent effort and all who worked hard within our program are to be congratulated on their performance. Our Primary team achieved 3rd, one point behind the equal winners and the Seniors gained 4th after leading into the final Open race of the championship. Close, really close and a touch disappointing.

This weekend, chess, rugby and football begin with 69 Iona teams and 990 individuals playing in another short sharp season amidst COVID-19 restrictions. Unfortunately our 7B, 8B and 10B rugby teams have a bye this week. St Peters are unable to field teams and Ambrose Treacy College withdrew as a subsequent fill in. Some players from these teams will be required to be reserves.

Please note:

- It is a get in, play, get out situation. Players are to leave immediately after their game unless required to be a reserve.
- Two adults per player are allowed to attend outdoor matches and NO student spectators are allowed at any match except 1st XV and 1st XI matches where 100 student spectators are allowed. **NO DOGS.**
- Players are to bring their own filled water bottle. Some colleges do not have bubblers/taps available due to COVID-19.
- No canteen facilities will be available at the majority of AIC venues.
- Enter and exit via college directions and colleges will require an EVA phone app check in, including Iona.
- For Iona College football – via North Rd gate near pavilion.
- For Iona College rugby – via Sandy Camp Rd gate and Harron Oval gate in North Rd.
- For St Peters – no vehicle entrance into the College.
 - For Mayer Oval via Lohe St
 - For Stolz Oval via Lambert Rd
 - For Harts Oval via Harts Rd

- For Ashgrove
 - For McMahon, Hayden and Cameron ovals, enter for drop-off via Moola Rd and exit via Frasers Rd. No parking on campus.
 - For Flats park in Greiville Rd
- For Padua – enter via Blue Zone 3 in Elliott Rd. Padua staff will direct.
