10 September

The delay in the newsletter was due to the rearrangement of AIC sport due to health directives from the Queensland Government and subsequent AIC and Iona College decisions. Unfortunately, AIC has cancelled all fixtures for the remainder of Term 3. This includes Thursday's AIC track and field meet, Friday evening chess and weekend play-off games for rugby and football. The AIC rugby league tournaments have also been cancelled. The current health situation has prompted these decisions that protect our community.

The St Laurence's versus Iona winter sports clash was competitive. All games were keenly contested with our year level rugby results being the highlight. 1st rugby, football and chess were defeated by competent opponents.

Our track and field, touch and volleyball teams will continue their organisation for coming tournaments. A number of our mountain bikers will compete in various competitions over the coming weeks.
