28 October

Mountain biking, sailing, golf, water polo and 2021 Year 7 volleyball trials will consume Iona College sport throughout the week. The diversity of sport on offer will be evident in sports that deliver keen competition and much enjoyment. All involved will represent the College with pride and respect.

During the week, it was terrific for our golf team to win the annual Balharry Shield as AIC champion school. Established in 1992, Iona has now won the Shield on 10 occasions. Making the most of opportunity was the key to their success.

All involved in swim training are reminded that Term 4 fees are now due, as are enrolment forms. All swimmers will need to get back into training, and when available, train over the vacation. The AIC Championship is EARLY TERM 1 – 25 February, with regional schools set for 2 March.

By next week, AIC will have finalised calendar dates for 2021. Subsequently, much organisational detail will be provided in future newsletters and varied platforms of information. Please be aware of meetings, training, trials and game day dates.
