Acknowledge traditional owners of the land. Lived here for 30 years. Originally from Birkdale. Familiar and friends with Gordon.....

One of the reasons she put her hand up, she worked for Paul Lucas, and ran a small business. WM suffered terribly, lost aged care centers, child safety. Wynnum loves its community. Wanted to have those services, state of the art services. Passionate about helping, and working with Wynnum Community Centre. A place where people can go to for help in connecting with the right people. Passionate about Gundu Pa. Is the centre for best practice. And the model being used in other communities. Investing in jobs health and law enforcement.

Hollywood in Hemmant...!!! Wynnum Fringe Festival.....going to employ young people in the arts.... All the local small businesses where possible.

7. RECTOR'S REPORT

Big night, lots of things. Apologies from Trevor, congratulations to family.

Aside from Maths religion adjusted how it was delivered. Uses the character strengths of students' spiritual life.

Had approved the Religion program. This Saturday is Old Boys' Day. Different format. CRICKET. Callum coming back on Saturday.

Lindum – essential two major safety issues. Platform at Lindum station being changed and lengthened. Machinations of roads and crossings.

Overpass not conducive to that, state government pushing back to Council to get action. Need to make sure boys are taping on and taping off. Gives accurate picture of numbers of use.

Graduation Experiences – 6 transition, 12 final numbers from 500 to 1000 for COVID events.... Make things a little easier.

Normal awards, streamed from Oblate hall. Commitment Levy for fees, because of COVID, many events changed the levy isn't being charged for 2020 and 2021.

Question, last day of school will be going to Wet 'n' Wild, not a question but an expression of interest.

Is there going to be some kind of adjustments of the award criteria. Darren – Term 3 data to do profiling... give a day or two to double check data.. then round.

Thanks from the P and F regarding the Levy, it is appreciated greatly as some families have been affected massively. Fr Michael, also mentioned that if you have financial concerns, to make contact with the school. The levy as such, is only one in the suite of things.

Thanks for OMAT \$16000
