#### 4 November

Our performances in mountain biking, water polo and sailing were impressive throughout the week. Highlights included:

- Our mountain biking team gained 2<sup>nd</sup> overall in the Rocky Trail Gold Coast Schools Championships and three riders gained podium positions.
- Three teams competing in the annual AIC Water Polo Tournament
- Team racing sailing beginning their Term 4 season

This week sees more trials for 2021 summer teams, our mountain bikers compete in Caloundra at the Sunshine Coast Schools Championships, 2021 Year 5 and Year 7 AFL and cricket trials / training on Saturday, and sailing on Sunday. Details are provided in this newsletter and via respective Team Apps.

A reminder to all parents, guardians and students to organise the correct PE gear for weekly sport lessons for the remainder of the year. It subsequently provides opportunity for the boys to get active in enjoyable training and interhouse competition. The sit-out option benefits no one.

### Gold Coast Schools Mountain Bike event

The Gold Coast Schools Championships, organised by Rocky Trail with 140 competitors, was awesome. Our team does not lack stamina, skill or fortitude – they performed at a high level. Each rider had to complete three trails over a five hour period with multiple attempts allowed. As each riders best time at each trail counts, tactics and will power become vital. Overall, the College achieved 2<sup>nd</sup> place – our best ever performance.
