18 November

The highlights of the sports week were the conclusion of Term 4 sailing, summer trials against Villanova College and the rugby league games played by our Years 5 and 6 teams against Wynnum State School. The annual Primary touch clash between Wynnum and Iona was also keenly contested. Our sports program continues deep into 2020.

2021 interhouse swimming for Years 7 - 10 will be held over the final two weeks of term. Volleyball and cricket training continues. Our 1st XI squad plays St Peters this weekend. It is all about preparation for 2021 which will hopefully see sport return to organisational normality. Please note the change of date for 2021 swim clinics.

A word of thanks to our groundstaff who are currently preparing fields for 2021 usage. All fields are in wonderful condition and we are lucky to have such good facilities to use and enjoy. When all play their role within our community, the result is pleasing in so many ways.

Rugby League

On Friday 13 November, the Iona Primary School community welcomed Wynnum State School to play two much anticipated games of Rugby League. A number of current Iona students were once apart of Wynnum State School and were eager to make a strong impression. Likewise, some Wynnum State School students were looking to stamp their authority on the game. This anticipation drew a fantastic crowd from both sides. We must thank Wynnum State School for their efforts in ensuring this game went ahead in this uncertain year. Many thanks must also go to the Iona Primary community for their support, Mr Biggs and Mr Condon, for their work in coaching each team to fantastic wins. We must also thank the efforts of our student helpers. Iona is very fortunate to be able to rely on students to assist so diligently.

Touch

The Primary community welcomed back Wynnum State School on Tuesday afternoon for the annual touch clash. After Iona claimed two wins just days ago in the Rugby League, Wynnum were eager to even to score in touch football.

In a wet and windy affair both games showed great skill, character and teamwork. We must once again thank Wynnum State School for allowing this game to continue, as well as Mr Condon for coaching the boys and Sage Van Balen and Jacob Gregg for refereeing both games.
