27 January

Amidst a week of preparation and trials, the presence of the Brisbane Lions entire playing roster and staff at Iona College was a highlight. The Lions were most appreciative of using our facilities and it is hoped to continue our AFL relationship in the future. Their players worked hard, supported each other in training demands and were most respectful. Iona College wishes them all the very best in their 2021 season.

2021 Iona College sport begins its competition this weekend with the annual summer fixture against Villanova College. The “Black and White” need to play respectfully, to play to the best of our abilities and to play with no fear. Sailing and swimming also begin. Please note organisation details and health directives. There are still certain COVID-19 restrictions that need to be followed so as to protect our community.

Health Directives

There will be EVA or similar check-ins via phone at venues. Paper check-ins will also be available.

No student spectators at other games. The spectator situation will vary from week to week depending on opposing College COVID-19 plans.

AFL – Please socially distance and use sanitiser at entry points.

Our preparation for Week 1 continued last week. Our swimmers were back in the pool, cricketers competed in T20 and trials vs Padua (with strong results), volleyballers and senior AFL teams went up against Padua. It was a managerial feat for staff, parents and players to play during the vacation – many thanks to all involved.
