17 March

2021 Iona College summer sport was energetic and competitive, right up to the last ball being bowled. The swim and sailing teams, seven AFL teams, 26 cricket and 22 volleyball teams all represented the College. There were successes, enjoyment and disappointments – somewhat the nature of sport.

Highlights Included:

- Nine volleyball premierships and 3rd in the AIC volleyball aggregate.
- Five cricket premierships and 2nd in the AIC cricket aggregate.
- Willing efforts by our AFL teams in what has become keenly contested competitions.

Our program is very much dependent on coordinators, coaches, managers, referees, scorers, catering staff, ground staff, players and spectators. Parents also play their role with organisation and transport. The College wishes to thank all involved, as it provides a program that assists in educating our young men.

Winter sport has arrived in its organisation stage. Information, training and trials begin this week as listed in the newsletter. It is a process that requires listening, participating and patience. Not all players will get selected where they think that they should – it is a competitive process and performance, plus attitude, assists.

Cross Country has begun with training and this week is Years 5-10 interhouse cross country during sport lessons at St Eugene's Park (weather permitting). The races are important for team selection and Oblate Trophy points. The College is aiming for a strong AIC performance in 2021 and needs to be led by our senior runners.

The Wynnum Manly Seagulls rugby league team plays Tweed Heads Seagulls at Iona College on Sunday 28 March. Four games will be played:

10.20am	16's or 19's girls
11.50am	21's
1.20pm	Mal Meninga 18's
3.00pm	Cup Game

Our College is hosting the games in partnership with the Seagulls. We would greatly appreciate some assistance on the day in the canteen on Davine Oval and with catering. Please complete the [Volunteer Registration Form](#) to become an approved Iona volunteer –

please select Community Activities as your Volunteer Interest, followed by SPORT SUPPORTERS' GROUP. Approved volunteers will then receive further instructions on how they can sign up to assist.

Iona College media team will provide further details throughout the week.

Key Personnel

Sailing Coordinator	Mr Gerard Vinen	ionacollegesailing@gmail.com
---------------------	-----------------	--

Australian Sailing have the following racing dates for Term 1:

- Teams Racing: 14, 21, 28 March
- Schools State Teams Championships: 15, 16 April (last two days of Easter school holidays)

Please refer to TeamApp for updates to the training schedule over the next three weeks.

Our sailing team continued their teams racing format last weekend, with the completion of the first round of races across each division and Round 2 getting well underway. Favourable wind conditions finally allowed racing across the fully allocated timeframes for both divisions.

In what was one of our best days on the water in some time, the Iona sailing team was dominant, being undefeated in both divisions. In the Gold Division, Iona 1 won all their races with Iona 2's only loss being to Iona 1. Similarly in Silver Division, Iona 3 won each of their races, while Iona 4 showed great determination and improvement, losing only to Iona 3. Congratulations to every sailor for their effort, teamwork and sportsmanship throughout the day.

A big thank you to Aiden O'Brien and Jordan Barney for their commitment to the team by answering the SOS call early on Sunday morning and sailing across the full day.

At the time of writing, RQYS are yet to have posted the official Week 2 results, however, it is anticipated that last week's efforts will have all teams moving up the overall standings table.
