28 April

The winter trial provided all chess, rugby union and football teams with solid games. Our preparation was not ideal but the willingness of all teams to perform was the highlight. It was physically demanding against respected oppositions and it assisted our preparation for the AIC round 1 clash with Villanova College. Cross country preparations continued with Primary interhouse competition and training.

The Villanova clash this weekend will be enthralling and all should be looking forward to the derby games. It begins with Friday evening chess and culminates with 1^{sts} fixtures on Saturday afternoon. In between, there will be much to enjoy, provided all our teams play tough with skill and respect. The open teams need to lead the way and set the winning example for all Iona teams to follow throughout the winter.
