19 May

The St Laurence's round was typically competitive with hard games across fixtures. The College was a spectacle for Old Boys' Day and all involved should be proud of what Iona is able to produce for our community and visiting colleges. The opening of the new grandstand on Davine Oval was a highlight, as was the support for Rosies.

The performance of our A and B teams (which count for the AIC aggregate competition) was strong, evidence that our younger teams have the motivation and commitment to perform. Those teams which found the willingness of the opposition surpassing their own aspirations will need to quickly regather. Week to week attitude and performance is the key.

Mountain biking, cross country and winter sport are in action this week. The St Edmund's round sees a different sporting landscape with games split across numerous colleges and venues. Please be aware of the venues and game times.

A reminder to our community:

- Please follow health directives pertinent to the host college.
- Behaviour, dress and support are to be of high standards.
- The field of play is strictly for players only – no others are to enter the field of play during games nor at the completion of games unless directed by staff.
- **AIC sport is dog, alcohol and smoke free.**
