23 June

The Confraternity Rugby League Carnival begins this weekend with Mass in the Provence Centre on Sunday afternoon, then games Monday, Tuesday, Thursday and Friday. It will be large, spirited and exciting. The Carnival began in 1980 and has continued ever since – this is the 41st gathering and the first to include girls’ teams.

As hosts, it is important to be aware of the following:

- Iona College, as hosts, must be welcoming to all visitors and respectful at all times.
- The carnival is about spirit, fair play, fellowship and all of the good qualities of sportsmanship.
- All involved must abide by the carnival regulations and the code of conduct. All spectators must not enter the field of play and spectator tunnels and post game celebrations are not allowed.

It was wonderful to receive the news that Old Boy Tim Howard (2013) has been selected in the Australian Men’s hockey team for the 2021 Olympics in Japan. He becomes the 5th Ionian to gain National Olympic representation with Andrew Johns (triathlon), Ashley Callus (swimming), Daniel Fox (swimming) and Lincoln Williams (volleyball) having previously reached that pinnacle. Tim’s is a story of persistence and determination, as well as being a team player with terrific skill. Iona College wishes him the very best of luck.

In other sport news, trials for rugby league, tennis and basketball were held. Swimming training, Open volleyball training and touch organisation continues in addition to Term 3 sports.

Please note that details for the Friday/Saturday basketball, tennis and league trials prior to the commencement of Term 3 are included in this newsletter. Also note that currently, only one parent per player is allowed to attend basketball fixtures. (Two parents per player are allowed to attend 1st basketball games). This will be reviewed.

Players are still required in our tennis teams, especially for Years 10 and 11. Please contact Mr Paul Cook if interested: cookp@iona.qld.edu.au.
