16 June

Chess, rugby union and football finished their competitive seasons last week. The College achieved second in the AIC football aggregate, second in the rugby union aggregate and eighth in the chess aggregate.

Deserved Premierships were won by:

Football – 3rd, 10A, 10B, 9A and 9B

Rugby – 2nd, 9C, 8C and 7A

6C football and 6B football were undefeated in Primary competitions.

There was success, participation and enjoyment for those who pursued those outcomes with determination.

The large season is assisted by many: the Sports Department, coordinators, coaches, managers, referees, catering staff, ground staff, medical personnel, volunteers and players. Spectators also play an important role. All are thanked for their efforts.

The turn around to Confraternity and our next season of sport is rapid. Tennis, basketball and rugby league trials are underway including this weekend of intratrials. Swim training resumes on Monday. All are requested to be aware of details. Attitude, ability and determination will be the key strengths so as to gain selection.
