TEAM IONA

Sport often moves beyond the field, court and pool. Last week saw much of that movement.

- Iona College reaching out to Toutai Kefu and his family. Our thoughts and prayers provided the needed support and respect.
- AIC being agile in responding to government health directives so that sport could reboot. Led by Mr Trevor Goodwin who is President of AIC in 2021, the Association was able to rapidly reorganise so that sporting interaction resumed. Collaboration across numerous communities was the key.
- Numerous parts of the Iona College community working together so that the magnificent Provence Centre was able to be used for last week's fixtures. That "working together" needs to continue so as to effectively care for the facility.
- Parents, players, coaches, referees and medical staff being respectful throughout the "St Edmund's" round so that sport was enjoyable whilst also being competitive.

This weekend sees a mountain biking event on Friday and fixtures against Marist College Ashgrove. It looms as an exciting contest between two strong sporting colleges. Intensity at training and match day teamwork and determination are required.

For the record:

- First goals scored in The Provence Centre: Luca Copp (5C basketball) and William O'Neil (6D basketball).
- First goal scored in The Provence Centre by a 1st player Kaiden McConnon.
- First referees in The Provence Centre: Matthew Knight, James Scodellaro, Cameron Leishman.

COVID Restrictions (this weekend)

- One parent per family is allowed at fixtures at Ashgrove. Two parents allowed at Iona games.
- Student spectators indoors not allowed at Ashgrove but are allowed at Iona. It is generally get in, play, get out.
- Masks must be carried at all times. Masks must be worn at indoor venues. Masks must be worn outdoors if social distancing is not possible.
