5. RECTOR'S REPORT

- Catholic school parents QLD Fr Michael is the National Chaplain.
- Edging closer to building being completed. Used for Welcoming for Confraternity Opening officially later
- Confraternity big event – 100s of people coordinating and still looking for more. Expected to welcome 2000 athletes for the week.
- Update on Lindum Train Station Project. Two different processes happening at the same time. One about the road crossing and two an upgrade of platform and station itself. Briefing shows images figures budget for a significant upgrade for platform and station. Station to move down closer to school. Bigger platform, rain coverage and closer to school was our priority. Drop and go an option. Three representatives of government, all fantastic news.
- Open for questions....
- Open of centre restrictions will there be any? Yes as per covid guidelines and availability. Up to 3000 can fit. Graduations now to be in the centre.
- Student consultation phases for the new houses..... 190 responses willing to be considered for a move.
- Year 11 economics students, got email saying they had failed, and would need to pick another subject. Was an error, and could be triggering to those that were doing that subject. Needs to be concerning and corrected....
- Every time we come at night time, there are no lights, not welcoming. Electrician is coming to fix...even lights out front of meeting space.
- Thank you for the speakers in year 10... including Melinda and drug education night
- Question plans to improve the drainage near Coghill... it is improving. But is designated as a flood plan by the council.
