27 October

**TEAM IONA**

It was an enjoyable weekend of diverse sporting involvement. Touch, volleyball, water polo, sailing and T20 Primary cricket saw keen participants in team environments. Although late in the year, competition was still somewhat intense.

Highlights included:

- All three volleyball teams competing at the Qld Volleyball Schools Cup, progressing to play off rounds with the Year 11 team winning Gold in Division one
- Both Year 8/9 touch and water polo teams winning their respective AIC competitions
- Two of our Fleet Racing teams achieving top three
- Our Primary T20 cricket team winning the Woolworths Gala Day competition
- All other teams competing well in Iona colours

Preparation for next year continues over the coming weeks. This transition period of sport is essential for our initial sporting effort in 2022. A key focal point will be establishing "The Culture" that suitably shapes our behaviour and decision making, so that our 18 sports will be better off. It will be about the collective power for what is good for our players, teams and College.

## Sailing

The Term 4 school fleet racing series was wrapped up on Moreton Bay last Sunday. In a good fresh breeze, the final five races of the 15 race regatta were held. Congratulations go to skippers Joseph Folley, Liam Millar and their respective crews, Charles O'Kane and Lucas Patrick, for finishing on the podium in 2<sup>nd</sup> and 3<sup>rd</sup> position from a fleet of 40 boats.

Other skippers to place well were Bailey Lucock, Jordan Barney and Samuel Muir who all finished within the top seven places, in a great sign of the strength of the team.

The entire team sailed strongly across the three weeks and the time spent developing skipper/crew combinations will be beneficial when we move into the teams racing format this weekend.
