need to attend.

## TEAM IONA

It was exciting to see the enthusiasm at Year 5 and Year 7, 2022 volleyball, AFL and cricket trials. Numbers attending were strong and all appear set for competitive seasons of sport. It was emphasised that respect for coaches and managers, respect for each other, finding new friendships and seeking enjoyment are some of the key goals of Iona College sport.

Our Primary touch teams competed at Qld All Schools last weekend. It is a large tournament, abundant with energy. Our teams played well with the Iona A's making the quarter finals in the Championship division and Iona B's achieving top 16 in the Cup division.

Sailing also saw action out on Moreton Bay with our gold and silver fleets competing in team racing.

This weekend sees a full AFL and volleyball trial (weather permitting) against Villanova as well as 1<sup>sts</sup> and 2<sup>nds</sup> cricket matches. It is important for Iona College to be decent hosts and support in a proper spirit. Team Iona is currently rebooting our sporting culture, a culture that needs to allow all to respectfully and humbly stay together amidst competitive effort.

It was wonderful news that Harrison Graham, 2017 graduate, was the first NRL Dolphins signing, it is an honour for a player who studies, trains hard and makes the most of opportunity. Professional sport is a difficult and competitive beast and the College wishes him all the best. In addition, Zac Maltby played in the NPL football grand final in which Lions defeated Olympic. Both Harrison and Zac coach at the College, their assistance is most appreciated.

## Sailing

The teams racing series of this term's school sailing competition was able to kick off last Sunday. With a light morning breeze of 10 knots, Iona 3 and Iona 4 competed in the silver fleet, sailing against teams from MBC, MBBC and BGS. Both teams came away with wins and there was great development within the squad.

The afternoon start for the gold fleet allowed time for the breeze to build, with Iona 1 and Iona 2 sailing competitively in 15 to 20 knots. With teams from TSS also competing and with this week's racing determining division positions for the next two weeks, all teams were looking for race wins. Problems with a race committee boat cut short the afternoon's racing, however both Iona teams are well placed to hold their position within the gold fleet.
