How do the boys know when they can come in? It's advertised to them.

Question also asked what's the limiting factors? – at capacity every day, one at primary would be a potential option for the future.

Geoff asked Trevor if he sees a benefit. –Definitely. Kids enjoy, friendly space, really see's the benefit. Feels homely.

9. Supporter Committee's/ Catholic School Parents Reports - NIL

10. General Business

Anne Stone- considered a different way to do absentees. BCE school use an app. Pre-set with all the kid details. Trevor response- haven't thought of it but can-do research. Could be a part of the BCE school's student management system. May be able to enable it in Compass.

Leeanne Goodwin- is there anywhere the P&F can store our items, such as wrapping signs etc? Potentially use the space behind the green room.

Question about school dances and where we can have them, can't use the Carindale PCYC anymore. Can we use oblate hall? Needs to be a safe space. Can be investigated. Girls' toilets may be an issue.
