MOMENTS OF GRACE 

10 May 2023

TEAM IONA

Last weekend, Iona played Round 2 of the AIC chess, rugby and football seasons against St Edmund's College, winning the day overall in all three sports. It is also pleasing to report that the 1st teams in chess, rugby and football teams all won their games in sensational fashion. Well done to all!

The AIC football and rugby seasons are a special time where our boys really seem to enjoy the time spent with their mates playing sport outdoors. The College community does gain much satisfaction seeing its students wearing their uniforms with pride, chanting the College war cry, forming 'run-on' tunnels for each other and representing our school well both on and off the paddock. This all aids in the development of a positive school culture, which has a flow on effect throughout the entire College.

I was very pleased with our Year 9-12 students who played their rugby or football games at Tivoli on the weekend. Our standard of dress, conduct, effort and level of support for each other was excellent. By all reports, the same occurred back here at Iona for the Year 5-8 games. Sincere thanks to our parents, who have been very supportive in working with the College in enhance these areas.

Recently, the College implemented a policy around the management of concussion. The College takes any injury or harm to its students seriously, particularly those which involve head injuries. Concussion is a serious medical problem that can have long-term health consequences for students.

The College guideline aims to reduce the harm to all students who receive a concussion by following a set procedure when a suspected concussion has occurred, and ensures the safe return to play for the student involved.

The Iona College Concussion Management Plan has been guided by those procedures and policies set down by Rugby Australia. Students who have suffered a potential head injury or concussion, because of their participation in any activity at

Iona, must follow the procedures set down within this document – even though the injury may not have occurred because of a rugby incident.

Once a potential head injury or concussion has been reported, we will contact the parents with a copy of our management plan. This document has been produced to clearly state the steps that must be followed by the student to gain the correct medical advice, and to aid their safe return to playing sport.

The first aid providers at the Iona rugby and football venues have copies of our policy, and have been instructed to follow the policy and hand on this document in an event of a suspected concussion. In the event of a suspected concussion at the away venues, we rely on our parents and coaches to report these to a member of the Iona Sports Office, who will then contact the parents and send them all the necessary documentation to be followed.

Currently, the Sport Office is planning for the up-coming AIC rugby league, tennis, track & field and basketball seasons. These sports are played in Term 3, but the pre-season training and trial process will commence during the last two weeks of this term. Those wishing to represent Iona in any of these activities must complete an online sign-on form. This link will be emailed to all Iona students and their families next Monday, 15 May. The link will close on Friday, 26 May. Please read below some important information regarding these sports before you make your decision to sign-on.

This weekend marks Round 3 of AIC chess, rugby and football against Marist College Ashgrove. Any Old Boy will tell you this is a 'big round', so I encourage all players to unleash and give their very best. As always please allow enough time to travel so that the boys are prepared and ready to go when the whistle blows.

Best wishes to all involved, and enjoy!
