MOMENTS OF GRACE 

31 May 2023

TEAM IONA

At the time of writing this article, the AIC Cross Country results have just become known. In an outstanding result for the College, Iona was named as the overall winner, and were successful in winning the 13-year, 14-year, 16-year and Open divisions. All the boys who participated are to be commended for their determination and efforts given over the entire season. Iona's success is a testament to your hard work. Well done to students, staff and coaches for these incredible results.

Iona had a successful day overall last weekend against St Peters Lutheran College in both rugby and football. St Peters managed to win most games in the chess however. With only two rounds remaining, all boys are encouraged to keep their efforts up and finish off their season well.

As advertised, all students from Year 5-12 have been given the opportunity to register their interest to trial for the upcoming sports played in Term 3, including rugby league, tennis, basketball and track & field. A complete list of those who have signed on is now posted on the College notice board for students to check. If their name does not appear, boys are asked to see a member of the sports office please.

Much planning and preparation has been spent on the Term 3 sports program. Please read the relevant sections below which outline further information pertaining to the trial process in each of the AIC sports offered. Please encourage your son/s to become involved in these trials and for him to showcase his talents to our school. Those with special gifts and talents are encouraged to represent our College. Be aware that participation in school sport takes precedence over other sporting interests and commitments outside of Iona. We expect our College's best athletes to represent Iona and prioritise the College over club programs.

The final two weeks of term will be dedicated to rugby league, basketball and tennis trials. As Round 7 of the current

rugby union, football and chess season will be played next week, there will be a brief crossover of training for the two seasons, next week (Week 8). Up-coming exam blocks for the Year 11 & 12 students also needed to be factored in, to ensure all boys can attend trials and are given fair opportunity to make a team.

Unfortunately, the College will only field four basketball teams per year level, two tennis teams per year level and two rugby league teams per year level in Years 5 & 6 and only one team from Year 7 to Opens. This means that some boys will miss out on making a team as the AIC competition simply does not cater for unlimited teams in these sports as it does for cricket, rugby and football. It is important that boys wishing to make a team attend all the trials.

It is vital for the success and smooth running of our program to have two solid weeks of trials at the end of this term, followed by a day of internal trials on the first Saturday of the school holidays (Saturday 17 June). Our aim is to have all teams / squads sorted and selected by Saturday 17 June. Training for each sport will then commence as per their respective training schedule the first day back in Term 3, with a trial round scheduled against St Patrick's College the first weekend back next term. Best wishes to all involved.

This weekend, Iona will face Villanova in the local derby. Please be mindful that photos will be taken here at Iona for the Year 5-8 teams. Ensure that you turn up for your photo dressed correctly and on-time if you are involved.

Currently we have many teams across the College who are in premiership contention in rugby and football. We encourage everybody to give their very best this weekend and to stay behind to support other teams, particularly the Firsts.

The standards of uniform, behavior and effort on the paddock continues to be at an extremely high standard. Keep up the excellent work boys.

Best wishes to all this weekend and please enjoy!
