MOMENTS OF GRACE 

7 June 2023

## TEAM IONA

Iona will face St Patrick's College in the last round of AIC rugby, football and chess this weekend. Iona will host the Year 5-8 games and St Patrick's will host the 9-12 games. Please be aware that there are many supp games this weekend played against a variety of colleges across AIC, so please check the game schedule below and be ready at your venue this weekend well ahead of time.

With one round remaining, I encourage all students to finish the season well both on and off the field as respectful spectators and good sportsmen.

Last weekend we played Villanova in the local derby. Iona had many outstanding results across the day. After a 1-all draw against St Peters in Round 5, our 1st XI football team had to win their game last weekend to stay on top of the ladder and in front of St Laurence's. Our team performed well to take out a resounding 7-0 win.

After a series of injuries which have marred our 1st XV rugby team early in the season, we are seeing our side hit their potential as players return. Our boys played well on the weekend and won 38-33 in a very entertaining game. Unfortunately, our open chess team went down 6-10.

Many teams across the College are still in premiership contention, including our 1st XI football team. Our best wishes are given to the Year 12 students who will play their very last schoolboy game in their respective sport for Iona. We thank them for their contributions over the years and hope they play well this weekend.

After completing some calculations earlier in the week, we believe Iona is in strong contention to do well in the rugby aggregate this year. The rugby aggregate is awarded each year to the best rugby school in the AIC competition based on the overall performances of teams from Year 7 to Opens. It is very tight at the top of the table at present. It is extremely important that we finish the season well. It doesn't matter

where our teams are currently sitting on the ladder, every result this weekend will make a difference in the aggregate standings. The message is clear: Leave nothing in the tank this weekend boys!

Before and after-school training for rugby, football and chess this week will go ahead as normal. On top of these schedules, we have added trials for the upcoming rugby league, tennis and basketball seasons. It is a big crossover week. Trials will continue next week for Term 3 sport, with the inclusion of an internal trial day held next Saturday, 17 June – the first Saturday of the school holidays. Please check the schedule below and be aware of all the important times and dates.

This Sunday, as well as next Friday, the College will host the annual College Tennis Championships. Those boys involved have received an email from Mr Cook outlining the day. If you haven't received an email and you would like to be involved, please see Mr Cook as a matter of priority.

Last Wednesday, our Cross-Country team did us proud by taking out the AIC Cross Country Championship. I thank and congratulate all the boys and coaches involved. It really was a great team effort. In particular, I thank Mr Merrotsy, who led the team and pulled it altogether.

It takes a big team effort to win an AIC Championship event – in fact, it takes a big team effort to win anything in AIC. To win an AIC Championship or an AIC premiership, we rely on the hard work of each individual in the team throughout the entire season to attend training and to work hard at being the best they can be in order for them to contribute positively towards the overall success of the team.

If we don't have enough individuals prepared to do the hard work, the team won't succeed. Furthermore, we also rely on good coaches who have the ability to extract the very best from the individuals and to pull the team together. Our cross country team did that this year, both the coaches and runners doing their bit for the success of the College.

I encourage every Iona student to give their best, to work hard, to have pride in themselves and our College, and when

called upon, I encourage all students to accept the challenge to be part of any team at Iona and to play your role in making our College shine.

In the final footy and chess round, it would be a nice gesture for our students and their parents to offer their thanks to the coaches and managers after their games this week.

All the best, boys, and enjoy!
