MOMENTS OF GRACE 

14 June 2023

TEAM IONA

Congratulations go to our 1st XI football team, who secured a 4-1 win against St Patrick's College last weekend to take out the coveted AIC football premiership for 2023. Our team performed extremely well throughout the season, scoring a massive 40 goals in seven rounds while only conceding four goals. All coaches and players should feel proud of their efforts. What a sensational season, well done!

The good news doesn't end there. Iona also took out this year's AIC rugby aggregate, beating Marist College Ashgrove by half of one point. As mentioned in last week's edition, an overall aggregate is awarded for every AIC sport each year. The calculation of the aggregate is taken from the overall performances/standings of certain teams from Years 7-12. Therefore, schools who win the aggregate are considered as having the best overall program for that sport.

This year marks the 25th anniversary of the AIC Sport Association. During this time, Marist College Ashgrove has won all AIC rugby aggregates – excluding 2018, and now 2023, when Iona has taken the title. This shows how hard it is to win the rugby aggregate, as only two schools have taken the shield in 25 years. This is a fantastic effort by all rugby players, coaches and managers of all year levels, as we all push each other in order for our College to produce its best. A special thanks is given to our Rugby Coordinator, Mr Sean Devlin, for his great work in leading the charge. It takes the work of many to win titles such as these. Well done to all involved!

Iona finished the Term 2 season against St Patrick's College, winning the rounds overall in chess, rugby and football. In terms of our results across the season, Iona performed well from Years 5-12 – having five undefeated / premiership football teams and six undefeated / rugby premierships. Please read the sections below for further information pertaining to the respective rugby, football and chess seasons.

There is little doubt that receiving awards and recognition as a premiership / undefeated team is always good. However, schools should not gauge the true success of their sports program on these awards alone. The students' participation and enjoyment of sport should be at the forefront and be key indicators of success.

Having committed boys with the right attitude, as well as quality coaches and managers involved who can extract the very best from the boys individually and as part of a team, is ideal. In most cases this has happened. I was personally very pleased with the level of pride, dress standards and behaviour of our students overall across the season, too.

For any sport season to run smoothly, the College relies on the good will of many within our community to fulfil the various roles needed. When I look back at the season just completed, I believe Iona's success was because our community 'pitched in' to make the season work.

To this end, I thank the players, canteen helpers and ground staff. A special mention is given to all the coaches and refs, who gave freely of themselves to provide the opportunity for our boys to play schoolboy footy and chess. Iona did well this season, and I am proud to be a member of a community whose participants are prepared to be involved and to have fun along the way.

I would like to acknowledge the great work given by our AIC Football Coordinators, Mr Reece Healy and Mr Anthony Bannerman, our Rugby Coordinator, Mr Sean Devlin, and our Chess Coordinator, Mr Kevin Caine, for their leadership in successful seasons for their programs.

As one season finishes, the next begins. Good luck to the many students who have participated in rugby league, basketball and tennis trials this week and last. It is great to see so many boys are keen to represent their College in these sports. It is extremely vital that those interested continue to attend all trials, so that they give themselves every chance to be considered for selection. We hope to announce all teams by early next week, but some as late as Week 1 next term.

Head of Sport: Mr Craig Stariha – 3893 8851

Sports Administrator: Mrs Karen Orway – 3893 8805

Assistant Head of Sport (7-12): Mr Sean Devlin – 3906 8905

Assistant Head of Sport (5-6): Mr Anthony Bannerman – 3893 8869

Please be aware that some boys are required to attend further trials this Saturday, 17 June, at the College as listed below.

Unfortunately some boys haven't made it through to the final round of trials this weekend as the coaches navigate through the huge amount of participants to fill the limited teams we have on offer. Term 3 sport does not cater for every student as it does in Term 2, due to nature of the sports, resources and competition available. Please read further details below.

Finally, we wish our 1st Rugby League team all the best as they compete in the upcoming Confraternity Carnival hosted by St Laurence's College over the break, as well as to our sailors who travel to South Australia to compete in the National Sailing Championships. Go well!

Good luck to all who are out there giving their best for our College. Please enjoy!

Rugby League Trials

The internal trial process for Year 5-10 teams will conclude with an internal trial this Saturday 17 June at Iona College. There is no Year 10 Trial required on this day.

After this trial, extended squads will be selected to train and then play an external trial in Week 1 of Term 3. These squads will be announced via email on Monday 19 June.

The trial schedule is shown below. Please arrive at your field 10 minutes before the scheduled trial time and check in with the teacher supervising your field. Any student that wishes to be selected in extended squads but cannot attend trials on Saturday 17 June needs to email Mr Biggs (biggsj@iona.qld.edu.au) to be considered.
