

IONA SPORT

MOMENTS OF GRACE 

12 July 2023

TEAM IONA

Welcome back to all for what will be another busy term of sport. It is only Week 1, and already we have many sporting opportunities on offer for all students.

AIC Tennis, Basketball and Rugby League training for all teams from Years 5-12 has now commenced. Please note that there are 'Season Schedule' documents found via a link in the respective sport sections below. These documents contain the complete training schedules, coaches and contact information, uniform expectations, home and away schedule, games times and much more for each of those sports. If you are requiring information regarding your respective sport, I believe all answers should be found within these documents.

This week, Year 7-10 boys will be involved in some track and field activities held during their sport lesson times. This will assist our coaches to identify our best athletes and invite them to join our training program. The AIC Track & Field training program for Years 7-12 has commenced already. The Year 5 and 6 program will commence next week. Please be on the lookout for the complete training schedule details in this newsletter. At this stage, all Year 7-12 boys are welcome to training. As a result of the Year 5 & 6 Interhouse Track & Field Carnival held in Term 2, selected Year 5 & 6 boys will be invited to join training in these year levels.

In my opinion, to boost or better a school's sports program we must firstly look at 'school spirit'. I feel fortunate that I am involved in community where many people exhibit enormous amounts of school spirit often. Our boys show spirit through participation, enjoyment and support of their mates and the College. May I please ask parents to assist the College in its quest to further develop school spirit by strongly encouraging your boy/s to get involved and to support others when asked. Over the coming weeks, I will be personally asking some of our talented student athletes to join the AIC Track and Field

training program, and some have been asked to join the rugby league program too. There is no doubt that our College community gives greatly to each of its students. From time to time, I believe, it is a fair request that the College asks something in return. If a student is good enough and talented enough to represent his College – then he should. We understand the need for a balanced education, and we do not want to over burden our students, but we want Iona's best to shine. If there are issues surrounding a student's workload which impedes him from participating, please contact the Sports Office. The Sports Office is reasonable in its approach when working with families and students to produce solutions and alternative programs which are beneficial for all.

Over the break, we had our Open Sailing team compete in the National Sailing Championships held in South Australia. Our First XIII Rugby League team also competed in the annual Confraternity Carnival, hosted by St Laurence's College. Both groups did our College proud with the way they represented themselves and our community. Our league boys were eighth overall, and our sailors came seventh. Given the quality of competitions, our boys were in the top echelon of the overall standings and should be proud of their efforts. Please take the time to read a more detailed report of each of these sports in the respective sections below. Sincere thanks to the many staff and parents who were involved in organising these events.

This weekend we have basketball, rugby league and tennis trials against St Patrick's College. This will be a further opportunity for coaches to assess players and adjust teams. I would expect some movement of players between teams in readiness for next weekend's Round 1 fixture vs St Laurence's College. Coaches are instructed to choose their teams each week based on attendance, player performance and attitude. As always, I urge all students to get involved in the sports program and enjoy the challenges you face along the way.

Enjoy the term ahead boys!

Confraternity Rugby League Report

Iona College participated in the 43rd QISSRL Confraternity Rugby League Carnival – this year hosted by St Laurence's College at Runcorn. With 52 boys' teams across three divisions, this competition is the largest schoolboy rugby league carnival in the world.

A competitive selection trial process, and a short but precise preparation expertly led by coach Chris McKenna and assistant coaches Mat Cameron and Jarrod Biggs, had the boys primed to do their school proud. Along with on-field development, the two-week preparation also provided the opportunity for the Confraternity team to grow personally and contribute to community by assisting at the Darling Point Special School Fun Run. Our boys made an immense contribution to this event and each of the players achieved great fulfillment through their service.

In one of the most open and exciting carnivals in recent history, the team qualified for the quarter-finals with pool match victories over St Patrick's College, Shorncliffe and St Peter Claver College, Riverview. One of our better performances of the week was a pool game loss to eventual champions St Brendan's College, Yeppoon. This high-quality game saw the Iona boys throw everything they could at the talented opposition. Despite dominating the opening and closing exchanges of the game, a poor middle period proved the determining factor in the result.

On Tuesday afternoon, in just the College's second quarter-final appearance, the boys went down to a clinical St Patrick's College Mackay side. Both teams put everything on the line in attempt to progress to the semi-finals, and the result was an extremely high-quality game of schoolboy rugby league. In a tight content, a few costly mistakes meant the boys fell short of victory, relegating Iona to the fifth to eighth-place playoff matches on Thursday and Friday. Under a heavy injury toll, the boys showed resilience and flashes of brilliance in our playoff matches, but suffered two close losses to finish the carnival in eighth place – the highest-ranked school from the Brisbane region.

Special recognition must go to Iona captain and lock forward, William M Lane, who was selected at lock in the QISSRL Merit Side. This prestigious selection is an Iona first. William joins an honour roll that includes many NRL and Queensland State of Origin greats.

Results:

Game 1: Iona 32 d St Patrick's Shorncliffe 6

Game 2: Iona 16 lost to St Brendan's Yeppoon 26

Game 3: Iona 24 d St Peter Claver 6

Game 4: Iona 6 lost to St Patrick's Mackay 18

Game 5: Iona 8 lost to Shalom CC, Bundaberg 10

Game 6: Iona 16 lost to The Cathedral College,
Rockhampton 22

SAILING (NATIONALS)

Coordinator

Mr Kevin Caine – cainek@iona.qld.edu.au

Australian Teams Racing Sailing Championships

Following on from our sailing teams success in securing the QLD State Championship earlier this year, our team competed at the National School Sailing Championships at Goolwa Regatta Yacht Club in South Australia over the last week of the holidays. Our team of Jordan Barney, Toby McDougal, Sam Muir, Zachary Patrick, Hunter Phelps, Noah Rowell, Jasper Vinen, and Archie Willey – coached by Old

Boy Will Nobes – competed against the top teams from around Australia in a fierce competition over five days.

Weather conditions ranged from very light and variable winds through to gale force, which tested all of the sailors' skills and resilience and pushed equipment to its limit.

With a mere eight points separating the top 16 teams, our boys secured seventh place – equaling their efforts in Sydney last year – and were the best-placed Queensland team.

Special thanks to Mr Caine for his team management, and the other team coaches Hayden Barney and Libby Kirby, along with the rest of our team who have all contributed to our preparation and continued performance throughout the 2023 sailing season.

Term 3 will see our preparations commence for the next season with the running of the KC Cup later in the term. For any boys interested in joining the team, please get in touch with the Sailing Coordinators via ionacollegesailing@gmail.com
