SPORT

MOMENTS OF GRACE 

1 November 2023

TEAM IONA

AFL, volleyball and cricket trials continue this week – as well as on the weekend – for most age groups across the three sports. Please ensure that you read the respective sport sections below to view all the important times. After these internal trial games, we intend to select all teams.

Those who have been selected in an AFL and volleyball team after this Saturday's internal trials will be asked to attend further training next week in preparation for the trials matches against Villanova College next Friday (10 Nov) or Saturday (11 Nov) as per schedules below.

After this weekend, there will be no other cricket trials planned except for the Firsts and combination 10A / Seconds team, who will play Villanova next Saturday (11 Nov) at Iona.

Unfortunately, we will have a number of committed and eager boys miss out on team selection. The worst part of our job is to turn away boys from sport. Although Iona nominates the maximum number of teams into the AIC AFL and volleyball competitions, it is still not enough to meet the demand of interested students. Those who do not make an AFL or volleyball team after this weekend will have the option of joining a cricket team, as we will field as many teams as we have players for this sport. The contact details of the cricket coordinators are found below if your son is keen to play cricket.

Please note, players are not required to wear the Iona AFL, cricket or volleyball uniform to the internal trials or the Villanova trials. If players have this uniform already, they may do so. If not, the boys can wear their Iona black & white training shirt or Yura shirt. New students can wear their current school's PE uniform (or black clothing if they have it).

After the Villanova trials, families should then buy the respective uniforms in readiness for 2024, as they then will be certain that they have made a team.

Swim Camp: At this stage, we still have 13 spots remaining for the Iona Swim Camp. If you are interested, please complete the 'expression of interest link' located in the swimming section below. The swim camp is open to current Year 6–11 students only, and is capped at 56 students. There are lots of fun activities planned including go-karting, Aqua Park, Timezone sessions, plus some beach and pool sessions. Those with an interest in attending have been emailed further information, including consent and payment details.

Please be advised we will move our Secondary Interhouse swim carnivals from Term 1 to the last week of Term 4 this year, and from now on. During the last week of school this year (Wednesday 22 Nov), we plan to run a joint Year 7–8 swim carnival in Periods 1–2, and a joint Year 9–10 carnival in Periods 3–4. We are hoping to run the Year 11 carnival in Period 1 on the Thursday. More information will be given in the weeks to come.

Iona College Coaches, Managers & Officials Needed!

The Sports Office is currently looking at staffing for the 2024 sports season. If you can assist in any of these roles, we ask that you complete the 2024 Volunteer Expression of Interest Form online:

<https://iona.jotform.com/232638805335863>

Iona relies on the assistance of the parents, Old Boys and friends to help fulfil these roles. Please help if you can – your boys, our students, are counting on us.

Best wishes go to all those who are trialling for the various sports on offer. Enjoy!

SAILING

Our Sailing team continued their winning ways on Sunday, with skipper Sam Muir and crew Flynn Rowell taking out the Interschool Fleet Racing Championship for Term 4.

Joining our winning combination on the podium were skipper Archie Willey and crew Matthew Clarke, who finished the regatta in third place.

Congratulations to all our sailors who competed in the fleet racing program over the past four weekends. Several of our sailors achieved personal milestones including their first race for Iona, their first race win, or their best place in a regatta. For others, it was an opportunity to have some fun developing new skills on the racecourse. As we move into the teams racing format, various changes in schedule occur each Sunday and the style of sailing changes for the boys.

Team allocations and the schedule for Sunday will be shared with the boys at training on Tuesday this week and on team app.

Expression of Interest – Iona Swim Camp, 13–15 January 2024

13 SPOTS LEFT!

In preparation for the 2024 AIC Swim Championships, we invite all Iona students from Years 6–11 (that is 2024 Year 7–12 students) to attend a Swim Camp to be held from the 13–15 January 2024 based at the Gold Coast Performance Centre at Runaway Bay.

This camp is a great opportunity for our team to further build bonds and friendships, to focus on the season ahead and develop themselves through training and other physical activities. The camp will commence with a 9am session at the Iona Pool on Saturday 13 January. Following this session, the College buses will transport all students to the Gold Coast. We expect to return to the College at around 11.15am on Monday 15 January.

The cost of the camp will be \$390. This will include transport, accommodation, food, activities, including a 90-minute package at Timezone in Surfers Paradise, go-karting and an Aqua Park session.

The camp will be capped at 56 participants. It will be a combination of fun activities as well as the hard work needed for us to be the best team we can be. Priority will be given to those who are currently in our swim program. After that, it will be 'first come, first served'.

Once these forms have been received, all official documentation as well as a full itinerary will be sent to all those who have expressed an interest. The camp will be fully supervised by Iona College staff members including our Head and Assistant Head swim coaches.

As our success in 2024 depends upon the hard work put in throughout the pre-season, I strongly urge all parents to encourage their son/s to participate and to register their interest using the online form below.

WATER POLO

Water Polo Coordinator

Mr Adam Easton – eastona@iona.qld.edu.au

All Schools Tournament Results

The All Schools Water Polo competition saw us enter both the Senior and Middle schools competitions.

The competition saw only one other school enter from the greater Brisbane area, being Marist in the Senior competition. The majority of the opposition were top water polo schools from the Gold Coast and Sunshine Coast. Other Brisbane players were put into 'Barbarian' teams.

With the high level of competition, our boys did well with the amount of water polo they have played and our limited practices. The Seniors finished fifth. The Juniors, after holding one of the Barbarian teams to a one-goal lead for most of the Bronze game, unfortunately saw their opponents pull away in the final quarter.
