## TEAM IONA

The Sports Office will publish a Team of the Week after each round of rugby and football this term. All Year 5–12 coaches have been asked to submit nominations to the coordinators. A rugby and football Team of the Week will be published in the newsletter and posted around the College noticeboards. Those who are listed in the Team of the Week can contact the Sports Office, and we will print a certificate so those chosen can proudly take it home and show their family and friends. See our Teams of the Week below in the respective rugby and football sections.

There are many things that make Iona a great College. Iona is a place of strong community. Since our foundation years we have been blessed to have so many people work hard and give of themselves to build our College and carry on the traditions and good work of those who came before us. Those people, including us, help form the type of College community we are.

There are many values we look to uphold as we go about our normal day-to-day lives at the College.

Commitment and support of the College are two values which are important to us. All Ionians are asked to commit to the College and do their part to make Iona better. The students are encouraged to commit to their studies and their faith, among many other things. Commitment to the sports program is also required.

When sport sign-ons go out for the various seasons of sport, we ask boys to register their interest to play and represent the College with the understanding that they commit to the entire season, to all training sessions and games, and placing Iona commitments before any other outside organisations (including club). At Iona, we do not pick and choose what games and sessions we attend.

It was not a long weekend last weekend, although some may have taken the Friday off. It is a long weekend this weekend. As mentioned in the previous newsletter, we are expecting all boys to commit to their team this

weekend and play their game before going off on any family breaks. It was not a huge issue last weekend, however there were still a significant number of late emails and correspondence given from the students and their parents regarding their absenteeism from weekend games. Some teams were affected more than others.

The other value I raised earlier was support. Parental support is vital to the wellbeing and sustainability of the College. The College and families work together to give the boys under our care the very best education. For the benefit of our students, they must learn about commitment and be held accountable when it is lacking, and know how this affects themselves and others. There will always be a sense of compassion and understanding when unforeseen issues arise. However, we cannot tolerate those who show a lack of commitment simply because they do not feel up to training, playing or travelling to an away venue.

Iona will continue to remind the boys to commit and support the College, demonstrating how anything less lets the team down and goes against our positive culture. If I said nothing regarding this issue, I would be doing a disservice to all Ionians past and present. For the most part, the College is very grateful for the support of the parents in every area.

Last weekend we played St Laurence's College in Round 1 of the AIC rugby, football, and chess season. Overall, it was a tough round. Iona got the better of the opposition in the rugby results, however, the football and chess results went the other way.

I have reminded boys this week that not everything in life will ever go our way. We take the good with the bad. But as part of the Iona culture, when the chips are down, we never give up, we support our mates and we play hard to the end. This is the Iona way.

I must congratulate all players for the way they conducted themselves on the weekend. How we look, act and speak (and play) in public gives the wider community a look at what type of community we are. Again, thank you to the parents, students and coaches who have supported these values.

Assistant Head of Sport (5–6): Mr Connor Russell – 3893 8869

Assistant Head of Sport (7–12): Mr Anthony Bannerman – 3906 8905

Best wishes go to all this weekend. We play St Edmund's in the main draw. Given the number of teams Iona has compared with the opposition, we do have many other supplementary games against other colleges this weekend. Be sure to look at the venues correctly on Clipboard and posted below, and be present well ahead of time – particularly those travelling to the St Edmund's playing fields at Tivoli.

All the best this weekend, and please enjoy the long weekend – after your game.

## Football Round 1 vs St Laurence's

On the weekend we faced tough opposition in St Laurence's. Iona battled hard all day, however Laurie's were the better school overall.

Congratulations to our three Primary teams (5A, 6B & 6C) all who managed wins. Our Firsts took the challenge to Laurie's and fought for a hard-earned draw, ensuring they start the season strong. This week we go up against St Edmund's and Ambrose Treacy College. Keep working hard in training, putting in the effort and supporting your mates. Good luck to all footballers on the weekend.

### **Rugby Round 1 vs St Laurence's**

Our games against St Laurence's College were a collective display of triumph, toughness, and heartbreak. Clean sweeps for our Year 5s and Year 10s, massive efforts from Year 8 and Year 9 teams running short on replacements due to injuries, and a nailbiter from the First XV that forced the defending champions to steal the win after the fulltime siren had sounded.

We now look ahead to this weekend with aim to get all teams on the board with a win against a challenging St Edmunds College.

## SAILING

Coordinator

Mr Ben Wiley [ionacollegesailing@gmail.com](mailto:ionacollegesailing@gmail.com)

Our sailing team represented Iona at the State Open Teams racing Championship over the weekend, with our Firsts team winning the regatta and our Seconds achieving fourth place.

The event saw teams from across the Southeast competing in a round-robin competition to qualify for the finals series. Our teams performed very well all day

and, as the only school competing in the event, demonstrated to open teams the quality of the school sailing competition.

The strong competition also proved valuable training for our boys, who are preparing for the National School Sailing Championships to be held later in the year. Thanks to our volunteers on the day who supported the regatta and our team's participation.
